CLEVELAND TAKES TOP ROUND AGAIN; PIRATES TAKE ONE

Thrilling Finish in Big Leagues For Right to Title Battles

GIANTS SEEM CERTAINTY

But Race in American Is Closest Ever Known

Results of yesterday's games in both the major leagues added another thrill to the race in a waning season's championship. Both of the second place teams won, the Pittsburgh club in the National league defeating the leading Giants in a close game by the score of 2 to 1. But the Giants have a seven game lead and are regarded as almost certain winners.

Cleveland did not play, but the sensational defeat of New York by Detroit gave the Cleveland club a two point lead. The official standing at the conclusion of yesterday afternoon's games was announced as follows:

AMERICAN	W	L	PC
Cleveland	90	53	629
New York	89	53	627
NATIONAL			
New York	90	55	621
Pittsburgh	85	57	599

Adams Wins His Own

Pittsburgh, Sept. 19.—New York dropped its last game of the season here today 2 to 1, the game ending with a put out at the plate. Adams not only pitched well but helped win his own game by tripling to left center in the sixth scoring on Bigbee's sacrifice fly. The Pirates won the game in the seventh with the help of a misplay by Douglas. Cutshaw led off with a double to left center, reached third on a sacrifice and scored when Douglas fielded Grimm's roller and threw wild to the plate. New York scored its run in the first inning on Frisch's single, Cutshaw's error and a single by Young. In the ninth Kelly doubled with two out and attempted to score on Meusel's single, but was thrown out at the plate.

Score by innings:
New York 100 000 000—1 6 2
Pittsburgh 000 001 10x—2 4 2

Batteries: Douglas, Tony and Snyder; Adams and Schmidt.

Tigers' Garrison Finish

New York, Sept. 19.—A terrific batting rally in the eighth inning setting eight runs enabled Detroit to come from behind today and defeated New York in the second game of the series, 10 to 6. Detroit hit New York's three leading pitchers for seven hits in the eighth inning. A muff at the plate by Schang let in two men and Detroit drove in five more on bunched hits. Mayes forced one run. Ruth had one of his poorest batting days of the season, failing to hit in five times up.

Score by innings:

Detroit	000 000 082—10 18 2
New York	112 000 011—6 12 4

Batteries: Oldman, Ehmke, Daus and Woodall; Mayes, Shawkey, Hoyt, Guinn and Schang.

Feared An Ocala Citizen Drowned

(By Associated Press.)
Ocala, Sept. 19.—Fears are entertained that Louis Lang, well known citizen of this place, missing from his home for three days, has been drowned in a small lake east of the Ocklawaha river. A searching party today found his automobile by the lake and his hat in a small boat out in the stream. He had gone on a fishing trip and when the boat was found today it contained four fish.

HOME BREW CANNOT BE MADE IF IT HAS A KICK

Warning Issued to Correct Impressions of Law's Provisions

WHAT IS INTOXICATING

Law Says Cannot Make Intoxicating Wine Or Beer

(By Associated Press.)

Washington, Sept. 19.—Warning that the making of intoxicating home brew is illegal was issued tonight by Prohibition Commissioner Hayes.

Numerous inquiries have been received recently, he said, concerning the home manufacture of fruit juices growing out of reports that a head of a household was entitled to make 200 gallons of wine a year under permit.

The prohibition units' attitude on the home brew question was defined by Mr. Hayes as follows:

"Non intoxicating fruit juice can be made in the home. Intoxicating wine, home brew and distilled spirits may not be made. Two hundred gallons of non-intoxicating fruit juice may be manufactured, tax free, by the head of a family registering with a collector of internal revenue.

"This tax exemption provision has been the source of confusion. The effect of it is not to allow the manufacture of 200 gallons of intoxicating wine free from registration of the national prohibition act, but merely to allow the manufacture of 200 gallons of non-intoxicating fruit juices free of tax.

Submarine R-47 Is In Distress Says a Radio Message

(By Associated Press.)

Miami, Sept. 19.—A wireless message from the submarine R-47, saying she was in distress at a point 100 miles northeast of Nassau was received early this morning by Ensign Klaproth, commanding the sub chaser 154, lying here. The message was sent broadcast, it was thought. No further word has been heard from the submarine. The 154 was unable to respond having rammed a hole in her bow while giving assistance to another boat here last week.

The R-47 is said to be one of the latest and biggest types of submarines built by the navy.

No information at Washington.

(By Associated Press.)
Washington, Sept. 19.—The navy department was unable tonight to identify the submarine mentioned in press dispatches as having been reported in distress off Nassau, but was of the opinion that it must be the R-27 instead of the R-47. The R type, it was pointed out, does not run higher than No. 27. Any one of the number of submarines might have been in the position given, it was said.

