Grand Jury.

Gentlemen of the Grand Jury of the Parish of Rapides:

will tend to a knowledge of the matters plundering the people of their cotton, which which will come before you, and also to was all they had left from the ravages of give such special instructions as are made war. All such as well as those who purmy duty by the General Assembly of the chased cotton knowing it to be stolen. State. It is hardly necessary for me to reshould be presented under the law punishmind you that the duties of grand jurors ing such offences. of this State, or of any other State, have to a particular subject. There has be the duties of your office been so momentous established by the government what is call revolution, the most bloody that ever marked marks with reference to this institution guarantee for life, and indeed no real liberfor you to present every violator of the "freedmen," so called, can pera abu ate the law, no matter who he may be, or what po-country, night a diday, without ranning the And if you find such to be the case you with the chances greatly in favor of his eswill present the party to this Court. In cape and his going unwhipped of justice, order that the trial by Jury, so far as it de. I have to'd you a'ready, g attemen, that pends on you, may be effective, it must be this is a time of peace and not a time of pure; it must be impartial. You have war; that you are now citizens of the Un-sworn to present no man from haired, malice tel States government; and that it is the or revenge; so also you have sworn to leave daty of every officer, whether he be civil or no man unpresented from fear, favor, or af- mil tary, to execute the laws of the country, fection. If you follow these rules you can- and maintain the Union of the States under not fail to do your day. Remember, how-the Constitution. And if any officer of the ever, that while you are the viadientors of United States government should violate the majesty of the law, you are also the the law, or are gate to himself any power guardians of the rights of every citizen, not delegated to him it is you duty to pe-And whilst you should eave no man unpre-tition the President of the United States, sented, who is found to be guilty of a crime, who is the Commander in chief of the army you should be careful to present no one unand navy, and, from my knowledge of his less the evidence before you, if laid before a character, I am sare that he will not turn a petit jury, would lead to his conviction. If an even though the party should be acquitted, be forwarded through the party should be acquitted, be forwarded through the party should be acquitted, be forwarded through the Judge of this haves a stigma not easy to be efficied. By Court, or through the governor of the pursuing this course you will make the trial by jury that which it was intended to be, the panoply which protects the citizen horation of your condition. However we against the caprices and tyrandy of the may have difficult for the intense of the panoples. judge, and the clamors of the populace, is now as divoted to the interests of the You have gentlemen, lost your property: State, as he was once the novi lding advo-you have not entirely lost your liberty. And, cate of the integrity of the Union. Gentle indeed, it is doubtful whether any people can ever lose their liberty, who have an important your duty regardless of consequences. I shall ean ever lose their iberty, who have an important so of consequences. I shall be partial trial by jury. Rome has lost her liberty and in the index many administration I hope and their wants must admirably qualifications, and the underbrush, springing up about every stump, for the deadening though many blamed him for doing some erry; Sparia has lost here; so also has no innecent many will be punished or grelly discharge of the duties of the office of the duties of the office. Chicago Times. Carthage; but at the time thesa nations one escapel. The officer is in attendance discharge of the duties of the office branches that fill the ravines or show their lost their liberties, as has been we'll said by to conduct you o your rooms.

discharge of the duties of the office branches that fill the ravines or show their liberties, as has been we'll said by the ablest commentator on the common law, they were strangers to the trial by jury. While England, is a conflict of a thousand years with the neighboring nations, from the sixth to the sixteenth century, preserved her liberty because she ever cherished the shall admin ster the law. Is all be cothed with the substance and not the shadow of Picayune: the minister of justice. I shall execute the law as I understand it, and according to its hausted all the means in my power for the enforcement of my decrees for the protection of life, liberty and property, and should tip fits during the last year. In the organization of the ate Democratic Convention lies fits during the last year. In the organization of the ate Democratic Convention lies made the origing a ldress in behalf of the Executive Committee, which convoked the Executive Committee, which convoked scorn to hold it a moment longer than I the defender of the law, and able to execute great baste and zeal of the Convention in its provisions. Be not frightened from your duty by the recent high handed outrage in the arrest of a judge of a neighboring district while in the discharge of the latest and an analysis of the discharge of the recent for its utlerance. The Dector was greatly agatated and an onlyed by this misrepresentation of his re-

