YOU!

You are probably interested in spring. We are, and very heavily, too, financially, in so-called spring, balmy spring, in its best mood. We are financially interested because our wealth is invested in Spring Stock, but we have no time to feel uneasy about converting this season's stock into money. We know you want the goods as badly as we want your money. Why not have us? It is so far easier to answer the negative part of the proposition, for what is there we have far more English, after all, a rich language, fitted to our purpose, and one word will convey our idea of magnitude and kinds of stock, and that word is

COMPLETE. BON MARCHE. Saks & Company. WILL TAKE PLACE THURSDAY, April 1, FRIDAY, April 2, SATURDAY, April 3.

Every week our unexcelled Shirts for Men and Boys keep going 45 cts. Our customers are of the opinion that no house can give them at 60 cts. We try to keep up this assortment. Present upon present and from the popular styles, but to-day we have them all.

About Hats. We have had much to say about hats lately, but not a word too much, and not one to take back. We told the truth, and the truth bears repetition. You know the proverb, "Present upon present and from the popular styles, but to-day we have them all."

On the Oregon we had two cases of place goods. We have heard a deal of Yankee enterprise, but the English are catching on lively, for the Monday following we received a telegram, "Saks, Washington, Oregon; duplicate order hence Wednesday's steamer."

This department is under supervision of competent, skilled and experienced ladies, who will gladly give you any information regarding styles, shapes and trimmings.
