The Weekly Christian World;

An Independent, Comprehensive, and Impartial Newspaper, designed for a useful circulation among all Friends of Christian Union, Christian Benevolence, and Christian Literature.

Published every Thursday, at the Reading-Room of the Christian Association, over the Bookstore of Mr. James Harwood, Fourth street, between Market and Arch streets, Philadelphia.

Price: Two Dollars a year—invariably in advance.

T. H. STOCKTON, } Editors,
J. G. WILSON, }
T. H. STOCKTON, }
W. S. STOCKTON, } General Agent.

To persons who are acquainted with the character and objects of the Christian World, as they have been developed during the last six years, it is only necessary to say, that, as soon as one hundred paying subscribers are secured, the paper will be put to press regularly. The Old Subscription List ought to supply this number at once.

To other persons, it is proper to remark, that the Christian World, in print, is intended to reflect the Christian World, in action—in a word, to dignify its name, and then, for purposes of common advantage, to compare the organized and operative Religion of the age with the Religion of the Bible.

The enlarged literary and business agencies of the Establishment, are deemed simply sufficient to assure the public of successful management. Its immediate connection with the Christian Association—an Institution which is to be furnished with many of the principal organs of the Church and State, both in Europe and America,—will give its conductors early access to invaluable sources of universal intelligence.

FACTORS REQUESTED.

1. On receipt of this prospectus, let the Old Subscribers, at every Post Office, appoint one of their number, or some other suitable person, an Agent. Let him send us, at once, as many names and as much money as possible. In cases where substantial agents make themselves responsible for their subscribers, this responsibility will be regarded as equivalent to payment in advance—provided they settle their accounts within six months. Even in such cases, however, immediate payments are decidedly preferable; and, to encourage them, the commissions to agents are arranged thus—On cash orders, 25 per cent on deferred remittances; 12 1/2 per cent.

2. As the Prospectus will be widely distributed, let all persons who see it, and feel an interest in it, set promptly in the manner described above. It is thought that a little effort will be sufficient to procure a company, or club, at almost any Post-office in the Union.

The Times increasingly demand just such a publication as is proposed.

Address—W. S. Stockton, General Agent, Philadelphia; Pa.; or either of the associate Editors. All orders will be punctually attended to.

NOTE.—Exchanges will confer a favor by copying, or noticing this Prospectus.

TEAS, TEAS.

Washington, D. C. Agency of the New York CANTON TEA COMPANY.

THE OLDEST TEA ESTABLISHMENT IN AMERICA!

PRINCIPAL ESTABLISHMENT IN NEW YORK.

THE CANTON TEA COMPANY has been regularly known for many years. This is the largest and oldest Tea Establishment in America.

The public have had full proof of their integrity and responsibility. But such has been the great and pressing demand for their TEAS of late, that they have been obliged to enlarge, to a great extent, their two principal establishments in New York, viz:

125 CHATHAM AND 103 GREENWICH STREETS.

They moreover possess facilities, in relation to the Tea Trade, in a very abundant degree, and doubtless, superior to any other Tea Concern in America. Their scrupulous regard to all principles that tend to elevate the character of a large house, is well understood, and has already secured them a connection, probably larger than all other Tea Establishments united, and they consequently are determined to sell Tea purer, more fragrant, and perfect for the price, in the aggregate, than any house in the world—China excepted.

They most zealously invite the attention of the inhabitants of WASHINGTON, D. C., to their Agency, where the following assortments are always on hand; and they feel no hesitation in stating that wherever a single trial is made, a very decided preference is given to the celebrated Teas of the CANTON TEA COMPANY.

Reader, make the experiment! Retail Prices as follows, subject in all cases to be returned if not approved of—

GREENS.

- Good YOUNG HYSON, \$0 50 per lb.

No plus ultra TEAS, both Green and Black, of all descriptions, the highest grades grown in China, \$1 50 per lb.

TAKE NOTICE!—THE CANTON TEA COMPANY are the exclusive vendors of the superior Black Tea called "HOWQUA'S MIXTURE." They introduced it in America in 1840—and every other person or house professing to sell the same at all, much less at a lower price—deceive the unwary, as the public themselves will perceive, by comparing the spurious with the genuine "Howqua," vendued by the Canton Tea Company.

Every package (in addition to its containing FULL WEIGHT, independent of the wrapper,) bears the stamp of neatness and elegance, and the Tea therein are so thoroughly secured from light and air, that their quality and power will remain unimpaired in any climate.
