PRESERVE THE TEETH.

Far better is it to cure the Toothache in minute, by using Wheeler's Teaberry Tooth Wash, than to suffer the aching...

To show the length of time for which this article has been patronized by the public, the following copy-right is published:

Eastern District of Pennsylvania, to wit: Be it remembered, That on the second day of February, Anno Domini, one thousand eight hundred and forty-two,

W. WHEELER, of the said District, hath deposited in this Office the Title of a Book, the title of which is in the words following, to wit:

TEABERRY TOOTH WASH. The right whereof he claims as Proprietor, in conformity with an Act of Congress, entitled "An Act to amend the several Acts respecting Copy Rights."

FRASER HOPKINSON, Clerk of U. S. Dist. Court. 1842, Feb. 2d, Copy deposited.

CHAS. F. HEAZLETT.

Certificates of Magistrates of the City of Philadelphia.

Having made use of your much celebrated Teaberry Tooth Wash, I feel convinced that it is the best article I have ever known, and hereby warmly recommend its use to the public in general as a pleasant and efficacious article for preserving the Teeth and Gums.

ROBERT E. JOHNSTON.

For a number of years my Teeth and Gums were so much out of order as to prevent me from eating with pleasure, and caused me much pain. Having heard of Wheeler's Teaberry Tooth Wash, I do hereby certify that I tried one small bottle of it, and in less than two weeks my Teeth and Gums were sound and good. I believe that the use of it would be an advantage to many others.

J. BRAZER.

Certificates of Members of the Philadelphia Bar.

Having used Wheeler's Teaberry Tooth Wash and powder, I have found them to possess cleansing and purifying properties, and while they whiten and beautify the Teeth, they have a beneficial effect upon the gums, by imparting to them free and healthful action.

F. A. RAYNOLD.

I have used Wheeler's Teaberry Tooth Wash, and its effects upon my Teeth and Gums have given to me a high opinion of its merits. I cheerfully recommend it to the general use.

H. R. KNEASS.

My daughter has used Wheeler's Teaberry Tooth Wash and powder, and has found its effects to be cleansing and purification of the gums, and a sweetening of the mouth. I have no hesitation in recommending it to the most beneficial preparation for the teeth I have ever seen.

JULIANA CUTHRAL.

Owing to having taken cold, but mostly in consequence of the acid of a paint used in coloring prints, my teeth became very much injured, giving excruciating pain at intervals, for between two and three years. Wheeler's Teaberry Tooth Wash was used, and has entirely cured them, which, in certificate form, I send, that those who wish a perfect remedy for painful teeth, and also desire a pleasant Tooth Wash, may with confidence try Wheeler's Teaberry Tooth Wash.

MARY A. TAYLOR.

Wheeler's Teaberry Tooth Wash having removed scurf and cured soreness of the gums, which had troubled me for two years, it is my belief that it is a highly useful article, and that it is advisable to those who suffer with the teeth and gums to make use of it.

MARY SULLIVAN.

Your Teaberry Tooth Wash cured the tooth ache and also soreness of the gums in my family, and I send you this certificate that those who suffer with tooth ache or soreness of the gums may know that it is a remedy for them, and a very pleasant Tooth Wash.

FRA'S. PREVOST.

W. Wheeler.

Wheeler's Teaberry Tooth Wash having cured soreness of the gums, and effectually stopped bleeding of the gums, I deem it a debt of gratitude for the relief which it afforded me, and a duty owed to my fellow beings, to say that it is my firm conviction, that those who try Wheeler's Teaberry Tooth Wash, for the teeth and gums, will find that it is an important article.

THOMAS J. McCURDY.

From much severe suffering of myself, and others of my family, with decayed Teeth and sore Gums, and the many respectable testimonials highly in favor of Wheeler's Teaberry Tooth Wash, I was induced to give it a trial, after which my family used it, and I rejoice to say that it did perform a thorough and effectual cure for all, and is the best article that I ever knew of. I would recommend its use to those who may be suffering.

JESSE MOORE.

W. Wheeler.

Many more testimonials are existing approving of "Wheeler's Teaberry Tooth Wash."

HARPER'S CELEBRATED RAZOR POWDER,

WARRANTED To give a keen sharp edge to a Razor or any fine instrument.

In one minute, or the Money returned CERTIFICATES.

Washington City, D. C. It is very seldom that I have ever recommended any new invention, because I know that recommendations are so frequent and easily obtained, that they are in general of little value. But I consider it nothing more than an act of justice to the inventor to bear testimony to the good qualities of Harper's Metallic Compound for sharpening Razors, and to say it is the very best material for the purpose that has come to my notice. I have made a fair trial of it, and have never found any thing equal to it for giving a keen edge to a Razor.

J. L. EDWARDS.

Washington City, D. C., January 24, 1846.

I have for the past two years sold Harper's Metallic Powder, and here, in every instance, it has given the utmost satisfaction. I consider it the very best article in use for giving a fine keen edge to a Razor.
