THE MARKETS.

Philadelphia, May 26. The flour market has undergone no change. The demand is quite limited, but with a light supply and a small stock, holders are firm in their prices. Sales of 300 barrels standard brands at \$7 25 per barrel, but some are indifferent about realizing at this figure. There is a steady inquiry for home consumption from \$7 25, up to \$8 50 for common and fancy lots. Rye Flour is in demand and has advanced 25 cents per barrel—sales of 4500 barrels at \$1 10 per bushel, closing at the latter figure. Corn Meal is scarce and wanted at a further improvement in price—sales of 1000 barrels Brandywine at \$4 25; 250 barrels Pennsylvania at \$3 75 per barrel, and 800 barrels do at a higher rate, exact prices not made public.

Wheat—What is held, and prices barely maintaining. Prime Red is dull at \$1 80, and White at \$1 85 per bushel, but the millers refuse to operate at these rates. Rye is scarce and commands \$1 10 per bushel. Corn is in active demand at the advance noted yesterday, and further sales of \$1 10 per bushel yellow, mixed, and white, were made at 90 cents. Oats have advanced—sales of 4000 bushels Pennsylvania at 62 cents per bushel, and 600 bushels old at 60 cents.

Baltimore, May 27—Flour \$7 50—Rye Flour \$1 10—Wheat \$1 40—Rye 70—Corn 70—Oats 60.

CONFIDENCE IN MEDICINE.—There are many persons who have no confidence in medicine, and are pained on the fact that so many worthless articles are palmed upon the public for the cure of diseases for which they are not suited. We know of a remedy for Coughs and Colds and Lung Diseases, prepared by Dr. Keyser, of Pittsburg, Pa., that will cure the most obstinate cases of the kind, and is sure to give relief in the beginning of these cases. It is now put up in 50 cent and \$1 bottles.

To be had at the Store of Mr. Samuel Brown in Bedford, and at Mr. Colvin's Store in Schellsburg.

CHARLES Friend Ayer.—In this age of quacks, charlatans and mere windy gaseous pretenders to heal, who blow at every corner, and in the face and ears of all men, their loud, blaring Jericho trumpets and other noisy boisterous and instruments of unrelentingly twisted brass, in such a woefully sham ridden epoch as this, I say, it is comforting. Nay even cheering to the earnest well wisher of his race to know there has arrived in this world a genuine physician—to light once more upon something besides mere Sangradores, and Don Mercurial Jolips, with their phlebotomies, poison and warm water.

Your Chastity Pills, and Cherry Peetoral, carry us forward to Halycon days—to millennial Pharmocopias, when science, deep diving down into the principles of things, shall, with infinite cunning, bring out the genuine Elixir Vitor: for of a truth there is manifestly enough somewhat of that same Life Essence in your auburn vegetable distillations and compounds.

You realize to us the visions of those painless smoke-dried Alchemists—boots seekers—dreamers among robbers and embezzlers, touching the quintessential hidden virtue of the universe, which should antidote distemper, and break for man the Wheel of Time.

"The Union of lakes—the Union of lands, The Union of States none can sever; The Union of hearts, and the Union of hands, And the flag of our Union forever!"

What is Democracy?

DEMOCRACY represents the great principles of progress. It is onward and upward in its movements. It has a heart for action and motives for a world. It constitutes the principle of diffusion and is to humanity what the centrifugal force is to a revolving orb of a universe. What motion is to them, Democracy is to principle. It is the soul of action. It conforms to the providence of God. It has confidence in man and an aiding reliance in his high destiny. It seeks the largest liberty, the greatest good and the surest happiness. It aims to build up the great interests of the many, to the least detriment of the few. It remembers the past, without neglecting the present. It establishes the present, without fearing to provide for the future. It cares for the weak, while it permits no injustice to the strong. It conquers the oppressor, and prepares the subject of tyranny for freedom. It melts the bigot's heart to meekness, and reconciles his mind to knowledge. It dispels the cloud of ignorance and superstition, and prepares the people for instruction and self-respect. It adds wisdom to legislation, and improved judgment to government. It favors enterprise that yields to many, and an industry that is permanent. It is the pioneer of humanity—the conservator of nations. IT FAILS ONLY WHEN IT CEASES TO BE TRUE TO ITSELF.

DR. HUMBOLDT.—H. H. HUTZ'S Celebrated Tetter Wash is the only safe and sure remedy ever discovered for curing the Tetter, Ringworm, and all eruptions of the skin. It is so infallible a remedy, that a perfect cure in all cases of Tetter is guaranteed, if attentively applied. In ordinary cases one bottle will be sufficient to perfect a cure. In bad cases, with a Tetter of long standing, more will be required. Price 25 cents per bottle. For Sale at Dr. Rimmer's Drug Store, Bedford, Pa. May 22, 1857—1y.

