This Institution is located at Rainsburg, Bedford County, Pa. 10 miles from Bedford and 8 miles from the celebrated Mineral Springs. Being situated in a pleasant and retired village, free from many of the alluring vices that so often corrupt the minds of youth, and in the midst of one of the most healthy portions of the State, we trust it will receive the liberal patronage of its friends hereafter.

It will be under the charge of the Rev. JOHN POLLOCK, of the M. E. Church, a gentleman who has been for a number of years engaged in teaching, and whose recommendations from abroad, as well as the high style of teaching he is exhibiting in this place at present, fully satisfy us that he is such a man as we need. The year will be divided into two sessions of 22 weeks each. The first Session will commence on Tuesday, the 7th day of August next. Each session will be divided into two terms of 11 weeks, but without any vacation, as the school will be re-organized on the next day after the close of the first term of the session. It will be very important for students to be in attendance as near the beginning of the term as possible, in order to gain a thorough knowledge of elementary principles.

Rates of Tuition will be as follows:—For common English, per term, \$3. To which will be added for higher branches, including higher Mathematics, each 75 cents. For each ancient or modern language, \$1 25. The entire amount of the above shall not exceed six dollars.

Board can be procured at various places in the village on the most reasonable terms. Conveyances will be in readiness at the stage office in Bedford on the day previous to commencement, between the hours of 4 and 5 P. Bedford Academy

FEMALE SEMINARY. W. W. CAMPBELL, Principal. This Institution, hitherto under the care of Rev. John Lyon, will henceforth be conducted by the present Principal. The past history of the Academy will, we trust, be a sufficient guaranty of its future efficiency. The branches taught will be the same as heretofore. TO MASTER PRINCIPLES will be considered the most important pursuit of the pupils; and while it will be the constant business of the Instructor to impart knowledge, it will also be his aim to lead his pupils to make a practical application of their acquisitions. To load the mind with innumerable formulas, without causing it to use them, would be like placing a bow in a child's hand, without teaching him how to bend it. In fine, it shall be our object, as it has ever been, to lead the pupil to THINK. We look forward confidently to the patronage of this community, which has thus far been so generously extended, and by an undiminished assiduity, we hope to merit your support. Terms per quarter, as usual, to wit: CLASSICS, \$6 25 HIGHER ENGLISH, 5 00 MIDDLE " 4 50 ELEMENTARY " 4 00 MUSIC, 8 00 PIANO, 2 00 The Session opened on Monday, 12th inst. Feb. 16, 1855.
