

LOOSE PITCHING GIVES TERRORS FIRST VICTORY

Passes at Critical Moments Help Easterly to Win

(Special to The News.)

Lake City, July 25.—Inability of Sanford or Gray to stop the Terrors yesterday afternoon was responsible for the victory of the local club in the first game of the six-game series. Sanford was relieved in the first inning after two runs scored and with a man on base. The final score was 7 to 2.

Bases on balls at critical stages, and continued wildness, which necessitated grooving the ball after pitching into a hole, worked havoc with the Pal pitchers, and but for brilliant support behind both Sanford and Gray the score would have been much larger.

The game was played on a blistering sun-flooded field and both players and spectators suffered. Guinea Quinn lost eighteen pounds of perspiration and said he would carry a sheet out with him today instead of a towel.

Terrors Start in First

The Terrors started scoring in the first inning when Sanford walked Inman, first up. Harrigan laid down a neat bunt and Fox hit down the third base line for two bases, scoring Inman. With Fox on second Easterly hit to right for two bases, scoring Fox and Manager Robinson pulled Sanford. Red Ulrich, playing third for the Terrors, singled on the first ball pitched by Gray and Easterly scored on Robinson's bag peg to the plate.

Brilliant support pulled Gray out of several bad situations in the next two innings. In the fourth Hancock beat out an infield hit and Inman also was safe on a slow infield hit and Harrigan received life when Holden booted his grounder, filling the bases. Fox bounced a Texas leaguer to the outfield, scoring Hancock and Easterly hit into a fast double play.

In the fifth the Pals scored their first two runs. Holden, first up, got hit and was forced when Gray hit to Hoover at second, Gray going to second when Hancock threw wild to first trying to complete a double play. Callahan tripled to center, scoring Gray. Callahan scored on Robinson's infield out.

In the sixth the Terrors scored three more runs on consecutive hitting. Inman singled down the third base line and Harrigan singled to right, and Harrigan walked, filling the bases. Easterly hit a terrific drive to Holden, which got away, and Inman and Harrigan scored. Fox scored on Goodbread's long fly to Robinson, who threw too slowly to the plate.

The score:

PALATKA	ab.	r.	h.	po.	a.	e.
Callahan, ss.	4	1	2	2	1	0
Robinson, cf.	3	0	2	2	0	0

Score by innings: R. Palatka 000 020 000—2 Lake City 300 103 00x—7
Summary: Three-base hits, Callahan; two-base hits, Inman, Fox, Easterly; struck out, by Sanford one in 1-3 inning, by Gray five in 7-2-3 innings, by Goodbread 4. Umpire, Clark.

THORN SCANDAL SETTLED
(By Associated Press)
Chicago, July 25.—A settlement reached out of court yesterday ended the suit of Mrs. Katherine C. Thorne, widow of a former official of Montgomery Ward and company, to regain a \$350,000 agreement of which William C. Camp, her divorced husband, who has since remarried, was made the beneficiary.

Baseball Gossip

We still believe the Pal outfield would function better with Robinson in right and Peters in center. Very few runners could score from third on an outfield fly caught by Peters in center, but Robby's arm is not as strong as it once was. Nor would there be so much chance of a runner scoring from second on a single. Both of these things happened in yesterday's game.

Captain Robinson seems able to hit left-handers about as well as right-handers, even if he is a left-handed hitter. All of the left-handers he has been up against lately have found this out. He hit Wiley safe during the Blackshear series and led the club yesterday against Goodbread.

Epperson is due to work against the Terrors today and Red Ulrich will, in all probability oppose him. This, at least, is one game of the series at Lake City that we will take. Sanford will probably start again Wednesday. Mallory has not been in the best of condition recently, having suffered a fever. He seems to have plenty of steam, but lacks control, something that he has always possessed heretofore.

The Terrors have some new faces on their line-up, including Red Ulrich, Inman and Hancock. Badger Chaplin, former shortstop, is now with the Ocala club, and Mollie has gone to Perry.

A good old head in the box now would save off some of the jinx which seems to be following the Pals. Both Sanford and Gray have plenty of stuff, but they lack experience at critical moments.

Lake City is filling the ball park to help the Terrors even up scores with the Pals. It will take about every game during the present six-game series for the Terrors to get up and into the running, but evidently the Lake City management is sparing no expense to get a club that can claim honors with the Pals.

Next Monday the Pals go to Gainesville to see if there really is any strength to the University club. The Pals had a close call in the first game played here, but that was just at the beginning of the present hitting slump. They are expected to be back on fettle by tomorrow and will show both the Terrors and the University men the way to hit it out.

