TUTT'S PILLS

A Noted Divine says

They are worth their weight in gold.

READ WHAT HE SAYS:

Dr. TUTT—Dear Sir: For ten years I have been a martyr to Dyspepsia, Constipation, and Piles. Last spring your pills were recommended to me; I used them (not with little faith). I am now a well man, have good appetite, digestion perfect, regular stool, piles gone, and I have gained forty pounds solid flesh. They are worth their weight in gold.

Rev. R. L. SIMPSON, Louisville, Ky.

Dr. TUTT has been engaged in the practice of medicine thirty years, and for a long time was Demonstrator of anatomy in the Medical College of Georgia. Hence persons using his Pills have the guarantee that they are prepared on scientific principles, and are free from all quackery.

He has succeeded in combining in these pills the most valuable qualities of *Stramonium, Opium, and other purgative* ingredients.

Their first apparent effect is to increase the appetite by causing the food to properly assimilate. This system is nourished, and by their action on the digestive organs, regular and healthy evacuations are produced. The rapidity with which persons take on flesh, while under the influence of these pills, of itself indicates their adaptability to nervous debility, anorexia, dyspepsia, wasting of the muscles, sluggishness of the liver, chronic constipation, and impeding health and strength to the system. Sold everywhere. Office, 35 Murray Street, New York.

THE OINOINATI WEEKLY STAR,

A Fine Eight-Page Paper, with 48 full columns, costs only \$1.00 per year (five pay copies), and is the largest, best, and most popular paper published for the month. It is independent in politics, gives all the news, and besides much other good reading, every number has three or four excellent original or selected stories. Every subscriber also receives a copy of the beautiful engraving, "The Poor the Poor Man's Friend." To any person desiring to get up a club, we will send a sample copy of the paper and a canvasser's outfit for 25 cents. Specimen copy of paper free. Send for one before subscribing for any other.

To the Star, though in no sense a party paper, has always been a vigorous advocate of the rights of all the States, and was among the first to urge the justice of local government in the South.

Persons to whom we have already sent the paper, "The Poor the Poor Man's Friend," by saying so on their card, we will send a specimen copy of the paper and a canvasser's outfit for 25 cents. Specimen copy of paper free. Send for one before subscribing for any other.

TRIUMPH OF SCIENCE?

Gray Hair can be changed to a glossy black by a single application of Dr. TUTT'S Hair Dye. It acts like magic, and is warranted as harmless as water. Price \$1.00. Office 35 Murray St., N. Y.

WHAT IS QUEEN'S DELIGHT?

It is a plant that grows in the South, and is especially adapted to the cure of diseases of that climate. It is

NATURE'S OWN REMEDY,

Entering at once into the blood, expelling all acridities, syphilitic, and rheumatic affections. Alone, it is a searching alternative, but when combined with Sarsaparilla, Yellow Dock, and other herbs, it forms

Dr. Tuttle's Sarsaparilla and Queen's Delight,

The most powerful blood purifier known to medical science for the cure of all diseases of the blood, such as discharges from the ears and nostrils, abscesses, skin diseases, dropsy, kidney complaint, evil effects of secret practices, disordered liver and spleen. Its use strengthens the nervous system, imparts a fair complexion, and builds up the body with

HEALTHY, SOLID FLESH.

As an antidote to syphilitic poison it is strongly recommended. Hundreds of cases of the worst type have been radically cured by it. Being purely vegetable in its nature, it does no harm. The best time to take it is during the summer and fall; and instead of debility, headache, fever and ague, you will enjoy robust health. Sold by all druggists. Price, \$1.00. Office, 35 Murray Street, New York.