No official information has been received here relating to an accident having occurred to any of the navy's undersea craft, officials said, but steps were at once taken to communicate with ships in the vicinity mentioned in the wireless message and with nearby stations in order that assistance might be started as soon as possible. The crew normally consists of two officers and twenty-seven men.

ARBUCKLE MAKES IT UP WIFE HE HAD LEFT TO HERSELF FOR 4 YEARS

State Is 'Rounding Up' More Witnesses In Nauseating Case

(By Associated Press.)

San Francisco, Sept. 19.—Roscoe (Fatty) Arbuckle and the wife from whom he has been separated for more than four years, had a reunion here today in the visitor's room at the city prison where Arbuckle is awaiting trial on a murder charge. He is accused of causing the death of Miss Virginia Rappe through an episode at a drinking party in his suite at a hotel here.

Arbuckle clasped Mrs. Minta Duffee Arbuckle in his arms, then affectionately greeted her mother, Mrs. Flora Duffee. The three, with the prisoner's brother, A. C. Arbuckle, of San Francisco, then sat down for a half hour of conversation.

The grand jury resumed its investigation of the Arbuckle affair tonight, subpoenas having been sent out for Dr. M. E. Rumwell, the attending physician in most of Miss Rappe's illness, Miss Joyce Clarke, one of the participants in the party, Dr. Kingstone and Reginald Morely, two men who were reported to have some knowledge of the affair and several other witnesses.

Miss Clarke was questioned by District Attorney Brady today but refused to sign a statement and accordingly was ordered to appear before the grand jury.

Lowell Sherman, of Los Angeles, also subpoenaed, is en route to Chicago, Brady said, and no legal means exist to bring him back. Sherman was an occupant of the Arbuckle suite and was present at the party from which the death of Miss Rappe resulted.

Tuggle's Slayers to Die Friday On a Double Scaffold

Crestview, Fla., Sept. 19.—J. B. Martin and Putnam F. Ponsell, sentenced to be hanged next Friday for the murder of John Tuggle, at Deland, July 4, will pay the penalty on a double scaffold now being erected. Sheriff Steel ordered the double scaffold erected in response to a request by the two men that they be permitted to die together. The two men expressed their readiness to die once they are assured that they have been forgiven by Tuggle's mother and sisters. Robbery was the motive in killing Tuggle, they said, and it netted them only a trivial sum.

COUNCIL IN ATLANTA IS AFTER K. G. AND KUKLUX

Pass Resolution Asking For Expose of Catholic Society

SENSATIONAL CHARGES

One Is That Whites In Same Catholic Church With Negroes

(By Associated Press.)

Atlanta, Ga., Sept. 19.—City council here late today adopted a resolution requesting that "The New York World and other daily papers, especially the Columbus, Ga., Enquirer Sun, now engaged in the investigation and exposure of what they claim to be unpatriotic and un-American institutions included in their investigation and exposure the secret obligations, oaths and ritual of the Knights of Columbus."

"In our opinion there exists an unpatriotic and un-American secret order, with lodges throughout the country and known as the Knights of Columbus," the resolution stated in its first reference to that order.

The resolution was introduced by Councilman Walter A. Sims, who later introduced an ordinance to forbid inter-racial worship in the city of Atlanta. He declared he acted on request of property owners on north Boulevard, who, he said, asserted that both whites and negroes worshipped regularly at a Catholic church in that neighborhood. The ordinance was referred to the committee on ordinances.

Action on a request regarding the Knights of Columbus followed an effort by Councilman Hoffman to have it tabled. "We are simply lowering ourselves by getting into a squabble of this kind," he asserted.

Father's Heroism Saves Son When a Snake Strikes Him

(By Associated Press.)

Deland, Sept. 19.—Milton Shoemaker, son of Bert Shoemaker, of Daytona, is resting easily in a local hospital today and will probably recover from a snake bite wound received yesterday, because of the quick witted action of his father who immediately cut the hand and sucked the poison from the wound.

Young Shoemaker was bitten presumably by a rattlesnake while with a camping party near Lake Winnon. He was hearing a gopher and when the gopher sought protection in his hole Milton reached in after it and was bitten. The boy's father was present at the camp and immediately applied his own remedy. The boy went a delirious night but was believed today his father's heroic treatment had probably saved his life.

SENATORIAL INVESTIGATORS MAKING LITTLE PROGRESS

(By Associated Press.)
Mattawan, Sept. 19.—Senator Kenyon's two man investigating committee still trying to get the bottom of industrial troubles in the Mingo mining region talked again today to scores of people and travelled over miles of country by automobile and train. When the committee quit work tonight and proceeded to Huntington the two senators sifting a maze of informal testimony found it difficult to put two and two together and make four.

DEVALERA ASKS A INTERPRETATION OF PREMIER'S NOTES

Wants to Know If It Is a Threat Or An Invitation

ACCEPTS INVITATION

Way Still Open For a Conference Tending to Peace

(By Associated Press.)

