DOLBEAR COMMERCIAL COLLEGE.
NEW ORLEANS, NOV. 20, 1867.
DEAR SIR:
It is now safe for Students and others
to come to the city.
N. B. We have never lost a Student from
the country from any epidemic in the 35
years' existence of the College, as we al-
ways advise them to leave, or stay away,
when we think there is danger. The city
is not more healthy than the country, and
as much so as New York or Boston. It
is thought, mind and ideas that sur-
vive and disenthral a people. And those who
still send their sons to the North for
education, pay their money to enslave the
white people of the South.
