New Goods! New Goods!
THE NEW BACK STORE
PINEVILLE, LA.

B. TURNER
Has removed into his NEW BRICK STORE, near the Ferry landing, where he has opened the largest and best selected stock of goods ever brought to that place. His stock of Boys' Youths' and Gents' READY MADE CLOTHING, was bought direct from the manufacturer, New York City, and is the largest he has ever received, is complete in every respect, and to which he calls special attention. His stock of

DRY GOODS
FANCY GOODS & NOTIONS, many of which will especially please the Ladies, was selected with great care, as was also his large stock of **BOOTS AND SHOES**, **HARDWARE, CROCKERY, GROCERIES, MEDICINES, ETC.** Etc. all of which he is offering at extraordinary low prices for Cash or Cotton. He studies to please! His efforts in the past are the best evidence of the truth of this assertion; and he takes this occasion to return his thanks to the citizens of Rapides and adjoining parishes for the patronage so liberally bestowed upon him in the past, and solicits a continuance of the same. Oct. 13-6m.

HELP YOURSELVES BY MAKING money when a golden chance is offered, thereby always keeping poverty from your door. Those who always take advantage of the good chances for making money that are offered generally become wealthy, while those who do not improve such chances remain in poverty. We want many men, women, boys and girls to work for us right in their own localities. The business will pay more than ten times ordinary wages. We furnish an expensive outfit, and all that is needed, free. No one who engages fails to make money rapidly. You can devote your whole time to the work, or only your spare moments. Full information and all that is needed sent free. Address SPINSON & CO., Portland, Me.

DR. M. A. SIMMONS' LIVER MEDICINE
CURES INDIGESTION, BILIOUSNESS, COLEMAN'S COLIC, VEGETABLE LIVER MEDICINE

Has more cordials of cures made than any medicine in the world, among which are the following: "I am a grateful beneficiary of your valuable medicine," H. Kavanagh, D.D., Bishop of the M. E. Church, South; M. A. SIMMONS, M.D.; I received a package of your Liver Medicine, and used half of it; it works like a charm. I want no better Liver Regulator, and certainly no more of Zöllner's medicine. I. H. Graves, Memphis, Tenn.; Hon. Ex-Gov. and Ex-U. S. Senator A. G. Brown, says: My wife had for months suffered, and had been treated by the most eminent physicians in Philadelphia, Baltimore, Washington City, Louisville, etc., without obtaining relief. Finally, so one recommended the use of your Liver Medicine. We tried it, and in a few days our health was most improved. And days and years past, the patient enjoys more perfect health than at any former period of her life. For diseases of the Liver, I would risk your medicine rather than the skill of the most eminent medical faculty combined. Very truly, your obedient servant, A. G. BROWN, etc.

It is put up in 25-cent and \$1.00 bottles and packages. Prepared only by SIMMONS & CO., 209 & 211 Canal St., St. Louis, Mo., successors to M. A. Simmons, M.D. For sale by all druggists.

For Sale by Henry St. John

L. B. BAYNARD, SPOOL COTTON.
ESTABLISHED 1812.

CLARK'S SPPOOL COTTON.
TRADE MARK
The distinctive features of this spool cotton are that it is made from the very finest **SEA ISLAND COTTON.** It is finished soft as the cotton from which it is made; it has no waxing or artificial finish to deceive the eye; it is the strongest, smoothest and most elastic sewing thread in the market; for machine sewing it has no equal; it is wound on **WHITE SPOOLS** THE BLACK IS THE MOST PERFECT **JET BLACK** ever produced in spool cotton, being dyed by a system patented by our selves, and dyed by the

NEW ANILINE PROCESS, rendering them so perfect and brilliant that dressmakers everywhere use them in stead of sewing silks. A Gold Medal was awarded this spool cotton at Paris, 1878, for "great strength" and "general excellence," being the highest award for spool cotton. We invite comparison and respectfully ask ladies to give it a fair trial and convince themselves of its superiority over all others. To be had at wholesale and retail at JOHN A. WILLIAMS & CO. and WM. HUSTMYRE, and at retail at J. ROSENTHAL'S and others.

DR. W. A. THOMPSON, 211 Canal Street, NEW ORLEANS.

Piles, Fistula and Fissure. Cured without the use of the KNIFE, LIGATURE or CAUSTIC, free from pain, danger or loss of time from business.

These Diseases Receive Special Attention and Cures Guaranteed.

EPILEPSY OR FITS TREATED with wonderful success, as all cases are carefully examined, and none taken but those offering good prospects of curing. Impotency, Spermatorrhea and Sexual Debility, treated by medicine alone, has heretofore proved useless and even injurious. "They do no good," is the universal testimony of all honest physicians. Thousands have "doctored" for these complaints, and have thrown away their money and their constitutions together, but the Doctor combines medical treatment with electricity, the electricity being generated by a simple electrical apparatus that any one can use, and by these means insures success. Constipation, the bane of so many lives and the most prolific source of ill-health, cured by a simple method, with little or no medicine. Diseases of women treated by electricity, without pain or exposure. Stricture of the Urethra and Rectum cured without a surgical operation and without pain; Tape Worm, Diseases of the Kidneys, Bladder, Private Diseases, Rheumatism, Neuralgia, Nervous and Sick Headache, Asthma, Weak, Painful and Sore Eyes, without a surgical operation; Deafness, Noise in the Ears, all Skin Diseases, Scrofula, Tumors, Loss of Voice, etc., successfully treated by improved remedies. Letters of inquiry must be accompanied with stamp for reply. N. B.—No names made public without the written consent of the parties. The following persons may be referred to:
