No MORE HARD TIMES.—If you will stop spending so much on fine clothes, rich food and style, buy good healthy food, cheaper and better clothing, get more real and substantial things of life every way, and especially stop the foolish habit of employing expensive, quick doctor or using so much of the vile humbug medicine that does you only harm, and put your trust in that simple, pure remedy, Hop Bitters, that cures always at a trifling cost, you will see good times and have good health.—Chronicle.

—It is this issue will be found two important business notices signed by Mr. Julius Levin and Mr. Mires Rosenthal. The former, who has been in the grocery business for a number of years announces the fact that he has sold his entire stock to the latter named gentleman, who has been his manager for a long period. He in return states that he will continue in the same business, that of keeping a first-class family grocery, and expects by close attention to business, together with a desire to please his customers, to enjoy a continuance of past favors extended to Mr. Levin. He will be assisted by his brother, Moses Rosenthal, who is well known in this community. Mr. Levin's office, for the transaction of his lumber business, as of old, will be in the rear of the store. For the business success of the above named gentlemen, the Democrat offers its best wishes.

RIVER, WEATHER AND BOATS.

The weather for the past week has been charming. Some of the oldest inhabitants do not remember ever to have experienced such a mild winter as the one through which we are now passing. Everybody after enjoying the holidays to their heart's content have gone again to work, and business on Monday in commercial circles showed considerable signs of activity.

The Jesse K. Bell last trip did not come down before Thursday night, having been delayed on the rocks at the Upper Falls. She left here Friday morning, almost too late to return on Saturday.

The Silver City, Capt. Woods' darling, was also detained in the same way, at the above mentioned place. She passed down at 3 1/2 o'clock in the evening of Friday.

The big carrier, Yazoo Valley, advertised to leave New Orleans on Wednesday did not leave, but came out on Thursday morning.

The Kate Kinney arrived here on Monday in place of the John D. Scully, which steamer was discovered on Friday, previous to her departure, to have a broken shaft.

The Jesse K. Bell did not reach the City until Saturday night; she left however, early Sunday and went up by here Monday night. She will pass down by here sometime to-morrow. Look out for her!

The Steamer Jewel passed up and the Danube down on Saturday night. Since our last the river has gone down again—a slight fall only.

At Shreveport on the 29th, there was a rise of one inch in 24 hours. The officers of the Cornie Brandon, which steamer runs between Fulton and Shreveport, report the river falling fast at Fulton.

Rates of freight—Cotton down, \$1.50 per bale; cabin passage to New Orleans ten dollars.
