EVERY PAPER MAKER TRUE TO THE UNION

Sartell and Little Falls Men Make
Gallant Fight for Eight-
Hour Day.

E. G. Hall, president of the Minne-
sota State Federation of Labor, and
George Schneider, vice president of
the International Brotherhood of
Papermakers, arrived in Duluth Fri-
day for the purpose of conferring
with W. E. McEwen, secretary-tre-
asurer of the Minnesota State Federa-
tion of Labor on matters pertaining
to the strike for the eight-hour day of
the paper makers at Little Falls and
Sartell.

The strike has been in progress for
two months and not a man has de-
serted. The companies have had
many strike-breakers but they come
for a day or two and then give up
in disgust, so deplorable are the con-
ditions about the mills where every
vestige of human liberty has been
taken away from the men.

Hall and Schneider have been on
the ground for the past month, and
they propose to remain there so long
as their services are necessary. Mr.
Schneider returned to Little Falls
Saturday morning. Mr. Hall re-
mained over until Sunday evening and
with the secretary-treasurer conferred
on matters referred to the executive
officers by the St. Cloud convention.
He left for Minneapolis to spend Mon-
day, and is once more on the firing
line with the paper makers. He ex-
pects to visit Duluth again in two
weeks when he will devote some
time in this city to organization work.

LA FOLLETTE GIVES SUPPORT TO WILSON

Wisconsin Senator Pays Tribute
to President for Exploding
the Lobby Bomb.

MADISON, Wis., July 24.—Senator
La Follette comes to the support of
President Wilson in the latter's lobby
inquiry, in a signed editorial in
his magazine today.
"The country is indebted to Presi-
dent Wilson for exploding the bomb
that blew the lid off the congress-
sional lobby," he writes. "He hurled
his short fuse missile directly at the
insidious interference with tariff
legislation, but it resulted in uncovering
the whole works. He touched it off
at a time and in a way to force a
congressional investigation."

Senator La Follette then makes an
attack on the Wholesale Grocers' as-
sociation, the Beet Sugar Growers' as-
sociation, and the National Manu-
facturers' association.
"And the half has not yet been
told," the senator continues. "Let
this committee of investigation in-
quire into the collection and expendi-
ture of money by the 'National Busi-
ness League of America,' organized to
create public opinion for the Al-
drich currency scheme and for other
purposes."

AFTER CIVIL SERVICE SCHOOL MONEY GETTERS

WASHINGTON, July 24.—The
Civil Service commission is going
after the correspondence and other
civil service "coaching" schools that
are endeavoring to coax money from
the fourth-class postmasters of the
country to prepare them for civil ser-
vice examinations.
The correspondence of some of
these schools has been turned over to
the postal authorities with the re-
quest for action.

NEGROES DISCHARGED.—The
Pittsburgh, Pa., July 24.—The
Carter Iron company, Six Mile Ferry,
this city, has discharged all the negro
duppliers.

ALL OLD OFFICIALS GET APPOINTMENTS

Department of Labor Now Fully
Reorganized—Duluth Appoint-
ments Are Filled.

Martin Cole, deputy commissioner
of labor; Andrew Horngren, Victoria
Ericson, factory inspectors; Jos.
Burke, manager free employment bu-
reau and Mrs. Agnes L. Atwood, as-
sistant manager.

The above show first place for Du-
luth appointments under the new civil
service law in the state department of
labor. All old officials throughout
the state passed the examination with
good records and will be retained in
the service, and several new appoint-
ments were made.

The examining board, which con-
sisted of Labor Commissioner Houk,
Julius Moersch, formerly statistician
in the department, and W. W. Be-
hart, very wisely gave great weight
to experience in the work in estimat-
ing the value of applicants.

The law organizing the department,
which was also passed last winter,
made several changes in the designa-
tion of departments and titles of of-
ficials. Miss Agnes L. Peterson will
remain at the head of the bureau of
women and children, and all the old
incumbents in the free employment
bureau will also be retained. The
successful applicants for positions were:

Chief Statistician—Don D. Lesco-
hier, St. Paul.
Statistician—Frank E. Hoffmann,
St. Paul.

Superintendent Bureau of Women
and Children—Agnes L. Peterson, St.
Paul.

Deputy Labor Commissioners—Hu-
go V. Koch, St. Paul; Charles S. Al-
bright, Minneapolis, and Martin Cole,
Duluth.

Elevator Inspector—Thomas E.
Nicholson, St. Paul.

Railroad Inspector—A. L. McMa-
hon, Minneapolis.

Factory Inspectors—Earl J. Frank-
lin, St. Paul; Harry A. Joseph, Minn-
neapolis; Thomas M. Savage, Waite
Park; Andrew Horngren, Duluth;
Louise B. Klapp, Minneapolis; Vic-
toria Ericson, Duluth, and Caroline
Manning, Northfield.

Assistant Factory Inspectors—Wil-
liam C. Mitchell, Albert Lea; Elmer
K. Odgen, Benson, and Edward W.
Van Walk, Brainerd.

Managers of Free Employment Of-
fices—John H. Wilson, St. Paul;
Hugh Jennings, Minneapolis, and
Joseph Burke, Duluth.

