LOCAL NEWS MATTERS.

Mentions of the Happenings of Mitchell and Vicinity.

J. W. Harden, of Jerauld county, was in the city Saturday.

Geo. Anderson and daughter, Mrs. Ed. Rice, returned home to Fort Dodge, Iowa, Saturday morning.

Mrs. Will Irwin, of Plankinton, has been in the city for a day or two making some purchases among the dry good stores and returned home Saturday afternoon.

Henry Geiger has moved his cigar factory into rooms to the rear of Indria's clothing store, in the Gale block. This will give him better quarters than where he was formerly located.

H. A. Gayman, of Winterset, Iowa, has been in the city this week and made the purchase of a quarter section of land in the vicinity of Mt. Vernon. He returned home Saturday morning.

H. D. Butterfield has a page advertisement in The Capital today calling attention to a sale of tailor-made goods that will last two weeks, and Mr. Butterfield declares that the people will seldom have such a good opportunity to purchase goods so cheap as now. Read his advertisement and see what he has to offer.

At the meeting of the high school alumni last evening it was decided that the banquet and reception to the graduating class should be held on the evening of June 10 in the Odd Fellows' and Firemen's hall. A program will be given and some other of the features will be gotten together to make the evening a pleasant one.

The Republican has been awarded the contract for printing the Student Hand Book of DePauw University of Greencastle, Ind. The students down there saw the book that was printed by The Republican a year ago and were so well pleased with the work that there was no hesitation about sending the printing out to a western office to be done.

The Mitchell Club gave a dancing party at its club rooms last evening and there was a large number of dancers present. The evening was delightfully spent in dancing through a very pleasantly arranged program, and none were present but who had a most delightful evening. Toce, the harpist, of Sioux City, played for the party.

Two special freight trains passed through the city over the Milwaukee road Friday morning for Everts, west of Aberdeen. The train was loaded with Texas cattle that are being taken out on the range across the Missouri. They are all young stock, and it is calculated to feed them on the range for a year or more before fitting them for the eastern market.

The son of Postmaster Wallis, over at Riverside, has got into trouble, which will be settled in the United States federal court. The young man's name is William Lloyd Garrison Wallis, and while but 14 years of age he transgressed the laws of the government by writing an objectionable letter to a young lady in Chicago. The young man was arrested and taken before United States Commissioner Conway and had a hearing on the charge. The boy waived examination and was bound over to the September term of court, which convenes in Deadwood. The boy's father and a friend went on his bond of \$300. The objectionable letter was written on March 28.

It is not very often that one hears of a fire department in the country but that is what has been accomplished by a number of farmers in one of the townships of Jerauld county. Up in that neighborhood so many have become innocent victims of the prairie fire that as a means of self-protection the farmers have organized this department. Each man must equip himself with an appliance to fight the prairie fire and respond to the call of any neighbor in the township. An invitation ought to be extended to this new fire department to attend the firemen's tournament to be held in Mitchell next month.

The Mason City Times-Herald published what the Republican had with reference to the wedding of Fred L. Tiffany and Miss Florence Gregory, and made the following comments on the groom: "The many friends in Mason City of Fred Tiffany extend to him their warmest congratulations. Fred was always a popular young man and there were reasons for it. While the family resided here Fred was a student of the University of Minnesota and spent five years in diligent study of law and graduated with high honors. He has splendid material in him and he has located in a country where he has ample opportunities to bring out his strength of mind and character. May Fred and the beautiful wife he has

chosen to walk with him through life be abundantly successful are the wishes of hundreds in Mason City."

Mr. and Mrs. George Meuters have moved into the Dix cottage on west Third street.

Mrs. Geo. H. Eastman spent Sunday in the city with relatives and returned home to Scotland Monday morning.

Miss Jane Boyles, who has been visiting her brother, Virgil Boyles, returned home to Yankton Monday morning.

W. G. Cooley, who has been visiting his sister, Mrs. Chas. Burnside, for a few days, returned last Friday to his home at Manchester, Iowa.

Mr. and Mrs. E. E. Siddman, of Minneapolis arrived Monday to make a visit with Mr. and Mrs. J. L. Arney. The two families are old friends.

Mr. and Mrs. F. W. Corliss, relatives of C. J. Bliss and family, who have been visiting in the city departed this morning for their home at Omaha.

Mrs. D. An'erson, who has been visiting her sister, Mrs. C. W. Downey, for the past two weeks, returned to her home at Ashton, Friday afternoon.

O. H. Perry went over to Alexandria Monday to look after several contracts he has there for the removal of buildings from one part of the city to another.

W. G. Davison, of Carthage, Mo., is in the city on a visit to Mr. and Mrs. N. L. Davison. Mr. Davison was a former resident of Mitchell and is president of the Mitchell National bank.

