VOLUME XXXIII

HURLEY, SOUTH DAKOTA, THURSDAY, JUNE 15, 1916

NO. 1

District W. C. T. U. Convention at Hurley.

The convention of the First District of the W. C. T. U. for the state of South Dakota closed Friday evening after a very interesting session. A number of delegates were in attendance.

The convention opened Thursday afternoon with devotional exercises led by Mrs. Anna Raynor of Hurley. A short talk by Mrs. M. L. Hyde of Beresford followed and greetings from our state president, Mrs. Anna Simmons. Music by the choir and the meeting adjourned for the evening session.

Following the afternoon session a reception for the delegates was held in the church parlors of the Methodist church and a delightful supper was served.

Thursday evening the meeting opened with prayer by Rev. Slocum. Song by the children of the L. T. L., "We'll never touch the wine, We'll drink the water pure." How important to train the little children and to fill their thoughts with good things.

Then followed a drill by the Boy Scouts under the direction of Rev. Slocum. They also gave Scout yells.

Little Mary Beth Raynor gave a reading which was thoroughly enjoyed by all. The L. T. L.'s came again singing, "If I Only had a Home Sweet Home." The little news boys were there with their papers looking in on the home of comfort and cheer. The little girls with their dolls represented the mothers in their homes. The exercises were beautiful.

Our Dist. President Mrs. Fitch gave a splendid talk on the work of the W. C. T. U. Mothers and their Influence. It would be impossible by a brief outline, to give an idea even of the many encouraging things she said.

Response following with greetings and welcome to the new delegates and home coming old friends by Mrs. Mills of Hurley. The Camp-fire Girls gave a drill and song. Mrs. Fitch spoke of them and what they represented as compared to the "modern girl, with her beruffled appearance and affected ways." "The Camp-fire girls represent the simple, useful and beautiful. Benediction by Rev. Patterson.

Friday morning: Devotional exercises led by Mrs. Slocum of Hurley. Music by the choir. Paper on Suffrage by Mrs. John Mitchell of Hurley. The progress of the times gives to the women more time to study the affairs of the government. Reports of the local unions followed by open discussion. Committees were appointed. Mrs. V. M. Patterson gave the noonday prayer and the meeting adjourned for the afternoon session.

Friday afternoon: Devotionals led by our crusade member Mrs. M. L. Hyde of Beresford. Song, "The Advancing Host." Papers, "Medical Temperance" by Mrs. G. V. Stevens of Yankton. Very instructive and interesting.

"Practical Methods in Campaign Work" by Mrs. H. C. Hanson of Wakonda, giving many good suggestions.

"Temperance in the S. School by Mrs. Slocum of Hurley. Outlining the work in that department. A delegate from each local Union was appointed to see to the S. S. work on

temperance in their own city.

Mr. Withee of the Legislature gave a short talk on Campaign work.

Another paper was read by Mrs. Groat of Beresford on "Mercy." A beautiful lesson for us to be merciful to even the smallest of God's Creatures.

Resolutions, by the Committee. Pledges from the Unions were taken.

Mrs. Simmons explained plans for campaign. Plans were adopted by First District.

The election of officers followed.

President, Mrs. Edith M. Fitch, Yankton; vice president, Mrs. Eva Groat, Beresford; recording sec., Mrs. H. Irvin, Parker; corresponding sec., Mrs. Edgeton, Yankton; treasurer, Mrs. Anna Raynor, Hurley; L. T. L. sec., Mrs. Sargent, Hurley; Y. P. B. sec., Mrs. Mabel Lucke, Beresford.

Song, "They Vote for Prohibition." Adjournment.

Friday evening: Convention opened with Prayer offered by Rev. Patterson. Solo by Mrs. Joyce of Hurley with chorus. Reading, Ruth Olsen of Beresford. Solo by Mrs. Hanson of Wakonda. Duet by Hurley Boys.

A fine address by Mrs. Anna Simmons followed. Mrs. Simmons gave us an outline of the work done by the W. C. T. U. and its loyal workers since its organization. This was very interesting especially to the younger members, giving us courage to go on with the work our Mothers have so faithfully stood for.

A silver offering was taken. Closing song, by the Hurley Union. Benediction, Rev. Slocum.

Methodist Church.

11:00 Divine Worship, "The Enduring Man." 12:00 Bible school. 2:30 Service in Spring Valley. 3:00 Union service in the Presbyterian church, address by Mr. Frank of Mitchell.

These are the summer days when we need a liberal supply of optimism. We had good congregations last Sunday. Every one loses by not attending church on the Sabbath day. Your loss can never be made up. Satan is as busy in summer as in winter; we are less inclined to be religious. Come to church with the desire to give out as well as to receive.

