MARYLAND STATE LOTTERIES.

R. FRANCE & CO., MANAGERS.

Persons living at a distance should be extremely cautious of whom they order Lottery Tickets or Certificates of packages of Tickets. The country is flooded with bogus and swindling Lotteries. Every individual is held out to get persons to invest money in them. Capital prizes of from \$25,000 to \$100,000 head their schemes—with tickets at One Dollar, \$100,000 Capital Prizes are offered, tickets \$5. All such, in every instance, are frauds; if money is sent for tickets, it is so much thrown away without the shadow of a chance of getting a prize. Beware of all Lotteries where the Capital Prize is unusually large in comparison to the price of tickets. In every instance where large prizes are offered for a small cost of tickets, put it down as a certain fraud.

The Kentucky State Lottery for the benefit of the Shelby College, under our management, is the only Lottery in the United States which is legally decided by the Maryland drawings; all other Lotteries which purport to be decided by the Maryland Drawings, are frauds.

THE MARYLAND STATE LOTTERIES.
Purchase in the Maryland State Lotteries, then you are sure of being right. And in orders, from the Maryland Lotteries, you are sure of honest and fair drawings.

One thing look to, and that is, if you order from any licensed vender in Baltimore, do not receive any but Managers' tickets and Managers' Printed Certificates of Packages. The Managers' Certificates have the number printed, and have the lithographed signature of R. France & Co. No one has right to send his individual certificates, and if he does it, be sure there is a fraud at the bottom of it.

R. FRANCE & Co.
Managers of Maryland State Lotteries.

THE WONDER OF THE AGE!
J. M. LINSEY'S GREAT MEDICAL DISCOVERY!
Which is a purely vegetable Preparation, for the purifying of blood, giving vigor to the Liver, stomach and bowels, and expelling from the system all morbid matter, and subsiding in its stead a healthful activity through all the functions of life.

HOW IT WAS DISCOVERED!
In the fall of 1854 a daughter of Mr. Lindsey was seized with a malignant attack of Anemom Oris (Canker of the mouth). She had previously been prostrated by the attacks of Dysentery, Inflammation of the lungs and Heetic Fever, successively, which resulted in the above named disease in its worst form. Her condition was most deplorable—her month and cheeks were literally rotten—the attending Physician pronounced the case a hopeless one. Everything indicated a speedy and horrible death—the death of rotting out of life! At this critical juncture Dr. Lindsey prepared a compound for the purpose of alleviating, possible, the pains of the little sufferer. She was made to use it freely, and in a short time to her most delight, there was a very perceptible change for the better. The month began to put on a bright and healthy appearance—the foul breath became sweet—the appetite was restored, and the child seemed to partake of a new and fresh life.

Hope was inspired, and the use of the compound was faithfully continued, the result of which, with the blessing of God, was her complete restoration.—She is now perfectly healthy! From this circumstance, Mr. Lindsey was led to prepare with greater care and exactness, what had so astonishingly cured his child, and continued his experiments until he succeeded in bringing to perfection a Great Remedy for Blood Impurity—since which time its effects have been almost miraculous. Hundreds upon hundreds, by it, have been snatched from an untimely grave and restored to the sweets of health and the enjoyment of their families, young and old have tested it, saving powers and sins along its virtues. Say they—"after using Lindsey's Improved Blood Searcher, we felt as if a new life was stirring our veins, and under God we owe it to more than words can express."

But having owned his own lips and then judge of its valuable effects. The few testimonials that follow show that it is deservedly styled the Greatest Discovery of this or any other age.

CERTIFICATES!
Pattersonville, Bedford Co., Pa., Oct. 14, '57.

Dear Sir—I was severely afflicted with rheumatism for a whole year—nine months of which time I was not able to leave my bed—when hearing of the wonderful effects of your Improved Blood Searcher, I determined to give it a trial, and in a few days I found relief. After using three bottles I was able to walk round again as usual, and am now wholly cured. I can recommend it to all who are similarly afflicted, and believe it is all it claims to be.
Yours, truly,
JOHN SHAFER.

A DESPERATE CASE OF TETTER and BARBER'S ITCH, cured by the use of Lindsey's Blood Searcher. I, the undersigned, sometime in last March was severely afflicted with what was pronounced by my physicians to be a certain kind of Tetter and Barber's Itch. My condition was one of the most miserable I ever experienced, and I was suffering with the foul corruption that is the result of the tubercles, by which it was almost completely covered. After being under the care of my physicians for near two months, without the least benefit, I was induced to make a trial of Lindsey's Blood Searcher, and the result was that in one bottle and a half I found a perfect cure. I may as well say that I eagerly tried whatever was recommended as a cure. Such was my wretchedness that I even resorted to the dangerous experiment of pouring pure Creosote on my face and neck, but all to no purpose—the result was that in one bottle and a half I found a perfect cure. I may as well say that I eagerly tried whatever was recommended as a cure. Such was my wretchedness that I even resorted to the dangerous experiment of pouring pure Creosote on my face and neck, but all to no purpose—the result was that in one bottle and a half I found a perfect cure.
