MANHOOD! HOW LOST—HOW RESTORED!

JUST PUBLISHED, a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure (without medicine) of SPERMATORRHEA or Seminal Weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage, etc., also CONSUMPTION, EPILEPSY and FITS, induced by self-indulgence or sexual extravagance, &c.

Price, in a sealed envelope, only six cents.

The celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

This lecture should be in the hands of every youth and every man in the land.

Sent under a seal, in a plain envelope, to any address, post-paid, on receipt of six cents or two post stamps. Address the Publishers, F. BRUGMAN & SON, 41 Ann St., New York; Post Office Box, 4536.
