

# WEEKLY EXPOSITOR.

JAS. A. MENZIES, Publisher.

In the Best Interests of the Community in which we live.

FOR THE RIGHT AND THE REPUBLICAN PARTY.

Vol. XI, No. 46.

YALE, St. Clair County, Mich., FRIDAY, MARCH 24, 1893.

Price: \$1.00 per Year.

We have just launched out on another  
year's trade.

Times are hard and MONEY is scarce with many. The questions that should confront everyone are:

Where can I buy goods the Cheapest?  
Where can I get the greatest value for my Money?

Stop a moment and think. Handling goods and to know their value is a Trade, like many other things it takes years of hard work and study to acquire it. Anyone can sell you a pound of Soda for 7 cts. or a Bar of Soap for 5 cts. or a pound of Starch for 8 cts. These are minor things. When your merchant shows you a pair of Ladies or Gents Fine Shoes, you don't know whether he is going to ask you \$1.50, \$2.00 or \$2.50 for them. The Case is the same with Hundreds of other things you buy, you have to rely to a great extent on the merchant of whom you buy. If you stop and consider this matter you will say I am right. Now during our 15 years business career we have learned the VALUE of Goods, how to SELL them and the DEMANDS of the People.

## \* Our Spring Stock \*

of Ladies and Gents Fine Shoes is beginning to arrive and we have got to clear out the old stock, so  
LOOK OUT FOR BARGAINS  
In That Line.

All Boots and Shoes that are Shopworn will be sold regardless of Cost. Must have the room for new goods.

Many things in Dry Goods will be treated the same way. You can find LOTS of BARGAINS. We have just received a Stock of Staple Dry Goods, also a Line of Carpets which will be appreciated, no doubt. A good stock of Groceries always on hand at the lowest prices. Keep your eye on our 25c. TEA, NONE like it.

Thanking you all for past favors and we trust our dealings in the past will merit a continuance of the same.  
Yours Truly,

J. C. HOLDEN.

QUOTATIONS.  
It is an awful hour when this life has lost its meaning and seems shriveled into a span; when the grave appears to be the end of all human goodness but a name and the sky above this universe merely a dead expanse. I know but one way by which a man may come forth from such agony, it is by holding fast to those things which are certain still—the grand simple landmarks of morality.—Rev. T. W. Robertson.

Man is a perfect star and the soul that can render an honest and a perfect man, command all night.

Money Found.  
Mr. Editor:—California is admitted to be the land of sunshine, flowers and wealth. Land is being given away free by the CALIFORNIA LAND AND WATER EXCHANGE, of Dayton, O. Their plan is new and the idea original. They will send you free deed to an acre of land that will grow, if irrigated, oranges, figs, grapes, in fact anything that is produced in California by irrigation. All they ask you to do is to help pay to get water, which can be done in small payments. They plant and cultivate the land for two years; they paying for the trees, labor, cultivation, taxes, assessments and guaranteeing to pay you a certain sum of profits every year. You can get full information if you address as above.
