

Bedford Academy

AND
FEMALE SEMINARY.
REV. JOHN LYON, PRINCIPAL.
W. W. CAMPBELL, A. B.,
Associate Principal.

The first session of the fourth school year of this Institution will open on the first Monday of September, 1854. The postponement has arisen from the desire of the Principal to commence and prosecute the studies of the school year in the most vigorous manner and with the corps of instruction unbroken. Mr. W. W. CAMPBELL, who has been associated as Permanent Assistant in the Academy, cannot be present until the time fixed upon; and the Principal feels that his own health requires the fullest vacation that circumstances will justify.

The present school year opens auspiciously. The Principal looks forward with confidence, under God's favor, to its efficiency and success. With enlarged experience and invigorated health, with the Teacher of his choice, who has already commended himself to the attachment and confidence of this community, and with a corps of students already drilled and animated with some generous enthusiasm for knowledge, he hopes fully to sustain the high estimation in which his fellow-citizens have been pleased to regard this school of learning. The studies of the advanced class will cover a good part of the Junior and Senior Course in our best Colleges. No pains will be spared to develop the intellect and perfect the scholarship of the Juvenile Classes. While memory is cultivated, and accuracy of recitation enforced, where set words are important, it is our guiding principle, that the great object of Education is to teach the young mind how to think, and to express in suitable language what it thinks. We ever keep in view that "the repetition, parrot-like, of the words of the school book, by the pupil, evinces neither his knowledge of the subject nor his power to enunciate it; and much less do the monosyllabic answers to a fixed set of questions."

It practice upon this principle gives the Teacher more labor, it will ensure him a higher reward and the Pupil a thousand-fold more benefit.

During the past year an *Astronomical Apparatus* has been procured, at a cost of \$60.

Separate entrances and separate seats are appropriated to the Male and Female Departments.

It has long been a desideratum with the Principal to introduce a *thorough and scientific study of vocal music* as a part of the Academic Course. It will now take its place by the side of Grammar and Arithmetic as a daily recitation. We hope to wipe off that reproach for Deficiency here which lies so justly against most of the Schools and Academies of England and America. No extra charge for this study will be made during the present school year.

No Pupil received for less than 1 quarter.

Terms per quarter, as usual, to wit:	
CLASSICS,	\$6 25
HIGHER ENGLISH,	5 00
MIDDLE " "	4 50
ELEMENTARY " "	4 00

HUMMEL'S ESSENCE OF COFFEE.

EVERY ONE who has used Hummel's Essence of Coffee, knows that one package will go as far as 4 pounds of the best Java Coffee, and coffee made by this Essence will preserve perfectly the real taste of Java coffee, but will have a more delicate and finer flavor, a finer color, and will certainly be much wholesomer for every person than pure Java Coffee.

Dyspepsia, Jaundice,
Chronic or Nervous Debility, Disease of the Kidneys, and all Diseases arising from a Disordered Liver or Stomach.

Such as Constipation, inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swelling of the Head, Harried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the sight, Fever and Pall in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and Great Depression of Spirits,

CAN BE EFFECTUALLY CURED BY
DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,

Prepared by
DR. C. M. JACKSON,

No. 120 Arch Street, Philadelphia.

Their power over the above diseases is not exceeded, if equalled, by any other preparation in the United States; as the cures attest, in many cases after-skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

READ AND BE CONVINCED.

Strong Testimony in favor of Dr. Hoofland's celebrated GERMAN BITTERS, prepared by Dr. JACKSON, No. 120 Arch Street, Philadelphia; the great remedy for Liver Complaint, Dyspepsia, Nervous Debility, &c.

Hutch & Broomhall, W. Chester, Pa., 1850, said: "The general satisfaction expressed by those who have used Hoofland's German Bitters, is, perhaps unparalleled; some think it worth its weight in gold."

Abel Turrel, Montrose, Pa. Feb. 7, 1852, said: "Your German Bitters have gone off very rapidly. I have sold about half a dozen to a very respectable Baptist Clergyman of my acquaintance, who attributed his restoration to health to the use of these Bitters."

C. E. Lathrop, Tunkhannock, Pa., May 25 1851, said: "Almost any number of certificates can be obtained from some of the best men in this section as to the efficacy of the German Bitters, should it be deemed advisable. It is a medicine that emphatically recommends itself, and in every instance has produced a good result."