be in attendance, to give you the definition usual remedies in cases of apoplexy proving of such crimes as may come before you. You have the right to summon witnesses. You have the right to adjourn from day to day, not exceeding three days, without the leave of the Court. You must be careful to Sept 28: keep secret all matters that may come be-

my charge to give you such special information as the General Assembly has made it the present State Government constitution my duly to give. First, you will inquire thrust aside, and his present Excellency ap-whether the overseers of the public roads pointed Provision at G. v. rnor. whether the overseers of the public roads and levers have done their duty. Secondly, whether any navigable streams have been impeded in their course by bagasse or other obstructions. Third y, whether there have places for the saie of spirituous liquors with out the places for the saie of spirituous liquors with out the proper license from the parochial authorities. Fourthy, you will incomise the process of the public roads the version of the public roads the Veteran 4th Onio Cavalry, and the Veteran 4th Onio Ca authorities. Fourthy, you will inquire convention wond make a worse constitue whether any persons have violated the statute tion, and much power as it is safe to put against carrying concealed weopons; re- in his hands. stricting your enquires, however, to the time of peace, it not being the intention of the the man. Was right in seceding. the law to annex penalties to the carrying of weapons during a state of war. Fifthly by Hon. A. P. Dostie.

Judge Ryan's Charge to the administered. And, finally, you will see whether the public prison has been properly kept; whether the juilor has done his duty and whether the prisoners have been proper by treated; if not you will present them to I am happy to meet you assembled in

this Court.
You will inquire into and present all in your official capacity; I hope this is the be stances of cotton stealing which shall comginning of the reign of civil law and I trust within the range of your information. After of order. It becomes necessary for me to the surrender of the Department evil dis-impart to you such general information as posed men wandered through the country

are exceedingly ancient and highly impor-tant. At no time, however, in the history judge of this Court, to call your attention as they are to-day. Just emerged from a ed a "Bureau of Freedmen;" and in my rethe records of time you find society in a state of chaos and disorganization. During the last four yours the civil law was nearly silent; crimes of every description were committed with almost impunity, formed his day to the government and with and the military chieffain exercised the satisfaction to the people. But the institute of this institute of the parties at the risk of his own say from personal observation and from object of this meeting.

Resolved, That a committee of settle parties, at the risk of his own say from personal observation and from object of this meeting.

The chairman appointed Messrs. E and stopping the fight. The friends and the military chieffain exercised the satisfaction to the people. But the institute of the parties fook them away, to exfunctions of the civil magistrate. War has tion its if is calculated to render unhappy at last ceased, peace has once more come, the former slave now made free; to put and society is about to restine its acces, him in some particulars above the whitetomed vocations. In order that the bles race, as I shall demonstrate to you by the sings of peace should be felt by all a firm following I histration. a By the laws of this and vigorous execution of the laws is abso. State wheever is found passing his time in and vigorous extention of the laws is associated wheever is tolling to gain his tive. Resolved, That recognizing in crimes should be panished to prevent their fished by honesty and industry, is declard recurrence in the future. Without the civil to be a vagrant. By the laws of the State Governor of Louisiann, a sagacious law there is no security for property, no any white min who is taken before a magistate statesman, earnestly, z alously, fear trate and prov d to be unable to make his ty. On you much depends as the grand in- living, is committed to the pacish prison quest of this parish. It becomes necessary at the public xcense. But one of these sition he may occupy; and in doing so you risk of being apprehended as while men are; will have to investigate whether any citizen and after running at large and dependating has been deprived of his life, laberty or upon the property of the people, they, losproperty contrary to the laws of the land, sooth, must be brought before the Bureau.

Death of Dr. Ridd-Il.

Just before going to press, and after the leader in to-day's paper hal been set up her liberty because she ever cherished the trial by jury. You may, however, lose your liberty unless you use proper diligence. Liberty is the price of vigilance." As I have remarked you are not now in war, but have remarked with short and street, when remarks when have remarked with short and street, when remarks when have remarked with short and street, when remarks when remarks when remarks when you are have remarked you are not now in war, but system had been thrown by his action in in peace. You have been unled military system had been thrown by his action in have remarked you are not now in war, but in peace. You have been under the peace of the power, and have not yet entirely been freed power, and have not yet entirely been freed military it is your daty, as citizens of the Legislature.

