### ASTROLOGY.

#### The World Astonished

At the Wonderful Revelations Made by the Great Astrologist, Madame H. A. PERRIGO.

SHE reveals secrets no mortal ever knew. She restores to happiness those who, from desolating catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursue and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament—the malefic stars that overcome or predominate in the configurations—the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as if in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secrecy will be maintained, and all correspondence returned or destroyed. Honorees of the highest order furnished those desiring them. Write plainly the day of the month and year in which you were born, enclosing a small lock of hair. Address Madame H. A. PERRIGO, P. O. Drawer 293, Buffalo, N. Y. mar 6, '67 ly

### REPARATOR CAPILLI.

Throw away your false frizzes, your switches, your wig, destructive of comfort, and not worth a fig. Come aged, come youthful, come ugly and fair, and rejoice in your own luxuriant hair.

### REPARATOR CAPILLI

FOR restoring hair upon bald heads (from whatever cause it may have fallen out) and forming a growth of hair upon the face, it grows upon the smoothest face in from five to eight weeks, or half upon bald heads in from two to three months. A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the REPARATOR CAPILLI; it will cost you nothing unless it fully comes up to our representation. If your Druggist does not keep it, send us one dollar and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, provided entire satisfaction is not given. Address, W. L. CLARK & Co., Chemists, No. 3 West Fayette street, mar 6, '67 ly