London, Sept. 19.—Eamon DeValera, the Irish republican leader, after a meeting of his cabinet today sent another telegram to the British Premier, David Lloyd George, in which, declaring that the Sinn Fein had no thought at any time of asking for the acceptance of any conditions precedent to a conference, he requests the Premier to say whether his letter of September 7 was intended to be a demand for surrender or an invitation to a conference "free on both sides and without prejudice should an agreement not be reached."

In the latter case, Mr. DeValera states that he would confirm the Sinn Fein acceptance of the invitation and the Irish delegates would meet the representatives of the government.

Suggests a Treaty
Mr. DeValera also suggests the conclusion of a "treaty of accommodation and association" expressing the belief that this would "end the dispute forever and enable the two nations to settle down in peace."

The nature of the message necessitates a further exchange of telegrams unless some sort of an ultimatum is forthcoming. Mr. DeValera wired:

"We have had no thought at any time of asking you to accept any conditions precedent to a conference. We would have thought it is as unreasonable to expect you as the preliminary to recognize the Irish republic formally or informally as that you should expect us formally or informally to surrender our national position. It is precisely because neither side accepts the position of the other that there is a dispute at all and that a conference is necessary to search for and discuss such adjustments as might compose it."

Reply Sent to Premier

(By Associated Press.)
Dublin, Sept. 19.—The members of the Dail Earrin cabinet reviewed the situation this afternoon giving particular attention to Premier Lloyd George's telegram. At the conclusion of the session a reply to the Prime Minister was drafted and dispatched immediately by Mr. DeValera. So far as the Sinn Fein position is concerned it did not appear to change in any way whatsoever.

At the same time it is announced that Mr. DeValera's desire for a conference is strong as is that of his colleagues. The members of the Dail Earrin do not believe that the notes forwarded to Mr. Lloyd George were open to the construction that they claimed recognition as a sovereign state.

UNEMPLOYMENT DECREASES IN NINE MAJOR INDUSTRIES

(By Associated Press.)
Washington, Sept. 19.—The number of persons employed in nine major industries showed increases in August over July, while decreases occurred in five, according to figures made public tonight by the Department of Labor.

Iron and steel industries with 97,902 persons employed in July, increased to 102,698, or 4.9 per cent. Manufacturers of hosiery and underwear who employed 26,739 in July had 28,200 employes in August. Men's ready made clothing employes who numbered 32,593 in July had increased to 34,413 in August.

OBJECTIONS OF LAWYERS MARKS FIRST DAY'S TRIAL

Rawlings Announces He Is Ready to Go to Trial

POPE TO MAKE A FIGHT

Indicated That Change of Venue Will Be Asked

(By Associated Press.)

Jacksonville, Sept. 19.—John Pope, local attorney, placed on trial today jointly with Frank Rawlings on charges of murder in connection with the killing of George H. Hickman, local theatre manager, the night of September 4, was denied a 30 day continuance by Circuit Judge Simmons after the state announced it would not press the third count in the indictment. Court recessed this afternoon until tomorrow upon plea of Pope's counsel that they would ask for a change of venue.

Today's sessions were marked by the argument of opposing counsel on the various motions made by the defense. Seventy-five veniremen were kept out of the room most of the day.

Rawlings Was Ready

Rawling's counsel appointed by the court announced they were ready to proceed with the trial when the cases were called and stated they had a plea for the defendant, the nature of which was not made known. Pope's counsel attacked the second and third counts of the indictment before asking for the continuance. The third count, which was not pressed, is similar in effect to the second. The state decided to not press the count after Judge Simmons had expressed an inclination to grant the continuance if this count remained.

No Excitement Prevailed

The court room was packed throughout the day but there was no untoward incident as the prisoners were brought in and taken away.

Pope appeared in good spirits as he came handcuffed into the room. He nodded greetings to acquaintances and was joined as soon as she had taken his seat by his two brothers, Frank Pope, of Daytona, who is assisting in his defense, and Charles, of New York. Rawlings was inscrutable and appeared to have no more than a perfunctory interest in his affairs. After his counsel announced they were ready to proceed the remainder of the proceedings centered about Pope. Attorney E. W. Waybright, of Pope's defense, contested the swearing in of Attorney William A. Hallows, Jr., as assistant state's attorney in the case, but was overruled by Judge Simmons.

The indictment returned against Pope contained three counts charging murder. The first count charges Pope with premeditated murder, the second specifies that he was "then and there present, aiding, abetting, helping, assisting, comforting, procuring, encouraging, counselling and commanding." Rawlings at the time of the theatre robbery in which Hickman met his death. The third count deals with the alleged happenings before the killing and charges that Pope "did incite, move, procure, aid, counsel, hire and command" Rawlings.
