The page for the family furnishes interest and amusement for the fireside during the long winter evenings. Full and trustworthy live stock country produce, and general produce market reports show the state of trade.

"THE WORLD" AND ITS WORK.
 Those of our Democratic friends who desire to subscribe for a New York Paper will find none that equals The World in ability, or that so fearlessly and clearly advocates Democratic principles. In the news from all parts of the world, it is complete, and its editorials on all subjects are vigorous and logical. To the farmer it is invaluable; teaches him many things that tend to promote his best interests which he sorely needs his eyes opened to. The World is now doing a great work in behalf of the Democratic party, and should be fully sustained. — [Binghamton Leader.]

A THOROUGH NEWSPAPER.
 The World, in point of ability, enterprise and influence, stands at the head of the Democratic press in this country. — [Manchester Union.]

THE SUN.
 WEEKLY AND DAILY FOR 1874

THE APPROACH OF THE PRESIDENTIAL election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully, and fearlessly.

The Weekly Sun has now attained a circulation of over seventy thousand copies. Its readers are found in every State Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and power.

The Weekly Sun will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always, we trust, treated in a clear, interested and instructive manner.

It is our aim to make the Weekly Sun the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will reprint nothing to offend the most scrupulous and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and legibly printed.

The Agricultural Department is a prominent feature in the Weekly Sun, and its articles will always be found fresh and useful to the farmer.

The number of men independent in politics is increasing, and the Weekly Sun is their paper especially. It belongs to no party, and obeys no dictation, contenting for principle, and for the election of the best man. It exposes the corruption that allegors the country and threatens the overthrow of republican institutions. It has no fear of knives, and seeks no favors from their supporters.

The markets of every kind and the fashions are regularly reported in its columns.

The price of the Weekly Sun is one dollar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of paper and printing, we are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation. Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of prepaid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the Weekly Sun at this rate. Anyone who sends one dollar and twenty cents will get the paper, post-paid, for a year.

We have no travelling agents.

THE WEEKLY SUN — Eight pages, fifty-six columns. Only \$1.20 a year, postage prepaid. No discounts from this rate.

THE DAILY SUN — A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for two cents. Subscription, postage prepaid, 55 cents a month, or \$6.50 a year. To clubs of 10 or over, a discount of 20 per cent. Address,
