

**VALUABLE Mill Property for Sale!**

The subscriber, about to remove to California, offers at Private Sale, his valuable Mill Property, situated about 3 miles East of Bedford, on the Juniata River, in Colerain township, at the lower end of Friend's Cove.

The Mill is four stories high, frame, with three run of stones, two pair of which are Burrs, having all the machinery necessary to manufacture merchant and country work in the best manner. It has one of the best water powers in the United States, which may be known from the fact that during the last dry season it had abundance of water, when nearly every other mill in the neighborhood was stopped.

There are between 10 and 11 acres of land adjoining, six acres under post fence, about 4 of which is meadow, on which is erected a good two story log house, weather-boarded and plastered, good water at the door, with all necessary out buildings—also a fine orchard of choice fruit, peaches and apples.

Being determined to sell purchasers will do well to examine this property soon.

TERMS will be made to suit the purchaser, by giving approved Bonds.

**Bedford Academy AND FEMALE SEMINARY. W. W. CAMPBELL, Principal.**

This Institution, hitherto under the care of Rev. John Lyon, will henceforth be conducted by the present Principal. The past history of the Academy will, we trust, be a sufficient guaranty of its future efficiency. The branches taught will be the same as heretofore. TO MASTER PRINCIPLES will be considered the most important pursuit of the pupils; and while it will be the constant business of the Instructor to impart knowledge, it will also be his aim to lead his pupils to make a practical application of their acquisitions. To load the mind with innumerable formulas, without causing it to use them, would be like placing a bow in a child's hand, without teaching him how to bend it. In fine, it shall be our object, as it has ever been, to lead the pupil to THINK.

We look forward confidently to the patronage of this community, which has thus far been so generously extended, and by an undiminished assiduity, we hope to merit your support.