SESSUE HAYAKAWA IN BIG DRAMATIC ROLE

Having demonstrated his versatility in amazing fashion in "The Swamp," in which he ranged from tensest drama to comedy of the most ingratiating sort, Sessue Hayakawa returns to his first love in "Five Days to Live," his most recent R-C production. It is fine, strong drama and will be seen at the Grand tomorrow.

In "Five Days to Live," based upon an original story by Dorothy Goodfellow, called "Street of the Flying Dragon," the noted Japanese-American film star has a romantic role in which he appears as a lover. And where in the realm of the cinema can you find a more fascinating swain than this handsome son of Nippon? An all-Oriental cast, including, besides Mr. and Mrs. Hayakawa, the following players: Goro Kino, Misao Seki, Toyo Fujita and George Kuwano, achieves an artistic triumph. Norman Dawn was the director.

THREE FORMER WALL STREET BROKERS IN THE TOMBS

(By Associated Press)
New York, July 25.—Pleading guilty to charges of grand larceny in the first degree, three former Wall street brokers, Harold W. Lowry, Albert Friedenberg and Martin Schlessinger, today were committed to the Tombs by General Sessions Judge Nott to await sentence next Friday.

They were indicted on complaint of Mrs. Jennie Broiles, who charged they kept for their own use \$1,900 she entrusted to them for the purchase of bonds.

REVIVAL AT EAST PALATKA

"Welcome to everyone." Glorious revival now in progress at East Palatka. Conducted by Rev. J. F. Bell, Chas. Menglidorf and J. S. Brooks. Service every evening at 8 o'clock. Come and help us and enjoy the meeting.

CRUCIAL SERIES IN NATIONAL TO OPEN UP TODAY

(By Associated Press)
New York, July 25.—New York and St. Louis clubs, leading contenders in the major leagues, today opposed each other in the opening games of a series that may have a decisive bearing on the outcome of their respective pennant races.

The Yankees, who lost the lead the last time they toured the western strongholds of their four most potent rivals, were one and a half games behind the pace-setting Browns as they invaded St. Louis. The Hugmen were strengthened for the crucial test by the acquisition of Third Baseman Joe Dugan and Outfielder Elmer Smith in a trade with the Red Sox. The Giants and Cardinals were practically on even terms in their sectional race as they opened a five-game series at the Polo Grounds, New York holding first place by the fraction of one percentage point while the westerners had an advantage of half a game in the won and lost table.

The Giants, concluding their tour by dividing a doubleheader with Pittsburgh yesterday, secured no better than an even break in twenty games with western rivals. The substantial lead with which they started the invasion was rapidly reduced by the onrush of the Cardinals, who took 14 out of 18 starts against eastern clubs, including three out of four from the champions and enjoyed the sensation of occupying first place for a day by climbing ahead of New York on Saturday.

Tillie Walker knocked out his twenty-fourth homer as Philadelphia closed its home stand by beating Washington, 4 to 2, and was robbed out of the 25th when a fan pushed the ball out of the bleachers. Walker is now three ahead of Ken Williams, his nearest American League rival, and two behind Rogers Hornsby, the National League clouting king.

Coveleskie outpitched Red Faber and Cleveland defeated Chicago, 5 to 2, in the only other game played in the major leagues yesterday.

Good Road Meet at Court House This Afternoon

At 3 o'clock this afternoon a general good roads meeting, called by the special road committee of the Palatka Chamber of Commerce and allied organizations, went into session with a large attendance. It is expected that at this meeting all differences will be settled, and that a definite plan for calling a bond election will be agreed upon so that a petition can be presented to the commissioners at the August meeting.

Liberty Bonds Are Still Soaring; New Levels Made Today

(By Associated Press)
New York, July 25.—Liberty bonds continued to establish new high records on the stock exchange today, 3 1/2 rising to 101.16, the first 41-4s to 101.68 and the fourth 41-4c to 101.74.

GRAND CIRCUIT FEATURE

Columbus, Ohio, July 25.—The Great Rose, of the McDonald stable, favorite in the 2:11 trot, the S. & S. stake, feature event of today's Grand Circuit program at the Columbus Driving Park track, is ill and will not be started, it was said today. Czar Boy will likely be the favorite in this event, which carries a purse of \$5,000, the largest of the meet, which is scheduled to close Friday. Other events include the 2:12 pace, the 2:14 pace, and the two-year-old trot.

Strike Cutting Into All Union Labor Production

(By Associated Press)
New York, July 25.—The wholesale closing of steel plants throughout the country, and especially those in the east which heretofore have not been affected by fuel shortage, will result if the coal strike is not settled before August, the head of a large steel corporation declared yesterday.

Further falling off of operations among steel plants caused grave concern at their New York corporation headquarters. The Mahoning and Shenango valley refineries were among the latest to be reported hard hit by lack of fuel.

