New Store and Open Front. Messrs. Blymire & Hartley, hardware merchants, have dissolved the partnership heretofore existing between them, Mr. Hartley opening a new store at the corner of Bedford Hall, one door East of A. B. Cramer's store, and Mr. Blymire remaining at the old stand, which he is now beautifying with an open front. It will be seen by Mr. Hartley's advertisement in another column, that he has all kinds of ware in his line and we can testify that his stock is an excellent one. Give him a call.

The Expedition to Utah.—An immense train.—We have made mention that Messrs. Major and Russell, the contractors to transport the army supplies to Salt Lake, have decided on making Nebraska City the starting point. The caravan, when it shall have fully fixed up and started, will be one of the most imposing and extensive that the Western world has ever witnessed. The Nebraska Notes gives us a skeleton idea of its appearance—two thousand wagons, each hauling fifty hundred pounds of freight, sixteen thousand head of cattle, two acres of ox-yokes to hitch them up with, two thousand ox-drivers; and then it proceeds to imagine what a grand opera the cavalcade would make.

Suffice it to say that a thousand whips are cracking, sixteen thousand tails are gaily snapping the flies of June away, two thousand drivers shrieking, eight thousand wagon-wheels squeaking, all eager to join the Anti-Mormon fray, when, at the closing reticative, a herd of buffaloes and six hundred Indians break in upon the train, and a general stampede ensues, then, and not till then, do we show our true musical strength.

Another regulation is alluded to as being a cardinal thing in this expedition. The News says: "Major and Russell will hire no employ no man who lasteth, toucheth or handleth strong drink. We shall therefore expect to see two thousand teamsters of temperance principles and habits—a spectacle of moral grandeur which we believe, no human eye has ever yet rested upon."

Each man, also, is to be provided with a Bible and hymn-book; so that they shall not want for the food of life while on their dreary journey.

It is stated that there are about one million bushels wheat in store and about sixty thousand barrels of flour at Chicago. Wheat is selling at 53 and 55 cents. It is the general opinion that two million bushels of grain will be ready there for transportation upon the opening of navigation.

EXPORTS OF OIL AND BONE FROM THE SANDWICH ISLANDS.

We have ascertained by the records in the Honolulu and Lahaina Custom-Houses that the number of vessels reported cleared for the United States ports, with oil and bone, during the past year, was 39 whalers and 7 merchantmen, making 46 in all. Some of the whalers will cruise over the South Pacific whaling grounds on their way home, and thus considerably increase their cargoes. It appears by the Custom-House records that the total amount of oil and bone on the way to the United States from these Islands, in 46 vessels is: 9,573 bbls. sperm, 108,732 bbls. whale, 1,472,404 lbs. The amount sent from these Islands in 1856 in 71 vessels, was 8,789 bbls. sperm, 176,932 bbls. whale, 2,131,712 lbs. bone.

By a comparison of the above figures, which will be found reliable, it will be observed that there will be a material decrease in the imports of polar oil and bone into the United States for 1857, compared with 1856; and notwithstanding the present depression of the oil market at the East, prices must soon advance, unless there is a great falling off in the consumption, which is not now anticipated.—Honolulu Com. Advertiser, Jan. 21.

How to Promote Health.—American mothers are doomed to early graves, in consequence of their sedentary in-door employment. Every consideration of affection, duty, and the preservation of a healthy posterity, should prompt the heads of families, and others, to assist in averting results so disastrous to the well-being of society at large. Thousands of house-wives have recently found ample leisure for healthy, out-door exercise, by purchasing and using one of Grover & Barker's Family Sewing Machines by which they have been enabled to do all their sewing, in a stronger and more beautiful style than they could have done by hand. The transition from the slavery of the needle to the joyous exercise of the largest Liberty, has had the happiest effect upon the health and temper of the fair possessors of the Grover & Barker machine and every woman who is practically familiar with their value, regards them with great favor, as the only Missionary Agent that is at all likely to emancipate the sisterhood from the slavery of the needle.

RESPIRATION IN DISEASES OF THE LUNGS.—In Diseases of the Lungs, respiration is always imperfectly performed, owing to the fact that in these cases there is always obstructions in the bronchial tubes and air cells which hinders the free passage of air. These obstructions are readily removed by a very pleasant medicine, prepared by Dr. Keyser, Wholesale Druggist, of 110 Wood Street, Pittsburgh, Pa., called "Pectoral Syrup," and which has become justly celebrated in the removal & cure of incipient Lung Disease. You can buy it at Samuel Brown's, Bedford, and at the store of Colvin and Robinson, Schellsburg.

MARYLAND STATE LOTTERIES.

R. FRANCE & CO., MANAGERS.

Caution Notice.

Persons living at a distance should be extremely cautious of whom they order Lottery Tickets or Certificates of packages of Tickets. The country is flooded with bogus and swindling Lotteries. Every inducement is held out to get persons to invest money in them. Capital Prizes of from \$25,000 to \$40,000 head their schemes—with tickets to one Dollar, \$100,000 Capital Prizes are offered, tickets \$5. All such, in every instance, are frauds if money is sent for tickets, it is so much thrown away without the shadow of a chance of getting a prize. Beware of all Lotteries where the Capital Prize is unusually large in comparison to the price of tickets. In every instance where large prizes are offered for a small cost of tickets, put it down as a certain fraud.

The Kentucky State Lottery for the benefit of the Shelby College, under our management, is the only Lottery in the United States which is legally decided by the Maryland drawings all other Lotteries which purport to be decided by the Maryland Drawings, are frauds.

THE MARYLAND STATE LOTTERIES.

Purchase in the Maryland State Lotteries, then you are sure of being right. And in ordering the Maryland Lotteries, you are sure of honest and fair drawings.

One thing look to, and that is, if you order from any licensed tender in Baltimore, do not receive any but Managers' tickets and Managers' Printed Certificates of Packages. The Managers' Certificates have the number printed, and have the lithographed signature of R. France & Co. No one else has a right to send his individual certificates, and if he does it, be sure there is a fraud at the bottom of it.

YOUNG MAN, BEWARE!

I hereby caution all of my young friends who are given to taking a little of the "O-B-J" to abstain from the cup at once and forever, as I have lately been made to pay dearly for taking a single drink. Especially would I advise them not to drink at the solicitation of neighbors or friends.