Expect to see you next Sunday.

The Children's Day program will be given on Sunday June 25 at 11:00 o'clock, and in the Valley the same day at 2:30. In connection with this program, in both places, will be the Baptism of babies. Consecrate your dear one in Holy Baptism to the keeping of the Saviour.

Boy Scouts will meet this week on Friday evening, June 16. Are you going to camp at Sioux Falls in July? Bring in your card with the amount of money as soon as possible. Friday night if you can. \$3.00 per week pay your expenses which means board and tent.

The Women's Foreign Missionary Society held a picnic at the home of Thos. Davis last Friday afternoon. The folks enjoyed a fine time on the lawn. The weather was ideal and all report a good time. The W. F. M. S. is a live organization and doing good work.

The pastor, wife and children enjoyed a delightful trip the past week. We visited in the parental home at Brookings, and enjoyed meeting old friends. Roads were good and weather fine, no accidents, a fine trip.

We are here to serve. Always welcome to a "Home Like" church.

PRESBYTERIAN CHURCH

A man said to me the other day, says he, "I consider any individual who does not support the church with either his interest or money, and occasionally attendance, a mighty poor citizen."

And I said, "well, brother, where do you attend church? I never see you at the Presbyterian."

"Oh," he replied, "I kinda got out of the habit. You know how it is."

And then I took a paper from my coat pocket and handed it to him with the remark, "Here is something that will interest you, then, for old time's sake."

He read it over once or twice, colored up, scratched his head, bit his lip, and stuttered, "Yes - that's so - your church needs fixin' up, but - but -"

And the conversation ended.

Moral: How easy to criticize the other fellow when we ourselves are in the same boat!

What we want is the man who talks less and does more. True, isn't it? The man who does nothing but talk really discounts his own ability, and personal worth.

Good deal like the chap who wrote a note to his best girl and said, "Mary, I love you. I love you so Mary, that I would - well, what wouldn't I do for you? I would swim the ocean - I would go thru fire - I would face wild beasts - I would die twice over - I would, O, Mary, I love you so - so I will come over to see you to-morrow night - if it doesn't rain!"

Well, here's the point: We are repairing our church building. We need you. We need a little of your money. We want twelve hundred dollars, anyway. The people of Hurley are responding finely. The above moral does not particularly apply here. I insert it here for comparison. If you have not been given a chance to sign the paper, do not wait until it comes to you. Call me on the phone, or send a note, or stop me on the street, and say, "I have made up my mind to help this much," and your subscription need not be payable until Sept. 1st.

Next Sunday the morning hour will be given to the Sunday school, and a Children's Day program will be rendered. The program consists of three parts, Primary, Junior and Intermediate, and will certainly be worth your time and effort to come.

In the evening there will be union services in our church. A Mr. Mitchell from Mitchell will speak. All welcome.

Quakers meet Tuesday June 27, at the home of Mrs. Farnsworth, entertained by Miss Larson.

Union services every Sunday night until the first of August.

Ball Games

The first game of the season for the Hurley team was played at Wakonda last Sunday afternoon, and the boys started out by winning by a four to nothing score. It was a good live game and interesting to watch.

Paul Boardman, who did the pitching for the Hurley team, made a good showing. Monday the fast All Nation team played Hurley on the home grounds the score being 5 to 2 in favor of the visitors. On account of the storm which came up the game was called in the eighth inning. Stoddard pitched for the locals and Mendez finished the twirling for the All Nations. The next game was played at Lennox Tuesday-Sauer Kraut day. Hurley beat the Lennox team by a 9 to 7 score with Miller in the box. The two new men - Smith and Murphy have made a splendid showing and help make up one of the strongest infields we have had.

We do not attempt an elaborate organization, but do plan to touch every voting precinct in the state and to have a worker in each township, at least, who will be in touch with this office and on whom we may depend to keep us informed concerning the progress of the campaign in his community.

"We cannot personally invite every good man in the county, but all are welcome to attend this meeting and you will please urge such men as you know to be interested to be present and take part in the work of organization."

"The meeting will probably be held in some room in the City Hall, but if not a notice will be posted on the door stating where the meeting will be held."

TURNER COUNTY PROHIBITION CONVENTION AT PARKER.

At Parker 3 p. m., Tuesday, June 19th, to which all are invited.

E. C. Hunt, secretary of the State Anti-Saloon League, writes The New Era:

"We are planning to hold a convention of the prohibition forces of Turner county at Parker, South Dakota, on Monday afternoon, June 19th, at 3:00 o'clock, for the purpose of organizing the county and making it a part of the statewide organization which is rapidly being effected in our South Dakota into the dry column this fall."
