DULUTH

A petition has been circulated among the business men of the city, asking them to close their stores all day July 4 in order to give their employees an opportunity to take part in different exercises which are to take place on that day, and especially to show their respect for the great day of independence. Those who have signed the petition are as follows:

I. Freimuth, Pantan & White, Phillips & Co., Charles W. Ericson, Stack Co., The Famous Shoe Store, B. J. Cook, A. B. Sewert & Co., the Hub clothing store, Williamson & Mendenhall, A. W. Wieland, Suffel & Co.

Two or three of the principal stores have refused to sign the petition, but the signers of the petition say they will close their stores all day, whether the others do or not, a fact which will certainly be appreciated not only by all the salespeople but by the general public as well. A copy of this petition is also being circulated among the West End merchants, and so far none have refused to sign.

In no less than a half dozen cities the present time the street railway employees are out on a strike. The manager's association have succeeded in winning one or two strikes and it gives them new courage. The subsidized press is full of reports and we presume the reports contain about as much truth as the reports that were sent out from Duluth during the trouble here, and everyone knows that the reports were exaggerated to suit the purpose of Mendenhall and Hartley while their flunkeys went about the streets endeavoring to create a sentiment that the

strike was injuring Duluth. If labor unions are so injurious to a city, it is a wonder that Buffalo, Cleveland, Milwaukee, St. Louis and Chicago are not depopulated entirely and the town sights turned into farms.

The talk about the city purchasing the street railway system will undoubtedly end in talk. There are too many honest men on the council for Mendenhall and Hartley to make the kind of a deal they would like to make. The matter will probably rest quietly until we get a few more men of the Uncle Ira stripe in control of the affairs of the city. In the meantime it is the duty of the city officials to see that the street railway company pays its taxes, repairs the streets it tears up, and furnishes the public with respectable service.

A combination of the waiters' protective union and the pastry cooks' union was effected at a meeting held Tuesday evening. The following officers were elected for the ensuing month: President, J. F. McDonald; vice president, Chris Jensen; James M. Murray, recording secretary; Peter Sorenson, financial secretary; James Gardner, treasurer; Thomas Savard, sergeant-at-arms. E. L. Fitzgerald, James M. Murray and J. F. McDonald were elected delegates to the Federated Trades assembly.

The Fourth of July will be celebrated in Duluth this year in regular old-fashioned style. A parade in the morning, games and sports in the afternoon at the fair grounds, fireworks in the evening and a grand ball at the Armory. Speeches in the afternoon will also be held at the Armory.

At the last meeting of the barbers' union they elected the following officers: President, Geo. D. Tyfer; recording secretary, H. F. Warren; financial secretary, W. Dunlop; treas-

urer, J. Brown. Delegates to Trades Assembly: Geo. D. Tyfer, J. Brown, H. Whipple.

The various unions of the city will take part in the parade on July 4th. Cash prizes are to be given for the union having the greatest number of men in line.

All barber shops will be closed on the Fourth and any union barber patronizing a shop on that day will be fined \$5.00.

The laboring men and everyone in sympathy with unionism should not forget that there is a boycott on the Pavilion.

The barbers are pushing Chas. Fiored for a member of the barbers' state board of examiners.

Will Be Repeated.
 The entertainment which was given for the benefit of St. Luke's mission, West End, on June 20th, was such a success that it is to be repeated Monday evening, July 3, at Columbia hall. The first part will be entirely different from the last production. The entertainment will consist of music and recitations and a farce entitled "Per Telephone." Refreshments will be served after the entertainment. Admission 15 cents.

JUDGE GUNSTER has handed down an opinion in which he declares that the act passed by the legislature in 1897, which gives protection to employees who form, join, or belong to labor organizations, to be unconstitutional. The opinion is in the case of Lewis Mack, who prosecuted George W. Clark, a foreman for a large steam fitting and plumbing house for discharging workmen because they belonged to labor unions. Judge Gunster says:

"The act in question affords no protection whatever to the employe of the individual, firm or limited partnership. On the contrary, while the employe of a corporation, under its provision, may freely form, join or belong to any lawful organization, his neighbor, engaged in the same occupation or trade, when employed by an individual or firm, may be freely banished for doing the same thing."

DAKOTA DIVORCE.

Decree Set Aside by New Jersey Courts.
TRENTON, N. J., June 29.—August Streitwols who claims his legal residence is Mandan, North Dakota, today took out a writ of error carrying to the United States supreme court, the decision of the New Jersey court of errors and appeals rendered at a last sitting setting aside a North Dakota divorce obtained by Streitwols from his wife, Elizabeth Streitwols, of New Brunswick, N. J. The assignment of error filed by Streitwols' counsel claims that the New Jersey court violated the federal constitution in not giving full faith and credit to the decision of the North Dakota court. The decision of the New Jersey court was based on a claim that Streitwols at the time he obtained the divorce was a bona fide resident of New Jersey and that the North Dakota court therefore had no jurisdiction in the matter.

NEW SHIP CANAL.
Amendments Covering the Objections to be Filled.
NEW YORK, June 29.—The attorney for the New American Isthmus Ship Canal company said today that he would file amendments to the incorporation papers at Trenton, covering the points made by the secretary of state, who refused to accept the papers as prepared. The incorporation papers provided that the capital stock should not be increased to a figure beyond \$250,000,000, except by vote of at least three-fourths of the stock. Attorney General Grey advised the secretary of state that this clause was con-

trary to the law, a reciprocity arrangement with the United States. Mr. Tower also presented Max Mueller, the second secretary of the British legation, who has recently arrived, and Baron Erlanger. Max Mueller is a son of Max Mueller, the famous philologist.
