

# DR. WENTWORTH

2031 WEST SUPERIOR STREET  
DULUTH, MINNESOTA

"Vitality is the very essence of  
Life, Health and Happiness."

The flow of vitality through the body may be favorably compared with the irrigation of a garden. When all the ditches and ways through which water reaches the soil are free from obstruction, the garden will produce 100 per cent of growth. When all the avenues through which vitality flows in the human body are free from obstruction we have men, women and children 100 per cent alive, healthy and happy. The disease is caused by the obstruction in the body with the perfect and uninterrupted flow of vitality. I remove the obstruction and nature heals all diseases equally alike. No matter what is the matter with you, come to my office at 2031 West Superior street, Duluth, for free consultation. Telephone Melrose 4586. Lady assistant. Ten years of successive practice. Charges are reasonable. Read what some of my patients have to say regarding my treatments. Hours, 10 A. M. to 4 P. M., 7 P. M. to 9. Sundays 10 A. M. to 2 P. M.

### From a Catholic Priest, To Whom It May Concern, Greetings:

I, the undersigned, Rev. Father H. Holinde, desiring to express my appreciation of Dr. Wentworth treatments, have appeared before the undersigned Court Commissioner, in and for Langlade County, and solemnly acknowledge this to be a true statement voluntarily made by myself in the interest of Dr. Wentworth System of Healing.

At the time of beginning treatments I was troubled with headaches, congestion of blood in the head, plethoric condition, chronic constipation, short breath, lack of energy and ambition, pains at the back of the brain, small tumor like formation at the neck and 20 pounds overweight. That after receiving 24 treatments I find myself cured of the above troubles, well, strong and in perfect health for the first time in many years.

(Signed) H. HOLINDE,  
Rector of St. Joseph Church,  
Grandon, Wis.

State of Wisconsin, Langlade County.

Personally appeared before me, the undersigned, the Court Commissioner in and for Langlade County, the above named Reverend Father H. Holinde, the person who signed the above and foregoing statement and acknowledged the same to be true and to be his voluntary act, this 18th day of June, 1914.

A. B. GOODRICK,  
Court Commissioner in and for Langlade County.

### From a Medical Doctor. Dear Dr. Wentworth:

I wish to express my gratitude for the great help you have been to me. For the last 12 years I have suffered with diabetes and on November 14th, 1910, had a stroke of apoplexy, losing partly, the use of my left side. March 1st, of this year, I commenced to take treatments from you. According to my own and other physicians analysis of my urine contained at time 4 per cent of sugar and 1 per cent of albumin. Today, after careful analysis, my urine is normal in every respect. My left side is normal also. I thank you, and shall always remember you as my friend and helper.

S. C. FRENCH, M. D.  
Elcho, Wisconsin.

### From a Bachelor Girl. Dear Dr. Wentworth:

Enclosed herewith is balance on my treatments. Am feeling well, the sore spots on my back entirely disappeared, and only make themselves known when I overwork or do not sleep enough. Just advertise "Old Maids Rejuvenated" and your fortune will be made. I will surely add my good word.

(Signed) Yours sincerely,  
Watersmeet, Mich.

### From a Federal Court Judge in Wisconsin. Dear Dr. Wentworth:

I arrived home this morning and I feel very well. I wish to express to you my gratitude and thanks for the excellent treatment and service I received while at your home, and I feel that thirty

pounds of flesh which I lost in three weeks at your institution has done me whole lot of good. My health is excellent and I might say perfect. You can scarcely appreciate how well I feel since reducing my weight. I shall endeavor to keep it where it is now, and possible with a little effort on my part I can reduce somewhat. With best wishes to yourself and Mrs. Wentworth, I remain, yours very truly,  
(Name can be supplied on request.)

### From An Old Resident of Duluth.

I hereby testify and append my signature to this instrument that this statement is true. I am 58 years old. I was sick for nine months. My disease was diagnosed as stomach trouble and rheumatism of the shoulders. I paid out to different doctors for different forms of treatments \$175.00. I was helped a little, but my trouble returned in the worst than ever. I began taking treatments from Dr. Wentworth and consider myself cured in twenty-seven treatments.

