*Absolutely Pure*  
**THE GREATEST BAKE-DAY HELP**  
**No Alum—No Phosphate**

*The Proof*

**D**ON'T accept claims or opinions. Every man selling an automobile will tell you his car can be run at low cost.

He'll tell you this because he knows and you know that gasoline, oil and tires are costing more and more all the time. He knows and you should know that the operating cost of any automobile during five years' time is worth your careful consideration.

We don't give you any guesswork. We tell you what we know. We state the facts and figures—proved and verified figures. Here they are:

Miles without a motor stop.....	22,023
Average miles per day (24 days).....	500.6
Miles per gallon of gasoline.....	21.88
Miles per gallon of oil.....	400
Average miles per tire.....	9,871

Most Maxwell owners get even better results than these but we are just giving the actual figures set when the Maxwell stock touring car broke the World's Motor Non-Stop Record.

When you get your Maxwell you can be sure it will give you economical service—probably far more economical than these figures indicate. But to be sure that you can get your Maxwell, **ORDER NOW.**

We have a few here but don't know when we can get more. Freight cars are scarce and the Maxwell factories, in spite of doubled production, are away behind in shipments.

Touring Car, \$655  
 Roadster, \$635

 Sold by Dexter's Drug Store, Canton, S. D.

**Methodist Church**

The subject of the sermon in the morning will be "Pilate's Question." In the evening Dr. Jenkins of Mitchell a former district superintendent and now Vice President of Mitchell College will fill the pulpit. Dr. Jenkins is one of the ablest preachers in the Dakota Conference and everybody should hear him. We were pleased to note the goodly increase at the Sabbath School last Sunday 224. Let us all try and make it 300 next Sunday and from now on. We regret very much to learn that our Sunday School Superintendent will leave us soon and let us show our appreciation of his most efficient and faithful services since he has been among us by turning out in full force. Epworth League at the regular hour 6:30 p. m. The young people are cordially invited. Prayer Meeting Thursday evening and Teacher Training Class immediately following.

**POLITICAL ANNOUNCEMENTS**

**County Judge.**

I am a candidate for nomination at the May primary to the office of county judge, and would very much appreciate your support.  
 M. B. Kennedy.

I am a candidate for the office of County Judge, Lincoln County, and will greatly appreciate your support at the May Primary.  
 Lars J. Grinager

To the Republican voters of Lincoln County, S. D. I am a candidate for the office of County Judge of Lincoln County at the forthcoming primaries. Any efforts in my behalf on the part of my friends will be appreciated.  
 Floyd J. Cooper.

**J. C. Solem For The Office of County Judge.**

As stated last December in my opening statement, I am a candidate for the office of County Judge, and there is now being circulated and will be filed a nominating petition in my favor. I therefore announce to the voters of Lincoln County, my candidacy and will greatly appreciate any support given me at the coming primaries. Yours Very Truly,  
 J. C. Solem.

**For Sheriff.**

I herewith announce myself a candidate for the office of sheriff subject to the will of the republican voters at the 1916 primary and I will deeply appreciate all efforts made in my behalf.  
 J. L. Opperud.

I hereby announce my candidacy for the office of sheriff of Lincoln County, subject to the will of the voters at the Republican primary to be held on May 23rd, 1916. Your support will be appreciated.  
 Very Respectfully, JOHN E. QUIREN.

**Another Strong Point in Bluebell Cream Separators**

ON many separators when the neck bearing gets out of adjustment it is necessary to have an expert from the factory come and make the adjustment.

**Thompson & Fossum**

On others it is necessary to purchase a new neck bearing, and oftentimes a new bowl and spindle go with it. The neck bearing on the Bluebell cream separator requires no adjustment, adapts itself automatically to all the strains of starting and stopping, and can be handled by one of the family just as well as by a factory expert. Even in the hands of a careless operator, it is practically impossible for this neck bearing to cause trouble. If you have owned and run almost any other make of cream separator for any length of time, you will appreciate the trouble that is eliminated by the neck bearing in the Bluebell cream separator. On this bearing depends much of the efficiency of a separator. Come in and learn more about the Bluebell.

**PAINT PROBLEMS**

will soon be up for consideration. No matter what kind of paint job, large or small, you have in mind it will pay you to let us give you quotations on same.

At this season there are many things in every home that need touching up. Paint is an economy because it protects and beautifies. It adds to the value of anything to which it is applied. We are agents for
