An old man is going about the state selling the State official railroad map issued by the state railroad department. He charges fifty cents for the map and makes application to railroad commissioners by postal card in the person's name to whom he sells. The person is a swindler and the people are losing their money as the maps are not for sale and the commissioner does not send them.

A Scrap of Paper Saves Her Life.
It was just an ordinary scrap of wrapping paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a sample bottle; it helped her; she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing 140 pounds. For fuller particulars send stamp to W. H. Cole, druggist, Fort Smith. Trial bottles of this wonderful discovery free at C. A. Wells' drug store.

Wedding Bells.

Oscar L. Boice and Miss Minnie Welch were married at Yale on Wednesday evening, at the residence of the bride's parents, the Rev. J. J. Tickner officiating. The ceremony was witnessed by relatives and friends of the couple from home and abroad. As the couple entered the room Miss Mary Hayes, of Port Huron, played the wedding march by Mendelssohn. The bride and groom and attendants stood in an alcove beneath a bell composed of roses and ferns, behind which hung an elegant banner surmounted by a cluster of ferns. The bride wore a cream Henrietta dress trimmed with Persian silk and point d'ene lace, and carried in her hand a bouquet of sweet peas. The bride's maid, Miss Kitty Hayes, was dressed in boreal brocade satin with embroidery and trimmings, and wore a corsage bouquet of tea roses. The groom was dressed in the conventional wedding suit, and with the groomsmen, wore bouquets of forget-me-nots.

After the wedding ceremony was performed and the newly-married couple had received the congratulations of their numerous friends they all repaired to a sumptuous wedding feast.

While in Harvest!

The farmer is often reminded that a Wagon that can be depended upon at all times is a treasure indeed. We wish to remind the farmers of Eastern Michigan that

THE CELEBRATED STUDEBAKER WAGON

is the only wagon that has stood the test of years, in spring time and harvest. The Studebaker Slope Shoulder Spoke is strongest where the square tenon is weak. The spokes, being first prepared with glue are driven into place with a powerful machine spoke-driver, and will never rattle or become loose. The axle boxes are pressed into the hubs by a 100-ton hydraulic press. With patent cast sandage patent steel skeins, truss axle, patent oval-edged tire, woodwork after years of seasoning soaked in boiling oil, skeins of Lake Superior Iron, best of workmanship throughout makes the Studebaker the King of Wagons.

AUGUST, SEPTEMBER and OCTOBER Specialties: P. K. Derick steel and wood Hay Presses, Washburn and Griswold hay ties; Waterloo Spring Wagons and buggies; Dick famous Feed Cutters; Crown Grain Drills; Farmer's friend Gang Plows; Anderson and Wilkinson Walking Plows; Rose Disk Harrows, also a complete stock of Carriages, Wagons and Heavy Hardware, Wood Stock and Trimmings.
Respectfully Yours,
