**CORRESPONDENCE.**  
**Brockway Bits.**  
 We are sorry to report Jas Harris in poorer health than usual.  
 Drunken men are as thick as ever on the streets of our village. St John has a very slim representation here.  
 Mrs Mary Hannah is visiting in Brockway Centre at present and has been for some time past. We understand that she has become unusually Merrill of late.  
 Lincoln Avery and Harry Tappan were in town on Tuesday. Were electioneering we believe.  
**Brown's City Notes.**  
 Geo. Eberington has his new hall completed and it adds not a little to the looks of the village.  
 Charles Kyes will soon have his new dwelling house finished.  
 Mr Townsend is getting ready to build a nice residence on his place.  
 Mr Makelim has returned from Sandusky where he has been attending the session of the board of supervisors and has resumed grain buying.  
 Business of all kinds is booming. Grain is coming in as lively as ever and is likely to continue so for some time. The grain mill is kept steady to work.  
 Hon J. W. McMahon, of Marlette, will give us a speech on the political issues of the day in Eberington's Hall on Saturday evening.  
 A number of our people went down to hear the plumed knight in Fort Huron last week Friday.  
**From the Wildcat Evergreen.**  
 Shebena, P. O., Oct, 18th, 1884.  
 MR. EDITOR.—What was the wilds of Evergreen at our last presidential election and where the wild heans roamed at leisure? Noe I had a nice eight-square pine pole eighty feet high with a large ball on the top shining like an evening star and the proud republicans dug their heels on the ground. Turner, a good blacksmith shop run by John Keyworth—when he is at home, a saw and hagle mill owned by Farrot & Sons.  
 Mrs. S. Betts is moving back to Brockway Centre.  
 Our friend Henry Phillips has returned home from an extended visit among his many friends and relatives in his native town.  
 There was quite a lively time at the residence of Peter C. Phillips last Thursday evening in the shape of a neck-tie social for the benefit of Rev. Mr. McGee who is trying to preach the gospel to the people here. It closed at evening 8.00. Mr. McGee is a very fine man and an earnest worker.  
 John Wells cut a log tree lately which had over 200 pounds of honey laid.  
 There are lots of fish in Cass river. C. Brown caught 32 pike in a few minutes the other evening.  
 People are settling in here very fast lately. We see H. S. Wait has built a snug little home and stable on his lot and he tells us that he intends to move into the same in the near future.  
 Some of the small children are sick around here with a sort of cholera morbus. Mr. Turner's baby is quite low at present.  
 Fall wheat looks remarkably well around here.  
 Some of the young men in Brockway would do well to come here and get themselves a home in the wilds of Evergreen.  
**HEMLOCK LAGER.**

**CASH! CASH!!**  
 On and after November 1st we shall endeavor to conduct our business on a strictly cash basis. Our looks at that time will be closed and we hereby earnestly request all parties indebted to us to call and settle their accounts by Nov. 15, 1884. Thanking all parties who have favored us with a share of their patronage and ask for a continuance of the same.  
 Yours Res. HOLDEN BROS.
