UNION LABOR PICNIC GROUNDS UNDER WAY

Committee Sends Out Proposition for all Local Unions to Vote on.

Beauty Spot Selected is Near Fairmont Park, Beyond West Duluth.

The movement for the securing of public picnic grounds for members of organized labor is assuming the reality. The committee having the matter in charge are this week mailing to all local unions a proposition for the organization of a stock company. They propose to sell shares at \$1.00 each, and it is hoped that every union will subscribe liberally.

The following is the copy of the circular being sent to the unions:

To all Affiliated Unions:

Dear Sirs and Brothers—About two (2) months ago the Federated Trades Assembly appointed a committee for the purpose of ascertaining the best plans under which the Trades Unionists might own their own park and summer resort.

We are now able to inform you that five or six lots can be secured in the neighborhood of Fairmont Park, for about \$700. The cost of erecting a pavilion will be about \$2500. This plan will give us the use of Fairmont Park for park purposes, and seems the best proposition we can find. This place can be reached by either the Third street West or Superior street car lines.

The plan of the committee is to have a board of directors formed as follows: One for each union subscribing \$250 or less, and one director for each additional \$250 or fractional part thereof. The directors are to elect each year a permanent manager of the grounds. Trade unionists will now have an opportunity of deciding this question for themselves by taking a referendum vote on the proposition, and if favorable to your union, state how much money you are willing to contribute so that an estimate can be made of the total amount to be available for this purpose.

It should be an easy matter for the trade unionists to carry this through. Supposing each union man of Duluth was assessed one (1) dollar in four monthly installments of twenty five (25) cents the necessary amount would be secured.

We also submit an outline of the methods approved by the committee for the maintenance of the grounds, which is enclosed. You need not approve these, but the committee recommends them to the board of directors.

Kindly arrange to notify the undersigned of the number of aye and nay votes taken in your union not later than July 15th. Detach the enclosed coupon and forward to the undersigned when your union has voted.

Yours fraternally,
HENRY DEROCHE,
Chairman.

The following constitution and by-laws are also submitted to the unions:

Preamble.
The object of this organization is to secure, equip and maintain a public amusement grounds for the use of the Federated Trades Assembly and affiliated labor organizations of the city of Duluth.

To build and maintain a dancing pavilion which shall be operated according to the plan hereinafter confirmed by a referendum vote of the labor organizations of Duluth, or such changes as may hereafter be adopted by the board in control of such public grounds and pavilion.

CONSTITUTION.

Article I.

Sec. 1. The grounds shall be known as the Labor Party of Duluth, Minnesota.

Sec. 2. The board which shall have control of the grounds shall be known as the board of directors, to be elected from all unions that subscribe to the funds for the purchase and maintenance.

Representation shall be on the basis of one (1) director for each union subscribing \$250 or less, and one director for each additional \$250 or fractional

MUTINY OF TURKISH TROOPS IS QUELLED

CONSTANTINOPLE, June 20.—Marshal Feizi Pasha commanding the Turkish troops in Yemen province, whose hands are already full in attempting to subdue the rebellious Arabs has been obliged to deplete his slim stocks of ammunition in employing his artillery against his own mutinous soldiers. Whole companies of regiments anxious to get home mistimed and decided to proceed to the coast. A stubborn fight between the loyal and disaffected troops ensued. The latter finally were vanquished by the fire of the artillery and surrendered after sustaining heavy losses.
