—By resolution of the Pangnastic Club at last meeting, it was decided to have no more meetings until first Wednesday in October.

—MR. E. G. Hunter and family returned from Big Creek on Wednesday last, at which place they had been spending the dull months of the summer.

—We are pleased to note that our young friend, Thos. Murphy, is now doing the honors at the grocery establishment of which Mr. Gus Gebr is the manager.

—UNCLE Wm. Wale, as he is familiarly known, has now charge of the prescription department of the Phoenix Drug Store, E. J. Sullivan, proprietor. He took charge on the 1st of September.

—OUR attention has been called to the miserable condition of the road bridge near Warshawer's store, on the Bayou Rapides road. The Police Jury should have attended to this at their last meeting.

—Miss Inez Rushing has gone to Fairmount to take charge of a school at that place. She is a most competent instructress, and the people there have cause to be congratulated in securing her services.

—Show me a live, intelligent and progressive people and I will show you a people who stand by their home newspapers. Show me a seedy town full of laggards and slugs, and I will show you an editor starving to death. —Gen. Rice.

—OUR people here need fear no danger from the yellow fever this season. Our New Orleans exchanges tell us that that dread disease has made its appearance in Biloxi, but in a very mild form. It is almost too late in the season to do us harm.

JUST WHAT THEY ALL SAY.—Hon. D. D. Haynie, of Salem, Ill., says he uses Dr. Bosanko's Cough and Lung Syrup in his family with the most satisfactory results, in all cases of coughs, colds and croup, and recommends it in particular for the little ones. Sample bottle free at the Eagle Drug Store.

—We are pleased to chronicle the fact that Mr. A. Heyman, who has been for the past few weeks confined to his bed, is gradually convalescing and in a very short while will be himself again. He is now attended by Drs. Casson and Gordon, two of our best physicians. The disease or trouble which has caused his confinement is a carbuncle on his back.

—At their meeting last week the Police Jury passed the following resolution: Whereas the assessment of the property of Rapides Parish for the year 1886 aggregates \$2,464,046.00, therefore be it resolved, that the parish tax for the year 1886 be and is hereby fixed at ten mills on the dollar divided as follows: Bridge, 2 1/2 mills; School, 1 mill; General Fund, 6 mills; Schmalinski judgment, 1/2 mill.

—BUCKSKIN SAM, with whom all the boys are acquaint, informed this veracious reporter on Monday last, that he felt a slight shock of that much talked of Charleston earthquake at his salon in the pine woods. "Coming from the Black Hills, as I do," said he, "such little things do not disturb me." At this juncture our reporter pocketed his pencil and moved on. And Sam was in earnest.

—AMONG the visitors to our town this week we noticed Mr. L. Chopin, of Chopin Station, La., who was here canvassing in the interest of that great remedy, "Normand's Balm." Its merits are too well known to need recommendation. For cuts, bruises, sprains, sores and wounds of every description it has no equal. It is also a great remedy for piles. This celebrated medicine can be had at the drug house of L. B. Baynard.

—JACKSON Smith and Wm. McDaniel, both white men, charged with the burning of Robt. Johnson's house, in the pine woods, near Hineston, on August 18th; were given a preliminary examination here before Judge Blackman, on Wednesday last. McDaniel was discharged, and was rearrested, charged with perjury as a witness. Both were allowed bail, McDaniel in the sum of \$200 and Jackson Smith in \$250.

Ten little Indians standing in a line. One drank Iron Bitters—then there were nine.

It was illiterate that occasioned the poor little savage's mortal mistake—the taking Iron "Bitters" instead of Brown's Iron Tonic, the finest of medicines. But if any one, after reading this, suffering with a torpid liver, sick headache, malaria, rheumatism, or general debility, makes the same mortal mistake, and dies—he deserves his fate. For sale by Jacob Geiger, Eagle Drug Store.

