Full directions are given, so that the patient can cure himself as certain as with the advice of the most experienced surgeon, and much better than with the advice of one of little experience in this class of disease.

SHOE STORE!

Ferguson & Co.

HAVE just opened their new Store in "Anderson's Row" of buildings, nearly opposite the Gazette Office.

Their stock of Boots and Shoes for men, women and children, is certainly the best and cheapest that has ever been brought to Bedford, for three reasons.

First.—On account of the pressure of the times, they have been laid in at 30 cents on the dollar less than what was paid last year for the same goods.

Second.—They were bought for CASH, and the usual discounts made.

Third.—They were bought in much larger quantities than dry goods merchants buy them, and consequently were bought much lower.

If this is doubted, the evidence is on the stamp at the counter.

LADIES' DEPARTMENT.

The store room has been so arranged as to have a separate apartment for the Ladies, provided with comfortable chairs and stools where they can sit and talk, or buy shoes as they please.

Pickles and Fruits.

In connection with the shoe business, all kinds of Pickles, Fruits and Preserves will be kept, including Pine Apple, Peach, Strawberries, Cherries, Brandy Peaches, Catsups, Mixed Pickles, Lobsters, &c., &c.

—ALSO—

The best, and most general assortment of Tobacco and Cigars, will be kept constantly on hand.

As there is no store of this kind kept in this county, the proprietors are determined to keep it right, and sell at the lowest living profits.

Ayer's Sarsaparilla,

A compound remedy, in which we have labored to produce the most effectual extract that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:—

SCROFULA AND SCROFULOUS COMPLAINTS, ERYTHEMAS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BOILS, FURUNCLES, SALT RHEUM, SCALD HEAD, STYRILIA AND STYRILITIS, AFFECTIONS OF THE THROAT, DYSPEPSIA, NEURALGIA OR TIC DOLITOUREUX, DEBILITY, DYSPESIA AND INDIGESTION, ERYTHRELA, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are ripped in the bud. Multitudes are cured of their Strumous affections by themselves from the endurance of such eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and are less irritable by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtues which are claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but a little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of Sarsaparilla for the price of a dollar. Most of these have a purgative effect, and are not only unwholesome, but dangerous. Hence, bitter and painful disappointments have followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposture and fraud. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

Ayer's Cherry Pectoral

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

Ayer's Cathartic Pills,