A. B. Kaufman, Lancaster, April 30, 1850, said: "I have been for a series of years afflicted with Dyspepsia, Inactivity of the Liver, and Nervous Debility. My mental powers have been so reduced as to render me quite unfit for the transaction of any kind of business. After consulting many eminent physicians, and using their prescriptions, and after using the most popular remedies of the day, supposed to be applicable to my case, I always failed to have a permanent relief. A friend, with much persuasion, induced me to try a bottle of your celebrated Bitters. I have used one bottle, and this day commence the second. I can, with cheerfulness, state that it has happily improved me. My appetite and spirits have astonishingly improved, and I begin to feel as though I had grown suddenly ten years younger; and really, I am almost prepared to say that I now count, ten days ago, I would have as soon undertaken to square the circle as to have attempted it."

CARTER'S SPANISH MIXTURE.

THE GREAT PURIFIER OF THE BLOOD.

Not a Particle of Mercury in it!

AN INFALLIBLE REMEDY for Scrofula, King's Evil, Rheumatism, Obsolete Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Chronic Sore Ears, Ring Worm or Tetter, Scald Head, Enlargement and Pain of the Bones and Joints, Stomach Ulcers, Syphilitic Disorders, Lumbago, Spinal Complaints, and all Diseases arising from an injudicious use of Mercury, Impudence in Life, or Impurity of the Blood.

This valuable Medicine, which has become celebrated for the number of extraordinary cures effected through its agency, has induced the proprietors, at the urgent request of their friends, to offer it to the public, which they do with the utmost confidence in its virtues and wonderful curative properties. The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all from gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond, Va.

F. BOYDEN, Esq., of the Exchange Hotel, Richmond, known every where, says he has seen the Medicine called CARTER'S SPANISH MIXTURE administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most astonishing good results. He says it is the most extraordinary medicine he has ever seen.

C. B. LUCK, Esq., now in the city of Richmond, and for many years in the Post Office, has such confidence in the astonishing efficacy of CARTER'S SPANISH MIXTURE, that he has bought upwards of 50 bottles, which he has given away to the afflicted. Mr. Luck says he has never known it to fail when taken according to directions.

Dr. MINGE, a practising Physician, and formerly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances the effects of CARTER'S SPANISH MIXTURE which were most truly surprising. He says in a case of Consumption, dependent on the Liver, the good effects were wonderful indeed.

Still another Cure for Scrofula.—I had a very valuable boy cured of Scrofula by Carter's Spanish Mixture. I consider it truly a valuable medicine. JAMES M. TAYLOR, Conductor on the R. F. & P. R. Co., Richmond, Va. Salt Rheum of 20 years Standing Cured.

Mr. JOHN THOMPSON, residing in the city of Richmond, was cured by three bottles of Carter's Spanish Mixture, of Salt Rheum, which he had nearly 20 years, and which all the physicians of the city could not cure. Mr. Thompson is a well known merchant in the city of Richmond, Va., and his cure is most remarkable.

WM. A. MATTHEWS, of Richmond, had a servant cured of Syphilis, in the worst form, by Carter's Spanish Mixture. He says he cheerfully recommends it, and considers it an invaluable medicine.

EDWIN BURTON, commissioner of the revenue, says he has seen the good effects of Carter's Spanish Mixture in a number of Syphilitic cases, and says it is a perfect cure for that horrible disease.

WM. G. HARWOOD, of Richmond, cured of Old Sores and Ulcers, which disabled him from walking. Took a few bottles of Carter's Spanish Mixture, and was enabled to walk without a crutch, in a short time permanently cured.

THERE ARE FEW things which afford us greater pleasure than sitting down to write a notice of the celebrated Hoofland German Bitters, because we are fully conscious we are conferring a public benefit, and our heart tells us that by our notices many have been induced to take these Bitters, and been rescued from death by Dyspepsia, Liver Complaint, &c., for the cure of which it is certain. It is prepared and sold only by Dr. C. M. JACKSON, at the German Medicine Store, No. 120 Arch street, Philadelphia.

THE LUNGS.—The lungs are the most liable of all the organs of the human body to take disease, especially in the winter, owing to the cold and variable state of the weather, which causes obstructions of the skin; the humors are driven in upon the internal organs, hence coughing and shooting pains in the breast are experienced. To any afflicted in this way, we would in the way of salutary advice say, buy Dr. Keyser's Pectoral syrup. Take it according to directions, and you will get well.