—In Pineville, on Saturday afternoon, Valentine Goiree stabbed and wounded Valsin Crooks. Both were drinking at the time, and the dispute which arose between the two and caused the difficulty, we learn, was concerning house rent. The weapon used was a pocket knife, and the wound was inflicted in the back, a little above the left hip. Ward Constable Chas. Dozier arrested Goiree and brought him over to this place and placed him in jail. In justice to both we will say that they have previously borne good reputations and were regarded good citizens of the town in which they lived.

—MR. T. C. Moore, of Bremond, Texas, came to Alexandria last week and remained two or three days, expecting to meet Col. Crane, who is to build the extension railroad from Nat. chez to this place, to confer with him as to the practicability and importance of a still further extension of the same road to Bremond. Mr. Moore is a representative of the latter named Town, and would, had he met and conversed with Col. Crane, impressed him with the necessity of said project. As it was he was compelled to leave without accomplishing anything. Let the Colonel come here as has promised and perhaps, Mr. Moore will again visit us.

BASE BALL.—The game on Sunday afternoon between the "Democrats" and the "Leagues," or Scrubs, as they are called, for a purse of \$15, was interesting, and proved in the whole a hotly contested battle. Heavy batting on the part of the former nine is what really won the game—and another important part which told was the loose fielding of the latter Club. Another game between the same nines will very probably take place on Sunday next. Below we give the score: 1 2 3 4 5 6 7 8 9

Democrats . . . 4 1 6 1 0 2 1 5 2 20 Leagues . . . 0 3 1 2 0 6 1 3 0 16

The game was umpired by Mr. Jno. Grogan.

The batteries were Wm. Irving and Cayard for the Democrats, and Robt. Irving and Dunenberg on the part of the Leagues.

THE "MONROE SENSATION."

In the last issue of the Town Talk we find the following explanation by Rev. H. C. Duncan, which we republish with pleasure: EDITOR TOWN TALK—The LOUISIANA DEMOCRAT of Wednesday gives currency to a serious accusation against me, and I deem it due to my friends to ask that you insert this public explanation.

The "Monroe Sensation" was briefly a personal difficulty between the Rector of Grace Church, of that place, and a Mr. Lewis D. Allen, Jr. To the settlement of same I was called in my official capacity as a priest, for all of the parties to the difficulty were personally unknown to me. In the adjustment of the trouble Mr. Allen stated to me, and expressed his regret, that the objectionable phrases that Mr. DeMatos had used. The offence was admitted and no objection made to the re-buke other than as specified. I mention this that the public may know that the months of the parties interested were sealed by the agreement solely in respect to the objectionable phrases, and this is by no means the request but actually on the insistence of Mr. Allen, and of this there is documentary proof. By the unanimous advice of all Mr. DeMatos very frankly admitted his fault and was man enough to publicly confess it, retracing his language and expressing his regret, stating that it was thoughtlessly used and would not have been under any circumstances advisedly used. This Mr. Allen accepted, and the matter in controversy was settled. The next day I wrote a letter to Mr. DeMatos which I thought he ought to have, and of which I was thanked by a gentleman whom Mr. Allen called in my presence "the best friend he had in Monroe." This letter expressly excluded the matter, and the only matter, that had been under negotiation. Since that date there has arisen against Mr. DeMatos a sort of persecution, a newspaper persecution of a Minister.

In the course of this Mr. Allen has published the statement that I have "contradicted" myself. In the Ouachita Telegraph of next Saturday, Sept. 4th, will appear the following communication, which I am concerned, and which I hope will be satisfactory to my friends. For the sake of their good opinion and no other I have published it. HERMAN C. DUNCAN. ALEXANDRIA, LA., Aug. 30, 1886.

