OUR COUNTRY

WHAT WILL BECOME OF IT?

IS A QUESTION NOW AGITATING the public mind. The grave issues before Congress; the final settlement of the late Presidential election; the incoming Congress; the new President; the Policy of the next Administration; and future welfare of the country and people, are matters of great interest to each and every individual. Such a crisis has not been presented since the Declaration of Independence. A truthful history of events and doings of Congress will be given with impartiality and fairness in

The Cincinnati Enquirer

a public spirited paper echoing the wishes of the people, advocating submission to the Laws, and Government, and the Rights of the People to be heard upon all matters that pertain to the country's welfare.

The tricky politicians, always ready to organize trouble, but who never participate in danger, will be shown up in their true characters. By subscribing for the Enquirer, you will get a faithful record of events as they transpire, without party coloring and unbiased by party feelings, as the treatment in a newspaper is its ability and willingness to give the

and not as it is prepared by party demagogues to mislead the people. Specimen copies sent free.

MEDICAL.

HAIR RENEWER

This standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M. D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Price, One Dollar.

Buckingham's Dye FOR THE WHISKERS.

This elegant preparation may be relied on to change the color of the beard from gray or any other undesirable shade, to brown or black, at discretion. It is easily applied, being in one preparation, and quickly and effectually produces a permanent color, which will neither rub nor wash off.

Manufactured by R. P. HALL & CO., NASHUA, N. H.

Sold by all Druggists, and Dealers in Medicines.

Ayer's Sarsaparilla

Is widely known as one of the most effective remedies ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation, based on its intrinsic virtues, and sustained by its remarkable cures.

So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitic contamination, Impurities or diseases that have lurked in the system for years soon yield to this powerful antidote, and disappear.

Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blisters, Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus, Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weakness, Debility, and Leucorrhoea, when they are manifestations of the scrofulous poisons.

It is an excellent restorer of health and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even when no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping-Cough, and Consumption.

Among the great discoveries of modern science, few are of more real value than this effectual remedy for all diseases of the Throat and Lungs. It is a national preparation, and its virtues, throughout this and other countries, has shown that it does surely and effectually control them. The testimony of our best citizens, of all classes, establishes the fact, that CHERRY PECTORAL will and does relieve and cure the afflicting disorders of the Throat and Lungs beyond any other medicine. The most dangerous affections of the Lungs, such as Consumption, and cases of Consumption, cured by this preparation, are publicly known, so remarkable as hardly to be believed, were they not proven beyond dispute. As a remedy it is safe, and on which the public may rely for full protection. By curing Coughs, the forerunners of more serious disease, it saves unnumbered lives, and an amount of suffering not to be computed. It challenges trial, and convinces the most sceptical. Every family should keep it on hand as a protection against the early and unperceived attacks of Pulmonary Affections, which are easily met at first, but which become incurable, and too often fatal, if neglected. Tender lungs need this defence; for, by its timely use, multitudes are rescued from premature graves, and saved to the love and affection centerd on them. It acts speedily and surely, saving ordinary colds, securing sound and health-restoring sleep. No one will suffer troublesome Influenza and painful Bronchitis, when they know how easily they can be cured.

Originally the product of long, laborious, and successful chemical investigation, no cost or toll is spared in making every bottle in the strictest possible perfection. It may be confidently relied upon as possessing all the virtues it has ever exhibited, and capable of producing cures as memorable as the greatest it has ever effected.
