Greenwood Letter.

C. Stople's house was struck by lightning on Thursday night last week. It shook the whole house, knocked off the south chimney, threw some bricks six or seven rods away, broke out the upper part of the gable end, set the plaster on one side, knocked off the plaster in nearly the whole house, singed some clothes, tore a gate post and ran along the fence to near the barn. It also went to the cellar and broke some things there. No one was injured though the two girls slept near by where the stroke entered the house, but gave them a terrible scare.

David Newstead's cheese factory has been running now for some time and they have cheese to cut. Mr. Newstead has a novel way of doing business. He works up the milk of his own cows and as much more as the neighbors may bring. Some farmers draw their own milk, others their own and neighbors on the way also. Every year the circle of farmers sending their milk is widened out proving that the patrons are well satisfied with their returns. It is worthy of note that his cheese demands the highest price.

John L. Clink has sheared his sheep and sold the wool at Yale receiving fourteen cents per pound unwashed. Uncle John is generally ahead of his fellow farmers and is an earnest worker for his party, the Populists, in this

section. Although this party is on the gain we anticipate that the Republicans will succeed in carrying everything this fall. We have had enough of these good Democratic times.

Emmet Letter.

Louis Purcell—Emmet's first merchant—died at his home in Wales township Tuesday morning aged 80 years.

Giles' store was broken into and robbed of about \$200 worth Wednesday night, consisting of a gold watch, shoes, etc. No clue to the perpetrators has yet been found. Entrance was effected through the front door by breaking out a pane of glass.

Thursday afternoon of last week a tornado formed about three miles northwest of the village and unroofed Thomas Byrne's barn, moved M. Nolan's new barn off its foundation and tore the chimneys off his house. Crossing the road it demolished W. Gallagher's house. Continuing in a southeasterly direction it passed J. Cavanagh's orchard, uprooting trees and wrecking fences. Thomas Rynn's buildings were near its path and the kitchen of his house was torn to pieces and scattered—the main part of the house was picked up and tossed about ten feet northward wrecking it badly. Miss Rynn who saw its approach escaped from the house—the rest of the family being absent. It now moved southward hurling every object it came near with furious force. J. Cavanagh's second orchard fared worse than the first, scarcely a tree being left. A stone pile in T. Brandon's field was scattered over several acres. At this point the tornado ended. People almost a mile away saw the leaves torn off the trees and violently drawn toward the center with the force which were frantically struggling to escape but were drawn into the whirl. The time occupied in travelling from its point of starting to its final dissipation was about 20 minutes. A great many people witnessed with terror the contortions of the great snake like column of cloud as it reached about looking for victims. Its track varied from 10 feet to 20 rods in width, according as it raised and lowered from and to the earth. Its slow movement gave stock an opportunity to escape from its course.

STUPENDOUS SELLS BROTHERS.

Coming of the Big Show of the World.

This great show exhibits in big cities only and will visit Port Huron, Friday May 25th, Saginaw, May 26th, and, regarded as a whole, it is doubtless without parallel. Wherein it differs from others is this: It is rare variety, its endless interest, its boundless capacity to please every taste. Good things with it are not doled with a grudging hand; they are poured forth in a Niagara like profusion, typical of the great country of greatest enterprises. Here we have a regal Roman Hippodrome, 50-Cage Menagerie, Three Big Circuses, Caravan, performing droves of Wild and Domestic Beasts, a huge Tropical Aquarium, Australian Aviary, Huge Stages, Gladiatorial Combats, Spectacular Pilgrimage to Mecca, and Magnificent Free Street Parade, rolled into one tremendous alliance, for but one price of admission; or, more properly speaking, roaring, rushing, racing, marching, dancing, gliding, tumbling, sorting, diving and disappearing under some ten acres of tents. What! the very thought of it fairly makes one catch his breath. And not only is it all a very great, but it is a very good, clean, admirably managed show, under the immediate eye of its proprietors, and free from any and every annoyance or objectionable association. Admission to all 25 cents only. Special excursion rates on all railroads.

Ripans Tabules cure constipation.

WHY "NO. 9" ARE HEELER & WILSON'S

SEWING MACHINES

POPULAR? BECAUSE LADIES BUY THEM LIKE THEM AND TELL THEIR FRIENDS.

Many ladies have used our machines twenty to thirty years in their family work and are still using the original machines we furnished them a generation ago. Many of our machines have run more than twenty years without repairs, other than needles. With proper care they never wear out, and seldom need repair. We have built sewing machines for more than forty years and have constantly improved them. We build our machines on honor, and they are recognized everywhere as the most accurately fitted and finely finished sewing machines in the world. Our latest, the "No. 9," is the result of our long experience. In competition with the leading machines of the world, it received the Grand Prize at the Paris Exposition of 1889, as the best, only machine receiving only complimentary medals of gold, silver and bronze. The Grand Prize was what all sought for, and our machine was awarded it.

Send for our illustrated catalogue. We want dealers in all unoccupied territory. HEELER & WILSON MFG. CO. 185 & 187 WABASH AVE., CHICAGO.

Non-pull-out

is an arbitrary word used to designate the only low (ring) which cannot be pulled off the watch.

Here's the idea

It positively prevents the loss of the watch by theft, and avoids injury to it from dropping.

IT CAN ONLY BE HAD WITH Jas. Boss Filled or other watch cases bearing this trade mark.

All watch dealers sell them without extra cost. A watch case opener will be sent free to any one by the manufacturers.

Keystone Watch Case Co., PHILADELPHIA.

Ripans Tabules.

Ripans Tabules are compounded from a prescription widely used by the best medical authorities and are presented in a form that is becoming the fashion everywhere.

Ripans Tabules act gently but promptly upon the liver, stomach and intestines; cure dyspepsia, habitual constipation, offensive breath and headache. One tabule taken at the first symptom of indigestion, biliousness, dizziness, distress after eating, or depression of spirits, will surely and quickly remove the whole difficulty.
