

SUPPLEMENT TO THE UNION.

WASHINGTON: SATURDAY, MARCH 9, 1856.

PROPOSALS FOR CARRYING THE MAIL IN THE STATES OF MICHIGAN, INDIANA, ILLINOIS, WISCONSIN, IOWA, MISSOURI, AND IN MINNESOTA AND OREGON TERRITORIES.

Extract from the act of Congress of 3d March, 1845, section 18.
And be it further enacted, That it shall be the duty of the Postmaster General, in all future lettings of contracts for the transportation of the mail, to let the same, in every case, to the lowest bidder tendering sufficient guarantee for faithful performance, without other reference to the mode of such transportation than may be necessary to provide for the due delivery, certainty, and security of such transportation; nor shall any such contract hereafter be required to purchase out of the stock of the stock or vehicles of any previous contractor for the same route.

Proposals will be invited to read the forms and instructions appended to this advertisement. They are requested to state, in their proposals, the mode by which they intend to convey the mail. Where the size and weight of the mails, or the special called for in the schedule shall require it, the contract will be made for coach, stagecoach, or railroad conveyance, as the case may be; consequently, such routes, as in other cases, the routes will be assigned to bids proposing the cheapest mode of transportation.
