HEMBOLD'S GENUINE PREPARATIONS.
Helmbold's Highly Concentrated Compound Fluid Extract of Buchu,
For Diseases of the Bladder and Kidneys, Sexual Disorders, Strictures, Weakness, and all diseases of the Sexual Organs whether in Male or Female,
from whatever cause they may have originated and no matter of how long standing.
If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods too well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.
THE FLUID EXTRACT OF BUCHU has been pronounced by eminent Physicians **THE GREATEST REMEDY EVER KNOWN.** It is a medicine perfectly pleasant in taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood.
CONSTITUTIONAL DEBILITY, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blighting the brilliant hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by this infallible remedy. And as a medicine which thus benefits everybody, from the simply delicate to the confined and despairing invalid, no equal is to be found, acting both as a cure and preventative.

HELMBOLD'S HIGHLY CONCENTRATED COMPOUND FLUID EXTRACT SARSAPARILLA,
For purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Salt Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Pimples on the Face, and all Scaly eruptions of the Skin.
This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases, after the glands were destroyed and the bones already affected.
NOTICE.—Letters from responsible Physicians and Professors of several Medical Colleges, and certificates of cures from patients will be found accompanying both Preparations.
Prices.—Fluid Extract of Buchu, \$1 per bottle, or 6 bottles for \$5, equal in strength to one gallon Syrup of Sarsaparilla.
Prepared and Sold by H. T. HELMBOLD,
Chemist 373, Chestnut Street, near the Girard House, PHILADELPHIA.
To be had of Dr. F. C. Reamer, Bedford, Pa. July 20, 1855.—ly.

Dr. KEYSER'S PECTORAL AGAIN.—We would impress upon our readers the necessity of attending to the first onset of a cough or cold.—These seemingly trifling maladies are often the forerunners of more fatal and incurable diseases. Dr. Keyser's Pectoral will check them in their infancy, and oftentimes when dangerous symptoms have set in. It is for sale at
Rupp & Osters' Bedford, and at Colvin & Robison's Schellsburg.

VALUABLE Mill Property for Sale!
The subscriber, about to remove to California, offers at Private sale, his valuable Mill Property, situated about 3 miles East of Bedford, on the Juniata River, in Colerain township, at the lower end of Friend's Cove.
The Mill is four stories high, frame, with three run of stones, two pair of which are Burrs, having all the machinery necessary to manufacture merchant and country work in the best manner. It has one of the best water powers in the United States, which may be known from the fact that during the last dry season it had abundance of water, when nearly every other mill in the neighborhood was stopped.
There are between 10 and 11 acres of land adjoining, six acres under post fence, about 4 of which is meadow, on which is erected a good two story log house, weather-boarded and plastered, good water at the door, with all necessary out buildings—also a fine orchard of choice fruit, peaches and apples.
Being determined to sell purchasers will do well to examine this property soon.
TERMS will be made to suit the purchaser, by giving approved Bonds.
