—As a general thing Thanksgiving day, brings sunshine and joy to the homes of the American people. And as the rich and well-to-do, gather around their warm hearthstones they forget that want and despair stand like grim sentinels at the doors of the houses of the poor. They forget that the poor workmen and women have but little to be thankful for, and much to regret. They wonder why it is, that the sounds of music, and of praise are forever stilled among the tenements, of the poor. Such is life and we cannot disguise the fact. If you want to be real happy on that day, practice sweet charity, and do something to be ever small, for the poor of our village.

—The Mutual Marriage Benevolent Association, of Marine City, is an association organized for the purpose of assisting its members in their attempt to start in life by providing a dowry to those of their class (unmarried) who are members upon their marriage. The Association was instituted in April of the present year by a number of prominent citizens of Marine City and Port Huron, and in the month of May secured their charter of incorporation. The association is not as many suppose, an experiment, as there has been one the same plan very successfully carried on in Hamilton, Ont., for the past two years, the Marine City Association was organized on the same plan, with the exception of it not costing its members so much by dues and assessment as the Canadian Association. The members receive benefit upon marriage of from \$250 to \$4,000. For further information call at this office.

By Neglect.

What is it at first but a slight cold, becomes a cough, straining and exhausting the lungs till such an indurated condition exists, that powerful remedies are not always able to stop the disease and the person goes into consumption from mere neglect. Do not be so foolish but use Hamilton's Cough Balm, which removes the inflamed matter from the throat and lungs and exerts a healing influence on the diseased parts. Even those who are but the wrecks of their former selves receive wonderful relief. In Croup and Whooping Cough it is invaluable. Price 25 and 50 cents. Sent for C. A. Wells & Co.

Dissolution of Partnership.

NOTICE is hereby given that the partnership heretofore existing between Thomas Darcy and C. Van Wagner under the firm name of T. Darcy & Co., is this day dissolved by mutual consent. T. Darcy will receive and receipt for all accounts due said firm and pay all debts due by said firm.