Geo. Anderson and daughter, Mrs. Ed. Rice, arrived in the city last Friday from Pierre and will remain here a short time while on their way back to Fort Dodge, Iowa, where they live.

Anthony Cottingham, of Aurelia, Iowa, and Miss Grace Murphy, of Sioux City, have been visiting at the home of Joseph Harker for the past week and returned home Monday morning.

J. O. and C. W. Walrath received a telegram Sunday announcing the serious illness of their mother at the home near Janesville, Wis. The brothers departed for that place Monday, hoping to reach there before the end comes.

There were about 50 people who bought tickets at the Milwaukee depot Monday to go to Letcher to attend the races there today. Quite a few drove up and altogether Mitchell will have a pretty good representation at the day of sports.

J. L. Donahue was up from Ethan Thursday. He states that Phil Tobin and himself have purchased the real estate business of Drake & Devers and already have some customers on the string for lands in the south part of the county.

The passenger train from the north over the Milwaukee road this morning was packed with landseekers who had been in the north part of the state and were on their way back to Iowa and Illinois points. Some of them stopped here to look over the country.

The Batavia Railroad Theatre Co passed through the city Monday, having been out west since last week. John Owens reports a very good business, with the exception at Kimball, where the show was not allowed to perform by the city authorities on account of the prevalence of the measles there, all public gatherings having been prohibited some weeks ago.

The city council will hold a special meeting this evening for the purpose of hearing the report of the library committee on plans. The committee has received some new plans from Architect Dow and they come within the views of the committee and they will be recommended for adoption. The drawings show that the building will present a very attractive appearance, as it will doubtless be erected with stone as the building material.

The Freeland Extension Mining and Milling Co. received a few days ago a specimen of the ore that is being taken from their mine in Colorado. The specimen was placed in front of Scallin's drug store Monday and it is quite an object of curiosity. The mine contains gold, silver and lead and all of these metals are shown in the specimen. The officials have placed the specimen on exhibition for the purpose of showing the public just what their mine produces. The specimen weighs about 500 pounds and was sent by Manager Hackett, who is conducting the operations at the mine.

Frank Owen, who has been running on the mail train over the Milwaukee road between Mitchell and Spencer, Iowa, for some time, has been changed to a different run on the same system. Hereafter Mr. Owen will be in the mail service between Mason City and McGregor, Iowa, making the run every night for a week. He then gets a week off, which he will spend at his home in this city. Mr. Owen has decided not to give up his residence here on account of the splendid school facilities that Mitchell has. His new run comes in the nature of a promotion.

J. V. White is one of the new settlers in this county who is an old settler of the state. Last February Mr. White and sons bought a large quantity of land near Mitchell, some southwest of town and some northwest. Mr. White came here from Hardin county, Iowa, last spring but formerly lived in Clay county. He was a former member of the territorial legislature and just before moving to Iowa completed a long term as a member of the State Board of Agriculture. Mr. White is living on the Stocking farm, a short distance south of town, but expects to build a residence in the city and move here. He will devote his time particularly to raising cattle and will soon increase his herd to a large extent, having about two sections of land on which to turn his cattle.

All Eyes on Texas.

Great is Texas. Her vast cotton crops and marvellous oil discoveries amaze the world. Now follows the startling statement of the wonderful work at Cisco, Tex., of Dr. King's New Discovery for consumption. "My wife contracted a severe lung trouble," writes editor J. J. Eager, "which caused a most obstinate cough and finally resulted in profuse hemorrhages, but she has been completely cured by Dr. King's New Discovery." Its positively guaranteed for coughs, colds and all throat and lung troubles. 50c and \$1.00. Trial bottles free at S. H. Scallin.

TO CLEAN UP ALLEYS.

Cleanliness in This Respect Will be Enforced all Over the City Hereafter.

The new city administration is going to have the alleys of the city, both business and resident, cleaned up. This is not a spasmodic effort, for when the work once sets in it is going to be continued. A few days ago some of the members of the council took a drive through every alley in the city and they were thoroughly surprised at the condition of things. As a result of this trip people will be notified personally to clean up. A reasonable time will be given to obey the notice and if it is not done means will be adopted to see that the order is enforced. Once cleaned it will not require half the effort to keep them in that condition and the general health of the city will be that much better. It isn't the intention of the council to be overbearing or dictatorial in the matter but the idea is to demonstrate to the people how much better it is to have a neat clean city than to have garbage scattered through the alleys.

The matter of throwing out waste paper is one that ought to appeal to people who are in the habit of doing so. The wind carries the papers to all parts of the city and they are lodged in corners and create anything but a favorable impression. It is not a difficult matter to keep the papers together and then burn them all at once. By doing this the city will present a much better appearance.

Old Soldier's Experience.

