Friday, June 5th, we inaugurated a summer sale of Seasonable Clothing, and the prices quoted are simply in the buyers' favor.

$6.25 These Suits are the kind that you expect today $10 or $12 for—they fit perfectly and are the kind that you can recommend to your friend and not suffer the loss of his friendship. Not one from last year, everything new, slick and clean. If they suit you now, $6.25 will suit us.

$9.75 To describe the values we offer in our $9.75 Suits. When we bought them we aimed at nothing short of perfection. Sufficient to say they are right in style, fit and price. Apparel the best, if not the best your money back if you want it.