Officials of Bethlehem Steel announced they had banked fires and discontinued production at two of their largest furnaces with the resultant loss of employment of hundreds of men. Every plant in the east soon will feel the full effect of the coal strike, it was declared.

FLORIDA REALTORS ASSN. AFTER HOME-SEEKERS' RATES

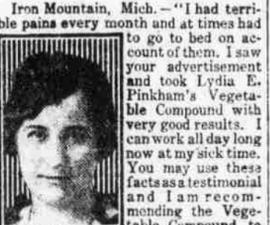

Among the many valuable pieces of work being done at this time by the Florida Realtors' association for the benefit of the state and its members is the recent appointment of a strong committee to secure the restoration of home-seekers' rates to Florida which were withdrawn at the time of the war, when the government took over the railroads. If this committee succeeds in this the results will be of inestimable value to Florida development, to the railroads in the way of increased travel to the state during the dull summer passenger season southward, as well as being the means of increased freight movement both inbound and outbound as these home-seekers become actual property owners in Florida, and last but not least the members of the state and local realtors' association will be benefited by the results of organized effort.

The committee so far appointed is a very representative one from all sections of the state and includes T. P. Cartwright, of Palatka.

Raleigh, N. C., July 25.—Highway construction felt the first impact of demoralization growing out of the strike of railroad shopmen yesterday when shortage of materials forced the suspension of work on twenty of the largest projects in the state. Work in the ninth district is at a complete standstill and is badly crippled in every other district.

PAINS SO BAD WOULD GO TO BED

Two Women Tell How Lydia E. Pinkham's Vegetable Compound Stopped Their Suffering

Iron Mountain, Mich.—"I had terrible pains every month and at times had to go to bed on account of them. I saw your advertisement and took Lydia E. Pinkham's Vegetable Compound with very good results. I can work all day long now at my sick time. You may use these facts as a testimonial and I am recommending the Vegetable Compound to my friends."—Mrs. A. H. GARLAND, 218 E. Brown St., Iron Mountain, Michigan.
Xenia, Ohio.—"Every month I had such pains in my back and lower part of my abdomen that I could not lie quietly in bed. I suffered for about five years that way and I was not regular either. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women, so I decided to try it. It surely has helped me a lot, as I have no pains now and am regular and feeling fine."—Mrs. MARY DALE, Route 7, Xenia, Ohio.
Lydia E. Pinkham's Vegetable Compound is a medicine for women's ailments. It is especially adapted to relieve women. If you suffer as did Mrs. Garland or Mrs. Dale, you should give this well-known medicine a thorough trial.

ROTARIANS LISTEN TO ENUMERATIONS OF MANUFACTORIES

Surprising Exposition Is Made at Today's Luncheon

That Palatka has thirty-five manufacturing concerns, possibly more that should be enlisted under this head, making 37 different products and with an annual revenue to the industry of the city of nearly \$5,000,000, was the surprising fact developed at today's Rotary luncheon when the program under charge of Howard Gardner was put on.

The speakers were Arthur Corcoran, of the Wilson Cypress company; Howell Davis, of the G. M. Davis & Son, and Jim Hart, of the Chamber of Commerce. Seldom has a better program been arranged for the club, or the speakers able to furnish more real information.

Arthur Corcoran told of the efforts at reforestation by the government, and how it is impossible to reforest cypress, due to the many years it takes to develop.

Howell Davis told of the various manufacturing enterprises in the city and pertinent facts connected with them, and a history of the Davis tank factory. He said that shipments were made to practically every state in the union and to many foreign countries.

Jim Hart spoke of what can be accomplished if the community unites to go after manufacturing industries, listing each line and what might be done by the individuals.

E. H. Williams, newly elected

member of the school board, and Mr. Middleton, of Crescent City, were guests of the club. Mr. Williams expressed deep appreciation of the spirit displayed at the luncheon and said that when such existed in a community that community was certain to accomplish something.

DTNIES ORDERED K. K. K. NOT TO WEAR MASKS

(By Associated Press)
Atlanta, Ga., July 25.—Edward Young Clarke, imperial wizard pro tem. of the Knights of the Ku Klux Klan, yesterday denied formally that he had issued orders prohibiting members of the order in Georgia or elsewhere from wearing their masks. It was reported Saturday that orders issued by officials of the klan had prohibited the use of masks except at meetings of the klan held in their regular lodges.

NOTICE TO THE PUBLIC

Persistent statements on the street by persons who have no authority to speak prompt us to state that we will continue to represent the Dodge Brothers Motor Co., here and will be exclusive selling agents for their cars. For three years we have represented this make of cars exclusive, and have arranged to continue to do so.

Any rumors to the contrary are unfounded and we take this method of informing the public that we will continue to conduct a Dodge selling station as well as service department.