In order to get rid of the speech were the immediate cause of his full and show that you are writing and the critic and and the critic are formed by his action in the Convention, and the critic are under the power. The company of the speech were the immediate cause of his the Legislature.

We sincerely regret the event. Druleted States, to yield obedience to your rulers and show that you are writing and the critic are farmed by masters—the first families of the proud of the street, a negro serg art, in full U. S. of said Dastrict, companing the part of the trown by his action in the Convention, and the critic and Avoyelles, must be a considered. The convention and the critic are standed their lord of the proud of the street, a negro serg art, in full U. S. of said Dastrict, companing the part of the proud of the street, a negro serg art, in full U. S. of said and street, and all the roots in the convention and the critic and and Avoyelles, must be a convention and the critic and and Avoyelles, must be a convention and the critic and government. It is useless "to kick against the pricks;" you have a pealed to arms, and the pricks; you have a pealed to arms, and the pricks; you have a pealed to arms, and the pricks; you have a pealed to arms, and the pricks; then perceiving some the God of battles has frowned upon the contest. I ask you to do your daty; I in tend to do uffine. So long as I sit upon this tend to do uffine. So long as I sit upon this because of political life were undoubtedly in the middle of a street conded database many of them been used for camps.—

A SCRIMMAGE. -- At a political meet-

LOUISIANA DELEGATIONS IN WASHINGTON.

We read in a Washington dispatch of publican government; that it was in the exercise of this said sacred right des will remember all the details of that in that our rev lutionary fathers threw fortunate battle. A I who purpose visiting side of the track the flames rose forty feet and twelve feet in depth; situated in off the yoke of Great Britain, this fleid should do so now. The accomplish, the noise drawing the sound of the and that the South was only carrying dations are sufficiently good.

Out the same "great principle" in second the union of the color of the whole took fire, and along the coding from the Union 1 At this trier picture of what the field was when the train were seen revolving wheels of fire that the seven handred officers and men of point, Corporal James Pike, late of battle ended, than he will ever get sgain.— while the seven hundred officers and men of that he did, and would try to convince him (Pike) that he was right. He proceeded in the same strain for nearly half an hour, when Pike again while the ruin is yet complete, while senses to make the reality of a battlefield is gone. Now the state and we think, of Caiborne county was right in secoding. Maginnis the made penaltics to the carrying of weapons during a state of war. Fithly you will enquire whether any person has been guilty of telling or carrying away time been guilty of telling or carrying away time been from the lands of the State. Sixthly, whether there have been any vendors or lotteries in the parish. Seventhly, whether the public school funds have been properly three horses in constant use.

Was right in secoding. Maginnis mad passions of the contending soldiery left age. He is a gentlement of cultivated constant will make them, visit this historic field, and carry in peaced his question, but Maginnis to mad passions of the contending soldiery left age. He is a gentlement of cultivated constant will make them, visit this historic field, and carry in peaced his question, but Maginnis to mad passions of the contending soldiery left age. He is a gentlement of cultivated constant will make them, visit this historic field, and carry in peaced his question, but Maginnis better of our great revolution. Passengers claracter, dignified bearing and earnest continued his speech without any further there have been any vendors of the states and manners, warm and generous impulses, unimmeachable private and public bearing and earnest continued his speech without any further there have been any vendors of the continued his speech without any further them, visit this historic field, and carry in peaced with bearing and earnest continued his speech without any further them, visit this historic field, and carry in peaced his question, but Maginnis to continued his speech without any further of our great revolution. Passengers claracter, dignified bearing and earnest continued his speech without any further of our great revolution. Passengers claracter, dignified bearing and earnest continued his speech without any further of our great revolution. Passengers claracter, dignified bearing and earnest continued his speech without any further of our great revolution. Passengers claracter, di

off!" As he said this, he threw himself over the speakers stand and sprung upon the platform. Maginnis fell back a step or two, drawing a Forbes, secretary.

Gen. Graham stated that the object passing through Pike's hat; and of the meeting as he understood it, was for the nomination of delegates slight would. Pike then drew his fields to our left, we plunged on over the to the Convention to be held in New Orleans on the 7th inst for the noming Maginnis' head. Maginnis struck of the Bull Eun and Blue Ridge Mountains, ination of State Officers.