I wish to recommend Dr. Wentworth to any sufferer who fails to obtain results from other Doctors. I observed during the time of treating with him, that there were all kinds of diseases and deformities cured by him with great success.

I heartily endorse and recommend Dr. Wentworth. My weight was 182 pounds when I began, and at the end of my treatments 149 pounds.

## SUPERIOR PAYS HONOR TO FRENCH

### Bastille Day Observed by Many. McEwen Gives the Principal Address.

Bastille day was observed by large numbers of people in Superior last Sunday. A large French flag was kept flying all day at Tower avenue and Belknap street and another was raised on the grounds of the Gitchinadji club grounds. The Tri-color was in evidence on many private residences also.

A number of the ministers of the city made the occasion the subject of their discourses. Patriotic music, including the national songs of America and France, were popular wherever people gathered and there were many manifestations of the era of fraternity and good will which has become an intense sentiment among the people of both countries since the great war has been in progress.

In the afternoon, fully 2,000 people assembled at Billings park to participate in the formal program which had been arranged for the celebration of the day. Judge Solon L. Ferrin spoke briefly in introducing Wm. E. McEwen, postmaster at Duluth, who gave an extended and eloquent address, reviewing the history of the struggle for human liberty in Europe from the days of the ancient Greek republics down to the French revolution when the aspirations of the people found expression in the destruction of the famous Bastille prison. The Bastille, July 14, 1789, the anniversary of which event has become the great national holiday of the French republic.

An attentive audience greeted the speaker and interest was further aroused by a number of musical selections including the "Star Spangled Banner," the "Marseillaise" and other patriotic airs.

## SAW MILL MEN ORGANIZE UNION

George W. Lawson, secretary-treasurer of the State Federation of Labor, organized a union of saw mill workers at Virginia Wednesday evening. More than 100 charter members were received, and at a big meeting to be held at Virginia, Sunday, July 28th, it is expected that an organization of more than 1,000 members will be perfected.

The meeting Wednesday evening was addressed by Michael Boylan of Virginia, George W. Lawson, John T. Smith, W. E. McEwen and Michael Morgan of Minneapolis.

The saw mill men are eager for organization, and they lost no time in signing the charter application in large numbers. Secretary Lawson expects to return to Virginia and complete organization work after a brief rest from his arduous duties of the convention.

## UNIONS WILL SELECT MAN TO MAKE RUN FOR CONGRESS

Duluth labor unions will hold a meeting Sunday afternoon, July 28, to decide upon a suitable candidate to represent labor in congress. Local unionists have come out against the present representative of this district, Clarence Miller, and recently decided to pick out a candidate more favorably disposed to union labor.

### SECURED BETTER PAY.

SEATTLE, Wash., July 19.—A minimum wage of \$5.50 a day went into effect for members of the furniture finishers' auxiliary of the Painters' union, July 1. The furniture men have recently organized and their first action was to secure better pay and shorter hours.

### SHORTER HOURS; MORE PAY.

NEW YORK, July 19.—The newest union to be formed is the Ladies' Neckwear Cutters' and it has applied for a charter from the International Ladies' Garment Workers' union. Demands are about to be made for the following concessions: \$40 a week; 44 hours work; double time for overtime, union employment agency.

## UNION MEN STOP OFF AT DULUTH

Delegates who attended the State Federation of Labor convention at Virginia this week spent Thursday visiting in Duluth. A large number of them motored over the Miller trunk road to this city. Eugene Spielman of Minneapolis took a party over the Vermilion trail consisting of Joshua T. Brady, organizer for the Hotel and Restaurant Employes' International alliance, Frank Hanks of the St. Cloud Cigarmakers' union, and Mr. and Mrs. W. E. McEwen of Duluth.

Ed. Solem, business agent of the Minneapolis Milk Wagon drivers' union, carried a party of five over the Miller Trunk road, and a short distance out of the city the machine ran into the ditch, injuring every member of the party. As we go to press we learn that Mr. Solem suffered three fractured ribs, and was otherwise bruised.

