ALL THE NEWS OF THE PAST  
 seven days is given in the weekly  
 edition of the World (Wednesday's),  
 which contains, in addition to the  
 news, many special features prepared  
 expressly for it. The Grange depart-  
 ment gives each week the latest news  
 of the order and of the Patrons. The  
 agricultural department presents the  
 latest experiments and experiences of  
 practical culturists, full reports of the  
 Farmers' Club of the American Insti-  
 tute, letters from practical farmers,  
 and interesting discussions of profit-  
 able farming. The page for the family  
 furnishes interest and amusement for  
 the fireside during the long winter  
 evenings. Full and trustworthy live  
 stock country produce, and general  
 produce market reports show the state  
 of trade.

 vels during the year, and all the cream  
 of the daily World.

"THE WORLD" AND ITS WORK.  
 Those of our Democratic friends who  
 desire to subscribe for a New York  
 Paper will find none that equals The  
 World in ability, or that so fearlessly  
 and eloquently advocates Democratic  
 principles. In the news from all parts  
 of the world, it is complete, and its  
 editorials on all subjects are vigorous  
 and logical. To the farmer it is un-  
 valuable: teaches him many things  
 that tend to promote his best interests  
 which he sorely needs his eyes opened  
 to. The World is now doing a great  
 work in behalf of the Democratic party,  
 and should be fully sustained.—[Hing-  
 hamton Leader.

A THOROUGH NEWSPAPER.  
 The World, in point of ability, en-  
 terprise and influence, stands at the  
 head of the Democratic press in this  
 country.—[Manchester Union.
