## Furnishing a Home

Can be either well done or poorly done, and depends altogether on where you buy your furniture.

### We give easy terms

of credit which are no burden to the purchaser. Why can't we do business with you?

To give the highest value for the lowest possible price—is our motto and no shoddy built, poorly finished article ever enters or passes from our store. Hence our vast Furniture Establishment has become an establishment in fact—a place where all classes and conditions of men trade on an equal basis, and in every instance get full value for every dollar expended in our store. We set you out with everything needed inside a home.
