DENTISTRY. DR. P. M. LEE, (from the Baltimore Dental College,) having permanently located in Alexandria, La., respectfully offers his Professional services to such of the citizens of Rapides and adjoining Parishes, as may need the aid of a Dentist.

DR. LEE would say that he is prepared to execute all operations embraced in the Dental Art, if entrusted to his care, in the most skillful manner; and having purchased the right to use Prof. BRADY'S Patent Cheoplastic process for mounting artificial teeth, and used the same in his practice for some time, with perfect success in every case, he unhesitatingly recommends it to all who may require Dental substitutes. This process has many advantages which cannot be attained by any of the old methods, while no other has any advantage over it; as to its strength, durability and beauty, he challenges for it a comparison with any known process for mounting artificial teeth.

Those preferring it, will be waited upon at their residences. His office and residence corner of Third and Bayou Robert street, March 25-ly

HOWARD ASSOCIATION, PHILADELPHIA. A Benevolent Institution established by special Endowment for the Relief of the Sick and Distressed, afflicted with Virulent and Epidemic Diseases.

THE HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in cases of extreme poverty, to furnish Medicines free of charge. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual diseases, for the year ending January 1st, 1858, express the highest satisfaction with the success which has attended the labors of the Consulting Surgeon in the cure of Spermatorrhoea, Seminal Weakness, Impotence, Gonorrhoea, Gleet, Syphilis, the vice of Onanism or Self-abuse, &c., and order a continuance of the same plan for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.

An admirable report on Spermatorrhoea or Seminal Weakness, the vice of Onanism, Masturbation, or Self-abuse, and other diseases of the sexual organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope) FREE OF CHARGE on receipt of two stamps for postage. Other Reports and Tracts on the nature and treatment of sexual diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.

Address for Report or treatment, Dr. GEORGE R. CALHOUN, Consulting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa. By order of the Directors. EZRA D. HEARTWELL, President. GEO. FAIRCHILD, Secretary. June 15-ly
