**A Word About Cheap Goods.**

We keep them in some lines. Our only excuse for keeping them is that some people cannot be persuaded that high grade goods is the cheapest in the long run; for instance, we have razors as low as fifty cents, but no one would care to take the chance of getting a good one at that price when we have others that are fully warranted and can be returned if not satisfactory. It may not be generally known but there is hardly an article that we sell that is not made in three or more grades and they all look alike. How are you going to tell then what you are getting? The only way is to deal where everything that is guaranteed can be returned if unsatisfactory and your money refunded, and that place is
