A federal union of the South African states is proposed.

The agent of the East Africa company has succeeded in obtaining the release of the Catholic missionaries recently captured by the insurgents, by the payment of 9,000 marks to Bushiri.

Frightful storms raged throughout England, Germany, Holland and France during the week ending Feb. 10. Great damage was done to property, and for days all railroad traffic and telegraph communication was at a standstill.

The decision of the Iowa supreme court in the "original package" case does not seriously alarm the liquor interest at Davenport.

A movement is on foot to secure the pardon of Oscar W. Nece, one of the Chicago anarchists tried for the Haymarket conspiracy, and who was sentenced to 15 years' imprisonment.

HARRISON AND MORTON.

The Electoral College Declares Them Elected.

The two houses of congress counted the electoral vote on the 13th inst.

When the joint assembly had come to order, Senator Morton announced in clear, distinct tones, that this was the day appointed for opening the certificates and counting the electoral vote for president and vice-president, the senate and house had met together for that purpose pursuant to the laws of the United States.

At the conclusion of the reading it was announced that of the 401 votes cast, Benjamin Harrison and Levi P. Morton had received 233 votes each, and Grover Cleveland and Allen G. Thurman 168 each for president and vice-president, respectively. The tellers then handed the result to Senator Ingalls, who in set form announced the result again.

The announcement by the president of the senate, "is by a sufficient declaration that Benjamin Harrison of Indiana is elected president of the United States, and Levi P. Morton of New York vice-president of the United States, the term beginning March 4, 1889." The announcement together with a list of the votes he said would be entered on the journal of both houses.

LEFT A BABE IN THE SNOW.

The Father and Mother Arrested in New York.

A man named Titus was arrested in Rochester, N. Y., Feb. 9 on the charge of desertion and attempted murder of his youngest child, a babe about five weeks old. The child is alleged to have been committed near Hastings in Michigan, and his arrest was due to a requisition from the authorities there. About three weeks ago, the charge is, that he sold his effects in Michigan, where he had resided for some four years, and with a woman who passed as his wife, and three children started east. It is alleged that the youngest child was wrapped in an old shawl and left in the snow in a fence corner to perish. It changed to be discovered shortly after by a passer-by and taken to a farm house, after considerable exertion was resorted to animation and is now none the worse for its exposure to the weather. The woman was arrested in Adams and the man, from evidence which she furnished, was located in Rochester.

Riot at Rome.

Thousands of unemployed workmen in Rome assembled in the streets the other night, and a riot broke out. A number of persons were wounded. Several of the ring leaders among the rioters were arrested. Troops formed a cordon around the disturbed district.

Thirty persons, mostly policemen, were dangerously wounded during the riot. It is feared that the trouble will be renewed.

The rioters tried to reach the quinal, the offices of the cabinet ministers and the various banks, but were blocked the way. An immense amount of property was wrecked. Great discontent is expressed at the supineness of the government in dealing with the riot.

The Art Exhibit.

At the Chicago Art Institute is now one of surpassing interest and value. The collection of Verestchagin, the famous Russian painter, soldier and traveler, consists of one hundred and thirty Old Paintings, together with numerous Oriental Gems, Arms, Jewels, and other objects. The interesting collection ever brought to Chicago. It will not be exhibited anywhere in this country but at Chicago and New York. This, as well as the collections of old Dutch and Flemish masters, Historical Portraits, and Foreign and American paintings will also remain on exhibition until March 3rd.

The Michigan Central will make a rate of three and a third cents for the morning trains arriving in Chicago on the mornings of February 14th, 23rd, and March 2nd, the tickets to be good returning on night trains leaving Chicago not later than those dates.

The French Way.

The French ministry has resigned. Premier Floquet brought up the question of the revision of the constitution in the chamber of deputies. The deputies voted to adjourn the debate upon it, despite the opposition of the ministers. The ministry thereupon resigned. The vote against the government was 307 to 218.
