WARLOOPE, JR.

THE undersigned, through the solicitation of friends, has consented to place the services of his fine Stallion,

Warloope, Jr.

before the public. The season will commence on the 1st of March and end on the 25th July, at $10 cash, or a single visit, $15 the season, or $20 to insure; payable 1st January, 1861.

Persons adopting the insurance plan, will be held responsible in the event the property is transferred. Pasturage will be furnished for Mares from a distance, and grain fed at $2 per week, but no responsibility for accidents or escapes.

PEDIGREE:—Warloope, Jr. was got by Warloope, Sr., he by Ulysses, (for Ulysses' pedigree, see Turf Register, March number, 1834;) his dam by Old Pacolet, grand dam by Imp. Phœnix, great grand dam by old Imp. Diamond—Warloope, Jr.'s dam was by a horse called Big Knee, he by Byron, he by Stockholder, out of Patty Puff by Pacolet, Warloope, Jr.'s grand dam, full sister to Warloope, Sr. Thus we see that Warloope, Jr. has descended through a noble line of ancestry—his sire and grand sire having been well and favorably known in this country. Warloope, Jr. is a beautiful gray, possessing fine muscle and well defined bone, without wind-gall or blemish; his carriage is gay, outline admirable, and I have never known any of his stock to go blind; they are particularly adapted to harness. A specimen of his colts can be seen on the premises.

Dolbear Commercial College

A CARD.

TO PARENTS, MERCHANTS, &c.,

Who wish to give their Sons or Clerks a Practical Business Education, in the shortest possible time, and to young gentlemen whose TIME is important.

DOLBEAR COMMERCIAL COLLEGE,

—OF—

The City of New Orleans,

Founded in 1852.

Chartered by the Legislature of Louisiana;

—With—

Agricultural and Mechanical Departments;

Capital Stock, $250,000;

—IN THE—

Elegant and Spacious Edifice

—Known as—

THE STORY BUILDING,

S. E. CORNER OF CAMP AND COMMON Streets;

ENTRANCE ON BOTH STREETS.

OPEN DAY AND EVENING.

N. B.—There are special apartments and Professors for BOOK-KEEPING, PENMANSHIP, MATHEMATICS, GERMAN, FRENCH, SPANISH, ENGLISH, LATIN, GREEK, etc., so as to save the TIME of business men.

Persons from 12 to 60 years attend to any branch they may wish, and until as perfect as they wish to be. There are, probably, not less than two thousand of its former students in banks and business houses in this city.

Merchants apply here for clerks and book-keepers. Country merchants, steamboat clerks, etc., can learn in a few days to keep their books correctly, or write a free, handsome hand.

Catalogues with terms, opinions of the press and leading men of the nation, etc., sent to all who desire them.

This is the only chartered Commercial College in the Southwest and the oldest in the United States, and has stood for

MORE THAN A QUARTER OF A CENTURY

on its own merits alone.

Board can be had with the Professors or other good families, speaking English, French, Spanish, or German, at from $4 to $6 per week.

N. B. To prevent mistakes, or interruptions, Students intended for this College should, from this advertisement or special directions, as there are every winter temporary rooms open for a few months; all, of course, making wonderful presentations and promises, and posting flaming placards to enlighten the people of New Orleans and the South. When three or more form Clubs, and enter at the same time, ten per cent. will be deducted from tuition.

☞ Citizens and strangers are respectfully invited to visit the College and judge for themselves. The city is perfectly healthy.

STOCK.

If, as is expected, the citizens in favor of Southern practical education subscribe as liberally to this HOME INSTITUTION as they ever have to Capital enterprises, the Agricultural and Mechanical Departments will be at once put in operation, and the whole placed on a firm basis, to stand for ages as a permanent Institution of the South, and under the direction of the Stockholders themselves and the Trustees appointed by the Legislature.

Stockholders can take the amount out in tuition. The Trustees of course can put any other party at the head, if they deem best. The Charter is perpetual.

Gentlemen of the South! does the plan meet your approbation? If so, will you give it your aid, and build up a HOME INSTITUTION with a thousand or fifteen hundred students annually?

President.

HOWARD ASSOCIATION.

PHILADELPHIA.

A Benevolent Institution established by special Endowment for the Relief of the Sick and Distressed, Afflicted with Virulent and Epidemic Diseases.

THE HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS to all who apply by letter, with a description of their condition, age, occupation, habits of life, &c., and in case of extreme poverty, **to furnish Medicines free of charge.** It is needless to add that the Association commands the highest Medical skill attainable, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual diseases, express the highest satisfaction with the success which has attended the labors of their Surgeon in the cure of Spermatorrhœa, Sexual Weakness, Gonorrœa, Gleet, Syphilis, the Vice of Onanism or Self-abuse, &c., and order a continuance of the same plan for the coming year.

The Directors, on a review of the past, feel assured that their labors in this department of benevolent effort have been of great benefit to mankind, especially to the young, and they have resolved to devote themselves with renewed zeal, to a very important and much despised cause.

An admirable report on Spermatorrhœa or Sexual Weakness, the vice of Onanism, Masturbation, or Self-abuse, and other diseases of the sexual organs, by the Consulting Surgeon, will be ready mail (in a sealed envelope) FREE OF CHARGE on receip of two stamps for postage. Other Reports and Tracts on the nature and treatment of sexual diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.

Address, for Report or treatment, Dr. WILLIAM HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth street, Philadelphia, Pa.

By order of the Directors.