Editor Ouachita Telegraph—In a recent issue of your paper appeared a card from Lewis D. Allen, Jr., in which he asserts that I have "contradicted" myself. I have demanded from Mr. Allen the only reparation he could give me for this irreparable injury and he has refused it. It only remains for me to ask the public, so far as I can reach them, to mark the distinction between an affront and the manner in which such affront is resented. Disapproval of both is not self contradictory. The assertion that I have said anything that contradicts my letter of August 13th, is false and slanderous. HERMAN C. DUNCAN. ALEXANDRIA, LA., Aug. 30, 1886.

BOYCE, LA., Sept. 4, '86.

Editor Democrat—

Will you allow me a small space in your columns to do a simple act of justice to a true and honorable gentleman? I never, for a moment, thought Judge Thornton would connive at using my name in an improper manner. The mistake was a very natural one, on the part of the Secretary, Mr. James Andrews, in supposing that because I telegraphed Judge Thornton my views as to the best manner of settling our differences, I authorized him to act as my proxy. It was unnecessary for Judge Thornton to disclaim, to set himself right with me, as I know him to be too high-minded and honorable to act in any other way than as a gentleman. Judge Thornton had already written to me that he had refused to act as my proxy, having no authority, such having been suggested to him. R. L. LUCKETT.

ANGER.—A neglected cough or cold may lead to pneumonia, consumption or other fatal disease. Strong's Pectoral Pills will cure a cold as by magic. Best thing for dyspepsia, indigestion, sick headache as thousands testify.

Cure for Piles.

PILES are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blood, Bleeding and Itching Piles, yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure. Price 50 cents. Address The Dr. Bosanko Medicine Co., Piqua, O. Sold by Jacob Geiger.

—The removal of the Court-house from Marksville to a point on the bayou, is, says our contemporary there, the all absorbing topic. Our neighbor regrets to see that the spirit of rivalry is tending to prevail beyond the bounds of reason. This should not be, and if men on either side of the question show a disposition to excite and create a feeling other than that of honorable, generous rivalry they should be brought back to their senses by the masses.

—CONCERNING the recently appointed Minister to Mexico, the Washington Capitalist says: "Judge Thomas Courtland Manning is the handsomest man in Louisiana. He is tall, has admirable address and charming manners. He is learned in the law, both common and civil, and best of all understands the Spanish language, the Spanish character, Mexico and Mexican affairs."

Died: In Bastrop, La., on Wednesday, August 20th, 1886, AMABEL, infant daughter of Mr. and Mrs. Dan Hiller, of Alexandria.

A TOUR OF INSPECTION. I chanced to be in New Orleans a few days since, and took occasion to visit some of the large establishments while there;—the most extensive and thoroughly conducted of all that I went through was the "RED STAR," corner of Canal and Exchange Streets, of which Mr. Arthur Durieu, one of those clever pushing men you meet so rarely now-a-days, is the proprietor. This mammoth establishment is, really a sight, and I made note after note, as you see me in this picture, I had a sack of them under my arm. There are more handsome shoes for men, boys, ladies and children than you ever dreamed of, and the beauty is everything in it of the best stock and away down in price. I think I saw there over 100,000 straw hats which they are selling from 10c up. They showed me numerous orders from the country. Persons desiring a hat just send them the size, age of person and price they wish to pay, and the Red Star sends them the best goods that can be had for the money. They also carry an immense stock of Trunks, Valises, Umbrellas, and Parasols. This is the most pushing and reliable house in its line in the city, and I would advise my friends to try them. OUR SPECIAL CORRESPONDENT.

MOTHER'S FRIEND.

Not only shortens the time of labor and lessens the intensity of pain, but it greatly diminishes the danger to life of both mother and child and leaves the mother in a condition highly favorable to speedy recovery, and far less liable to Flooding, Convulsions, and other alarming symptoms incident to slow or painful labor. Its wonderful efficacy in this respect entitles it to be called THE MOTHER'S FRIEND, and to be ranked as one of the life-saving remedies of the nineteenth century. From the nature of the case, it will of course be understood that we cannot publish certificates concerning this remedy without wounding the delicacy of the writers. Yet we have hundreds of such testimonials on file.
