

The Best Medicine.

J. O. WILSON, Contractor and Builder, Sulphur Springs, Texas, thus speaks of Ayer's Pills:

"Ayer's Pills are the best medicine I ever tried; and, in my judgment, no better general remedy could be devised. I have used them in my family and recommended them to my friends and employes for more than twenty years. To my certain knowledge, many cases of the following complaints have been completely and

Permanently Cured

by the use of Ayer's Pills alone: Third day chills, dumb ague, bilious fever, sick headache, rheumatism, flux, dyspepsia, constipation, and hard colds. I know that a moderate use of Ayer's Pills, continued for a few days or weeks, as the nature of the complaint required, would be found an absolute cure for the disorders I have named above."

"I have been selling medicine for eight years, and I can safely say that Ayer's Pills give better satisfaction than any other Pill I ever sold."-J. J. Perry, Spottsylvania C. H., Va.

BOYCE, LA., Nov. 22, 1895. Mr. Editor:-If the Senatorial contest narrows down to Hon. N. C. Blanchard, who is a silverite and Hon. Andrew Price, who is a gold bug, which unquestionably will be the case, since they are the two candidates that the battle will be fought over, who will Mr. Miller and the other anti Blanchard candidates vote for if elected? They certainly would not stultify themselves and make the parish of Rapides the laughing stock of the State by voting blank? If they say others may be in the race, I, a silver man, will say to them now, that Rapides does not want her votes thrown to a candidate who has not a ghost of a showing, and thereby jeopardize the cause of silver. Yours Truly, SILVERITE.

ALEXANDRIA, LA., Nov. 23, 1895.

EDITOR DEMOCRAT-Dear Sir: - In all probability. the next Legislature will be called upon to vote upon an amendment to the constitution of the State proposing the changing of the capitol of the State. If so, Alexandria on account of her geographical position and her many other advantages, will stand a good chance to have it brought here.

Of course, there will be a big fight for it. Baton Rouge will endeavor to keep it and New Orleans will try and get it and with Alexandria in the field, things will be warm.

Now, Mr. Editor, I am not much of a politician, but I love my town and would like to see her prosper ous and the second, if not the first city in the State and it is this interest that prompts me to ask you to give this space in your valuable paper. In order to accomplish any thing, should steps be taken to remove the capitol, it will be necessary to have men in the House and Senate, who will be able to advocate our claims and take care of our interest.

We want men of learning, abiliity and energy, men who will be able to give weight to their cause. It behooves the people of Rapides to see to it that they select members of the House and a member of the Senate, who will be an honor to them and who are ea pacita ted to guard and protect their interest. I trust they will not per-

mit their prejudices and feelings to get the better of their judgment. Give us by all means Mr. Juo. C. Ryan from Alexandria for the Senate and we know her interest will be safely guarded and pro-Yours Truly, tected.

Miss Carrie Shaw left last Sonlay, accompanied by her uncle "Bud" Williams, for Hineston, where she will remain several days as the gnest of her grand mother, Mrs. Williams.

Quite a number of persons, both old and Joung, attended the barbeene at this place last Saturday.

Among those from a distance, I noticed the following candidates:

J. W. Hickman, J. R. Moore, Geo. Watts, E. G. Hunter, W. F. Blackman, J. F. Arisil, T. S. Smith Wm. Polk, J. D. Phillips, and B. F. Phillips. Right here I wish to state to the boys that they can't all "got there." But I would be very much pleased to see the ones fitted for the offices elected.

Prof. Osborn, Alexaudria, will open school at Bismark, next Monday. I trust he will please the patrons and teach a good school.

I must not forget to mention that my friend, Mr. B. H. Lyons, is the man in the right place, as he is a true Democrat in every respect. He has so far as I have been able to learn, and I have known him ten years, been a man of truth and bears a good moral character and is well competent to fill the official daties of the office he is seeking. He is no gold bug, as has been reported by some one the play selected for the opening who was wrongly informed. But is for the people, and if elected, I'il insure you he will "stick up to you through thick and thin." If I should be permitted to use such a quotation, now boys go to the ballot box and cast your vote for Mr. Lyons and let the Hills be represented once more before 1900.