Assistant Managers—Mrs. Mary B.
Rosing, St. Paul; James McCutcheon
and Miss Florence A. Burton, Minn-
neapolis and Mrs. Agnes L. Atwood,
Duluth.

Special Agent—Philip C. Reynolds,
St. Paul.

Stenographer—Miss Helen A. Clin-
ton, St. Paul.

Clerks—Misses Clara M. Kirsch and
Alice E. Lowman, St. Paul and Miss
Mayme S. O'Donnell, Minneapolis.

Labor Commissioner Houk has ap-
pointed all these applicants to the
several positions named, and they will
hold office during good behavior,
from Aug. 1.

HARD COAL ROADS COIN BIG MONEY

Continued from Page 1.
maximum in 1911 when the total
shipments reached nearly 70,000,000
tons, an increase of 5,000,000 tons
over the preceding year, the output
having been increased in anticipation
of the suspension of operations when
the contract of the operators with the
mine workers would expire.

First Six Months Good.
The shipments for the first six
months of this calendar year are
24,851,554 tons, an increase of 8,754-
875 tons over the first half of last
year.

In addition to the increased ton-
nage, however, there is another rea-
son for the increased profits. Most
of the carriers named own anthracite
lands and through subsidiary corpora-
tions operate collieries. Following a
settlement of the labor troubles last
year, when wages were increased, the
price of anthracite at the mines was
also raised to an amount greater
than the increase in wages. Thus the
coal companies have been making
greater profits on coal sold than be-
fore the labor trouble of last year.

There is a possibility of still greater
gains being made by the anthracite
carriers through their ownership of
the coal properties. The legislature
of Pennsylvania, which has recently
adjourned, imposed a tax of 2½ per
cent ad valorem upon anthracite coal
at the mines. The law is now in ef-
fect, and upon all bills the companies
are adding the tax, which will aver-
age 5 or 6 cents per ton, and as some
of the railroads still distribute their
own coal to the trade they will no
doubt profit by the tax as they will
receive more than the 2½ per cent.

It is said here that the legality of
this tax may be tested in the courts.
Of the total production of coal, about
85 per cent is shipped from Pennsylv-
ania, where it is produced, to other
states. The curious claim, it is said,
will be made that, as much of the
tax will in fact be paid by consumers
in other states, the new law imposes
a tax upon exports to other states and
is therefore in violation of the consti-
tution of the United States.

WASHINGTON INSURANCE LAW CONSTITUTIONAL

SEATTLE, July 24.—Judge Cush-
ma, sitting in the United States dis-
trict court for the Western district of
Washington, held, in the case of Stoll
vs. Pacific Coast Steamship company,
that the workmen's compensation act
of the state of Washington was con-
stitutional, following in so doing the
decision of the supreme court of the
state in the case of State ex rel.
Davis-Smith company vs. Clausen, de-
cided last year.

SUPERIOR WORKMEN GET HIGHEST WAGES

According to Report of Secretary
of Wisconsin State Federation
of Labor.

At the annual convention of the
Wisconsin State Federation of Labor
held at Wassau last week, Frank
Webber of Milwaukee was elected or-
ganizer for the eighteenth time. The
Wisconsin organization has no presi-
dent. The organizer virtually holds
this position.

The convention denounced the pro-
posed Federal workmen's compen-
sation bill and condemned Samuel
Gompers and other labor officials for
endorsing the measure, although the
delegates were silent about the Wis-
consin law on this subject which is
no better than the proposed Federal
law.

Resolutions were adopted against
the contract labor system; declaring
the child labor law not sufficiently
stringent; scoring the courts, endors-
ing woman's suffrage and holding
the present anti-blacklist law to be
a farce.

Statistical information received by
the secretary showed the average
wage for union labor in Wisconsin to
be \$712 a year. If the members had
worked steady all the year round
their annual wage would have been
\$880. The highest wages paid were
to glass blowers who earned \$1400.
Plumbers came next while the lowest
paid are the cement workers whose
wages averaged \$423. If employed
steadily they might earn \$697.

It was shown that the average rent
in Superior for union workmen is
\$15 a month, which was the same as
Milwaukee. Ashland is lowest, hav-
ing an average rent of \$10 a month.
Madison is highest with the average
of \$17. Superior and Racine pay the
highest wages to union workmen.
Milwaukee comes next.

PAYS MONEY FROM HIS OWN POCKET

Continued from Page 1.

G. Cannon asserted that Mr. Bryan
was wealthy, the latter repud that
his fortune amounted to a little over
\$150,000.

Part of his money, is in real estate,
which is not earning anything. He
has several thousand dollars invested
in his home in Lincoln. That is
bringing him no returns. He has a
winter home in Florida which is also
earning nothing. He has lands in
Texas which are earning little.

Bryan Tours Despite Criticism.
Mr. Bryan started on his six weeks
lecture tour, his vacation period hav-
ing been arranged with President Wil-
son with the understanding that he
cancel speaking dates at any time
if return to Washington is impera-
tive. He will return to Washington
tomorrow for a cabinet meeting.

Senator Bristol is still casting re-
garding Bryan's action and maintain-
ing that the secretary of state should
live within his \$12,000 a year wage
and that it is wrong to charge the peo-
ple of the country a price to hear their
highest cabinet officer talk. Bristol
maintains that Bryan is using his of-
fice to make money.