IF PEOPLE WOULD LISTEN TO REASON, as readily as they do to "blundering," they could not hesitate a moment in the choice of remedies for disease. They could undoubtedly prefer the Clickener Sugar-coated Vegetable Purgative Pills to all others; and for this plain reason, that they possess all the essential requisites of an effectual remedy. They are of vegetable origin; they are palatable; they neither gripe nor nauseate; they go directly to the seat of disease; they never fail to effect a permanent cure in all cases where they are recommended. All this can be substantiated by testimonials from ladies and gentlemen of the highest respectability and most undoubted integrity. They all concur in the opinion, that Clickener's Sugar-Coated Vegetable Pills, when properly administered, have never been known to fail in curing complaints of the liver, consumption, jaundice, whooping cough, fevers of all kinds, indigestion, rheumatism, headache, gout, dropsy, senility, small-pox, or cholera morbus. They have likewise been eminently successful, when the disease had defied the efforts of the most skillful physicians.

DALLEY'S MAGICAL PAIN EXTRACTOR. The great and principle characteristics of DALLEY'S MAGICAL PAIN EXTRACTOR consist: 1st. Of its never-failing and unique property, as soon as applied to any external injury, to CHECK INFLAMMATION instantly, and rapidly to reduce heat. This feature constitutes its great power to alleviate the pain of burns and scalds, and of other painful diseases, in so incredibly short a space of time, and as will appear from the few testimonials hereto annexed. Every intelligent mind is fully aware that, in all cases of external injury, the pain is produced by inflammation of the injured parts; and, therefore, if you remove the cause, the effect must cease.

2d. Its purificative properties neutralize the poison that may lurk in the system, and will, when applied to the sores, draw rapidly all impure matter to the surface, and eject it—hence the great discharge it produces from sores occasioned by burns, and when applied to old and inveterate sores, Salt Rheum, or to other cutaneous diseases.

Each box of GENUINE DALLEY'S PAIN EXTRACTOR has upon it a Steel Plate Engraved Label with the signature of C. V. CLICKENER & Co., proprietors, and HENRY DALLEY, manufacturer. Price 25 cents per box. All orders should be addressed to C. V. Clickener & Co., 81 Barclay street New York. May 8, 1857—2m.

Combined REAPER AND MOWER.

Patented by J. H. MANNY, Sept. 22, 1851, April 12, 1852, June 21, 1853, March 29, 1854, Oct. 15, 1854, and by WALTER A. WOOD, 24th day of June and 1st day of July, 1856. The best combined MACHINE ever invented.

From the success of last year's operations I take pleasure in announcing this Machine to the Farmers for the next Harvest, and feel assured it will fully meet their highest expectations. It is easily managed, cuts clean and easy, is of light draft, and readily changed from a Reaper to a Mower, and vice versa, requiring not more than a minute to make the change. The alterations from last year are as follows, viz:

All the Journals will be Case-hardened, the SHOES, GUARDS AND BEARING, will be built of the best Cast-iron, and wrought iron substituted for cast in s-w-v-l places. The Machine is made to move lodged clover without obstruction, by simply removing four bolts and leaving off a part of the frame work. With these alterations and improvements the machine will be stronger than heretofore, when it was the only reliable COMBINED REAPER AND MOWER made.

The Machine is warranted capable of cutting from ten to fifteen acres of grass or grain per day, in a workman-like manner.

N. B. Parties manufacturing Reaping or Mowing Machines, using WOODS' PATENTS, are cautioned against their further use, and are hereby notified that payment will be exacted to the full extent for the use heretofore made of them.

For further particulars the Farmers are respectfully invited to call upon Elymire & Hartley, Agents for Bedford County, Pa., who will furnish Pamphlets containing Certificates, &c.

For Sale by ELYMIRE & HARTLEY, Bedford, Pa. E. K. PARSONS, Harrisburg, General Agent for Eastern Pennsylvania. May 15, 1857.

Bedford, May 20, 1857. Messrs. Elymire & Hartley:

Gentlemen:—I purchased one of Manny's Reaping and Mowing Machines last year. Its reputation being the highest, and having seen it cut grain to my entire satisfaction, I bought it after grain harvest. My hay was cut with it; and from its admirable adaptation to the purposes intended—having fully equalled the representation—I am pleased to recommend it to the farmers of Bedford County as an excellent Mower and Reaper, believing it fully worth the price asked as a Mower alone.

JOHN WATSON.