E. G. Hall, president of the Federation, with his son Chester, motored to Minneapolis yesterday, having left Virginia for Duluth shortly after the adjournment of the convention Wednesday afternoon.

J. T. Smith, representing the federal department of labor, will spend several days in Duluth and Superior, and will address the employes in all the shipyards at the Head of the Lakes.

## DULUTH UNIONS ARE WELL REPRESENTED AT VIRGINIA

Duluth labor unions are well represented at the convention at Virginia, Minn. Delegates are as follows:

Federated Trades Assembly—O. Tarun, Julius J. Anderson, J. E. Jensen, Henry Perreault and J. A. Johnson. Typographical union No. 136—J. A. Barron, A. G. Catlin and E. M. Grace. Carpenters' local No. 361—S. T. Skrove, A. Jappe, N. E. Olson, J. E. Mork and Peter Anderson.

Sheet Metal Workers, No. 32—William Heffe. Musicians' union—L. F. Berger and F. E. Kretschmar.

Barbers' local—L. E. Strum. Painters' union No. 106—Elliott Munkeby, H. Anderson, Joel Lichten and John E. Jensen. Cabinet Makers and Millmen, No. 1284—Emil Pommerville and Albert Forest.

## MACHINISTS ARE HELPING NATION

(Special to the Labor World.)

WASHINGTON, July 19.—The International Association of Machinists, affiliated with the American Federation of Labor, is assisting the United States employment service in relieving the shortage of skilled machinists for war work.

In a questionnaire recently sent to all locals of the machinists' union of the county by E. C. Davidson, general secretary-treasurer of the union, the following information "being sought:

The number of skilled machinists members of the local, now serving in the army and navy.  
The number of machinists in each

local engaged in non-essential industries and an estimate of the number of nonunion men in the locality engaged in non-essential work.

A list of the non-essential industries in the locality, both union and nonunion, including registration which will be made of all machinery and toolmakers in such plants.

Blanks are also being furnished each local for the registration of toolmakers and machinists of drive age, with a view to possible deferral classification. Duplicate copies of this information will be sent to the Public Service Reserve of the Federal Employment service and will be utilized in the redistribution of machinists to fill the needs of war industry.

The question of deferred classification in the draft and furloughs of machinists already inducted into military service is under consideration by the war department.

## MINIMUM WAGE FOR WOMEN \$10

California Industrial Welfare Commission Order Aids Female Workers.

SAN FRANCISCO, July 19.—An order fixing \$10 weekly minimum wage for women employed in professional and general offices has been issued by the state industrial welfare commission. It became operative July 2. The commission fixed the minimum wage for beginners over 18 years at \$8 a week for the first six months and \$9 minimum for the second six months. The \$10 minimum must be paid after a year's employment, the order stated. The number of women beginners permissible was set at not more than 25 per cent of the total number of employes. The lowest wage for minors under 18 years by the new terms is \$7 a week, with a minimum of \$10 after 1 month's employment. In cases of physical disability permission for the payment of a wage lower than the fixed minimum must be secured from the commission, which will fix the wage of the individual.

## SHORT DAY GETS BETTER RESULTS

Eight-Hour Policy Brings Greater Efficiency in Spokane, Wash.

SPOKANE, Wash., July 19.—According to statistics gathered by J. C. H. Reynolds, secretary of the timber products manufacturers, which includes in the membership of the organization the largest operators in the industry here, the lumber mills and camps of the Spokane country are showing increased efficiency under the shorter working day for laborers.

"The eight-hour day became effective in the Spokane country Jan. 1 this year," states Secretary Reynolds. "Figures compiled by operators show that the per-hour production per man has increased 18 per cent on the eight-hour basis in comparison with the per-hour production per individual under the old 10-hour working day.

"The general output of the industry is about 9.41 per cent less than the output under the 10-hour day. The mills are operating with about 65 per cent of the help that is needed in the industry, but we are better fixed in a labor way than we were a year ago, and conditions in this respect are improving."

BOYS FORM A UNION.  
CHARLESTON, W. Va., July 19.—The newsboys of the city got together to the number of 60 and formed a union and have sent an application to the A. F. of L. for a charter.
