**Township or Single Rights of Bedford County for Sale, of**  
**J. M. Clark's**  
NEWLY INVENTED PATENT PORTABLE MERCHANT FLOUR MIXING AND DISTRIBUTING APPARATUS, AND COMBINED GRINDING AND BOLTING MERCHANT.

**Flouring Mill,**  
OF FULL SIZE, which requires but SIX HORSE POWER to run—grinds 10 bushels of wheat per hour, and makes better and more flour than any mill in existence—turning out at the same operation, Family Extra Superfine, Fine, Middlings, Shorts, Shipstuffs and Bran, and occupying but little space—a room 12 by 24 being amply large to place the Mill in and work it successfully.  
This highly ingenious and much needed invention, performs an entire new feature in the manufacturing of grain into flour, and attains objects which have been heretofore wholly beyond reach. The splendid manner in which it performs its functions; the simplicity of its structure; all complicated and useless machinery being avoided; the ease with which it can be transported from one location to another—a horse and wagon, at two loads, being all that is requisite; the small space it occupies when ready for use, which would not be missed when placed in a room with other machinery; and the small amount of power used—these are the qualities which it performs its work—the different qualities of flour by a single operation—the quality and yield per bushel is unsurpassed.  
MILLERS AND MILL-OWNERS!  
Your attention is called to this ingenious, valuable and scientific bolting process, which will save you ten times its cost every six months, if used in your mill in place of your present machinery. It will enable you to make a larger yield of flour, a more uniform quality, and a much better flour.  
Manufacturers price of Mill \$650  
Right to use from \$50 to \$1000  
Persons in this county wishing to see the practical workings of this mill, before purchasing can do so by calling at the mill of John Bingham, at Hollidaysburg, Penna., who has one in operation.  
The right to use can be had by calling upon either of the undersigned, at Bedford, who have the power to sell Bedford county.

**THE Liver Invigorator.**  
PREPARED BY DR. SANFORD.  
COMPOUNDED ENTIRELY FROM GUMS, is one of the best purgative and liver medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to expel its morbid matter, then on the stomach and bowels to carry off the surplus of bile, and finally to regulate the action of its functions; when the bowels are at fault, and the whole system of one organ—the Liver—is deranged, the Liver Invigorator makes it do its duty. For the dyspepsia that organ, one made it his study, in a twenty years, in a many cases, to make it his duty to contract the which it is liable. It is at last found, in many cases, in a bottle, and conviction is certain.  
These Gums remove all morbid or bad matter from their place a healthy action of the system, causing the blood, giving tone and health to the disease—effecting a radical cure.  
Bilious attacks are cured, and what is better, prevented, by the Liver invigorator.  
One dose after eating stomach and prevent the souring.  
Only one dose taken bowels gently, and cures the most obstinate dyspepsia. One dose of two teaspoonfuls will always relieve Sick Headache.  
One bottle taken for female obstruction, disease and makes a permanent relief. One dose often repeated is a sure cure for Cholera Morbus, and a preventive of Cholera.  
Only one bottle is needed to throw out of the system the effects of medicine after a long sickness. One bottle taken for Jaundice removes all sallowness or unnatural color from the skin.  
One dose taken a short time before eating gives vigor to the appetite, and makes food digest well.  
One dose often repeated cures Chronic Diarrhoea, in its worst forms, while Summer and Bowel complaints yield almost to the first dose. One or two doses cure attacks caused by Worms in Children; there is no surer, safer, or speedier remedy in the world, as the following testimonial will prove.  
A few bottles cures Dropsy, by exciting the absorbents.  
We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chills and Fevers of a Bilious nature. It operates with certainty, and thousands are willing to testify to its wonderful virtues. All who use it are giving their unanimous testimony in its favor.  
MIX WATER IN THE MOUTH WITH THE INVIGORATOR, and swallow both together.  
THE LIVER INVIGORATOR is a scientific medical discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common Headache, all of which are the result of a Disordered Liver.

**JOY TO THE ADMIRERS OF A FINE HEAD OF RICH GLOSSY HAIR.**  
Talk of beauty, and it cannot exist without a fine head of hair, then read the following, and if you ask none, see circular around each bottle, and you no can doubt.  
Prof. Wood's Hair Restorative.—We call the attention of all, old and young, to this wonderful preparation, which turns back its original color, gray hair—covers the head of the bald with luxuriant growth—removes the dandruff, itching, and all cutaneous eruptions—causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call then upon the bald, the grey, or diseased in scalp, to use it; and surely the young will not, as they value the flowing locks, or the itching curl, ever be without it. Its praise is upon the tongue of thousands.

The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative, a few weeks since.  
DEEP RIVER, CONN., July 23, 1858.  
Mr. Levenworth—Sir: I have been troubled with dandruff or scurf on my head for more than a year, my hair began to come out, scurf and hair together, I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the 1st of April last, and purchased one bottle to try it, and I found to my satisfaction it was the thing, it removed the scurf, and my hair began to grow; it is now two or three inches in length, and is all off. I have great faith in it. I wish you to send me two bottles more by Mr. Post, the bearer of this. I don't know any of the kind is used in this place, you may have a market for many bottles after it is known here. Yours with respect,  
RUFUS PRATT, 104 Vine street.

Prof. O. J. Wood: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for whomsoever it may concern, that I have used it and know others to use it—that I have, for several years, been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I know. It entirely cleanses the head of dandruff, and with one month's proper use will restore any person's hair to the original youthful color and texture giving it healthy, soft and glossy appearance; and all this, without discoloring the hands that apply it, or the dress on which it drops. I would, therefore, recommend its use to every one desirous of having a fine color and texture to hair.  
Respectfully yours,  
O. J. WOOD & Co., 212 Broadway, New York (in the great New York Wire Railing Establishment, and 114 Market street, St. Louis, Mo.)
