

Did you know that the

**Franklin  
Benefit  
Association**

An institution organized and doing business right here in Duluth, is giving more indemnity in case of accident or sickness, in proportion to cost, than any other responsible company?

▼ ▼ ▼

The Association has been successful from the start, having been organized by men well known and financially responsible. It has just paid its thirty-second benefit claim, bringing the aggregate up to nearly \$2000.