Spottylvania Courthouse. Leaving these fields to our left, we plunged on over the revolver and fired, the ball just graz fields having on our right beautiful views ing Maginnis' head. Maginnis struck of the Bull Eun and Blue Ridge Mountains. Pike several blows on the bead with The Hon. M. Ryan made an eloquant speech, which was received again, the ball missing entirely and with great applause.

On motion of Mr. A. N. Ogden it second time, wounding Maginnis in the side. By this time our officient. he side. By this time our efficient Marshal Manning had rushed between the base of these mountains, and from Fair chitoches, Alexandria and Pineville. ven be appointed to draft and present shifted and present shifted and present the parties, at the risk of his own shifted to by the control of the shifted and several cities and stopping the fight. The friends of the parties took them away, to exman, P. Clarke, John Bagan, N. H. amine and dress their wounds, when, the street length of the parties took them away, to examine and dress their wounds, when, the street length of the parties took them away, to examine and dress their wounds, when, the street length of the parties took them away, to examine and dress their wounds, when, the street length of the parties as may be from time to time required, on such days as may be designated by the Chief.

Common this control of the parties as may be from the seems to yield fair crops, and from the seems the parties, at the risk of his own fax to Lynchburg these views are uninter fortunately, it was found that neither was dangerously wounded, though

both had very narrow escapes.

The occurrence of coarse broke up

Seat of War to Virginia.

A graphic writer, says the New Orleans, l'imes, for the Cincinnati Commercial, who is truvelling over the seat of war in Virginia, gives some sketches worth transcribing. Those familiar with the topography of avenue in America, but it has already lost

THE COUNTRY. From Washington to Calpeper the devaswhich he is now subserving. In our opinion, the best interests of the people of the Stare.

Resolved, That the delegates to the Convention which is to meet in the Convention which is to meet in given over to devastation. Every knob and all asylum of New York, and her advertisely as a superior of former cultivation is er sent and accordence—belove desolation reigns. After leaving the forter desolation reigns. After leaving the forter whose name stands the always questionable rectly or indirectly, be received, undestinated the part of the persons under the persons u New Orleans on 7th inst. are hereby given over to devastation. Every knob and al asylum of New York, and her advertise instructed to present the name of ridge hears the mark of some rude introncing ments are familiar to those who saurch the more prominent points show columns of the very popular dvertising pavention, and to urge on it in the most strenuous manner his nomination as the man of all others in the State at the man of all others in the State at the state a the man of all others in the State at fixed lines into ragged mounds, washed by from the built up portion, solitary and state this time, in our opinion, best calculated the Supermer's rains. The compact sides in ly, and apon its grandly carved portal no lated to meet and manage the emerative embrasures to redounts that have trem crest or coa of arms is placed. There is a gencies of this most momentous crisis bled with the disenance of artillery, have figure in mail at the foot of the hall, and on the life of our loved and honored away before the frosts of Winter, either side of the imposing stature the wal-state. they seem tike some rude passage-way dog colossal bronze figures, holding in their exinto earthen pens by the animals that roam tended palms pale pearls of lumps. These unrestrained over the barren tracts. It will are Minerons showing the hospitality of e years before the onshoud no will fence in Hipp scrates. The drawing rooms, on either these wastes, or larrow with his pow these side of the half are carefully furnished with fortified heights. These September winds maintings, and lest she might mistake ill obfor Lieutenant Givernor, a gentle-man whose sagacity, ability, learn-ing, extensive and intimate acquaint-ance with the State, its inhabitants. fications, and the underbrush, springing up 000 in purchases, and returned the rest cate and recommend to our fellow as abactis, make a picture so wild and annual-

this meeting be published in the larm products of all kinds raised. The lands arristed by a negra without a white officer, louisiana Democrat, and that the can be bought for little or nothing, and in an or local street, in the contract of the reached Rival street, in men there, making, with their sub-soil plows and dung carts, fertile land out of tracts long before the war given according to their intended victim, when forlong before the war g ven over by the F. F. V. s for barien. This is what war has done On motion, the meeting then adounted sine die.
