the extreme TT IS the best Sewing Machine ever of ferred to the public. It hems and fells, braids, cords, tucks, marks and controlders. braids, cords, tucks, marks and embroiders with such elegance and ease, that the finest needle work would look mean in comparison. It is the only Machine ever invented that embroiders with the Lock Stitch, and on account of its adjustable fort, has greater range of work than any other. It is used almost exclusively by all the Lady Milliners and in all the Convents of New Orleans and it has the greatest circulation of any Machine in the world. The sale of

teans and it has the greatest circulation of any Machine in the world. The sale of this Machine now equals that of all others out together, and I warrant every Machine I sell to give softsfaction, and after a fair trial to return the money if it does not do so.

RUPTURE CURED

THE MOST EFFICIENT, CONFORTABLE AND S CURE TRUSS IN USE.

IT is entirely different in principle and action from all others, and has every desirable advantage, vizi Il has no spansos, thus avoiding all injurious pressure at the back, at the same time supporting the abdomen and relieving the aperture of all under weight. It is as comfortable night or day as a glove, adapts itself to any position can be applied at any age. It is nor conflictate, and cannot get out of orders, it is the only Trues that premarkantation cases of rupture, qualities possessed by no other Trues, as those who have worn the various kinds with Springs or Iron Badds

This Creater to Bitter is a preservative again t cholera and a rup day in the case of the strength various kinds with Springs or Iron Bands

can testify.
With an experience of more than twelve years practice in the treatment and cure of HERNIA and RUPTURE, I can promcontrol and more narro improvement than can be obtained of any other person or ap-pliance in the South, without regard to age of the patient, or length of time afflicted. Call or address, with stamp for circular.
