TOM TRACY OF UNION LABEL DEPT. IS DEAD

WASHINGTON, Nov. 16.—Thomas F. Tracy, secretary of the Union Label Trades department, A. F. of L., and vice president of the Clearmakers' International union, died at his home in this city, last Saturday, after an illness covering several months.
The remains were interred Wednesday. The A. F. of L. building was closed during the day. The funeral services were attended by all the resident officials of the A. F. of L. and its departments and a large number of trade union officials from the past and middle west.
The active pallbearers were President Perkins of the International Cigarmakers' union, and the following executives of the Union Label Trades department: Secretary-treasurer Hays, International Typographical union; International Secretary P. Oebstle, International Union of the United Brewery Workmen; President Thomas Rickert, United Garment Workers of America; President McAndrews, Tobacco Workers' International union, and Secretary-Treasurer Fischer, Journeymen Barbers' International union.
Members of Washington Lodge No. 15, Benevolent and Protective Order of Elks, acted as honorary pallbearers.
Standing beside the grave, President Gompers said the last farewell to this lifelong trade unionist and his friend and intimate who had remained true to a plighted faith. "No man of my acquaintance had a more penetrating mind, was more devoted to a principle, more unflinching in his courage than Thomas F. Tracy," said President Gompers.
Deceased was president of Boston Cigarmakers' union, vice president of the International Cigarmakers' union for 15 years; legislative committee-man of the A. F. of L.; general organizer of the A. F. of L. and the first secretary of the Union Label Trades department. His wife died two years ago. Four children survive.

BIRTH CONTROL IS LYCEUM PICTURE

The attraction at the Lyceum theater for the week beginning Sunday, Nov. 19, is "The Unborn," a five-reel picture, with Gertrude Bondhill featured. The scenes of this play are laid in a small western city and in the mountain district of Colorado.
The story is of a man who gives up the girl who had faith in him for another who could give him social and financial position. To first could have offered him a happy home with children, the second gave him only a childless home. This latter condition furnishes the basis of this moving picture play. It is a story full of human interest. Its production is evidently inspired by anti-birth control propagandists.

In addition to Chaplin's humorous comedy, "Napoleon the Great and Sally His Mate," in a jugle comedy, "The Bear Idea," two western features are also on the bill, one Biograph, "Friends," tale of the west, in which the popular Mary Pickford plays the stellar role. SCALE NOW \$7.

SCABS IN CANADA ARE DEPORTED

NIAGARA FALLS, Ont., Nov. 16.—Since the latter part of June the carpenters on the construction of a new roundhouse for the M. C. R. at Montrose, near here, by the Walbridge-Aldinger company of Detroit, have been on strike.
After unsuccessfully trying to fill their places locally the firm imported carpenters and also laborers from Detroit.
This action was brought to the attention of the emigration department at Ottawa by the Carpenters' union, and after full inquiry the men were returned to Detroit by instructions of the department.
It is probable that action under the alien labor act will be taken by the Carpenters' union at Niagara Falls against this firm.

BUTTON STRIKE SETTLED

HAZELTON, Pa., Nov. 16.—The button strike that has been on at the Nesquehoning colliery of the Lehigh Coal & Navigation company for the last two weeks, has been settled. The men who refused to join the union will hereafter wear the monthly button. The closing down of the mine was due to the obstinacy of two brothers who have caused trouble in the past, and the men determined to force the issue and secure the right kind of a settlement this time. The strikers have resumed work.