M. M. Austin, a civil war veteran, of Winchestr, Ind., writes: "My wife was sick a long time in spite of good doctors treatment, but was wholly cured by Dr. King's New Life Pills, which worked wonders for her health." They always do. Try them. Only 25c at S. H. Scallin's drug store.

ED. TANZEY BURIED.

Impressive Ceremonies Were Held at Artesian Over Remains of the Brave Soldier.

A great many people in this city will remember Ed Tanzy, of Artesian, who was a former student of Dakota University a few years ago. While attending the University he took a leading part in the athletic features of the college and was particularly strong on the foot ball team. When he left college he enlisted in the army and went to the Philippines, where he died some time ago, announcement being made of his death at the time. His body was brought to the United States recently and last Sunday memorial services were held at Artesian. The following account is given by a correspondent at that place:

Memorial services were held here Sunday over the remains of James Edward Tanzy which reached here from the Philippines by way of San Francisco. "Ed," as he was known, was a son of Mr. and Mrs. James

Distress After Eating

Nausea between meals, belching, vomiting, flatulence, fits of nervous headache, pain in the stomach, are all symptoms of dyspepsia, and the longer it is neglected the harder it is to cure it.

Hood's Sarsaparilla and Pills

Radically and permanently cure it—strengthen and tone the stomach and other digestive organs for the natural performance of their functions.

Accept no substitute for Hood's. "I had dyspepsia twenty-five years and took different medicines but got no help until I began taking Hood's Sarsaparilla. Have taken four bottles of this medicine and can now eat almost anything, sleep well, have no cramps in my stomach, no burning and no distress." Mrs. WILLIAM G. BARRETT, 14 Olney St., Providence, R. I. Hood's Sarsaparilla promises to cure and keeps the promise.

Tanzy of Miner, Miner county, highly respected people. He left Artesian in June, 1899 for Denver, Col., joining the volunteers shortly after he reached there. He entered as company clerk, which office he held for about seven months when he resigned and entered upon his duties as soldier, being readily advanced to corporal for gallantry in service.

Ed was an ideal young man and was a favorite among old and young. He died October 12, 1900. His remains were buried in the Philippines until preparations could be made for his transportation. The funeral occurred at 2 p. m. Sunday under the direction of the I. O. O. F. of which order he was a member. The services were in charge of the Howard lodge and the memorial address was given by R. B. Smith, editor of the Beresford News. About 80 Odd Fellows were present and headed the procession to the grave. Next came the body escorted by three Cuban soldier boys from Howard on either side; following were the Relief Corps and Grand Army veterans. The procession was nearly three-quarters of a mile long made up of relatives and friends of our "soldier boy." The casket was nicely decorated with flowers and flags. Flags were at half-mast, stores and awnings were draped which helped to solemnize the occasion.

WORTH A THOUGHT.

This Statement Will Interest Scores of Mitchell Readers.

The facts given below are worth a perusal by all who are anxious about their physical condition or are similarly situated to this resident of Fargo, N. D. It is a common occurrence and can be thoroughly investigated.

Mr. Frank Barnes, of 910 Fifth avenue, Fargo, N. D., employed in the cemetery says: "In September, 1897, I contracted typhoid fever, pulled through it evidently but it left me weakened kidneys and a pain across the small of my back. Often I felt as if my back was breaking in two, or as if someone had struck me across the kidneys with a broom handle. Frequently it was so acute the weight of my coat hurt me and at night I was often unable to turn in my bed simply on account of the excruciating twinges which shot through me in and around the kidneys. I was in this condition when I procured Doan's Kidney Pills at Wilsor's drug store. It cost an effort to walk that distance for them but I was well rewarded for my trouble. Since I stopped the treatment I have not had a twinge, an ache or a pain. Other members of my family have used Doan's Kidney Pills and obtained the best of results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Wants Others to Know.

"I have used DeWitt's Little Early Risers for constipation and torpid liver and they are all right. I am glad to endorse them for I think when we find a good thing we ought to let others know it," writes Alfred Heinze, Quincy, Ill. They never gripe or distress. Sure, safe pills. —L. O. Gale.

It Saved His Leg.

P. A. Danforth, of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve wholly cured it in five days. For Ulcers, wounds, piles, it's the best salve in the world. Cure guaranteed. Only 25c. Sold by S. H. Scallin.

Many School Children are Sickly.

Mother Gray's Sweet Powders for children, used by Mother Gray, a nurse in Children's Home, New York. Break up colds in 24 hours, cure feverishness, head, stomach troubles, teething disorders, and destroy worms. At all druggists. 25c. Sample mailed free. Address, Allen S. Olmstead, LeRoy, N. Y.

A Paris dispatch says, "M. Rosey has just discovered the secret of perpetual youth." Too late, we've had it for years. Madison Medicine Co.'s Rocky Mountain Tea.
