

MARRIED:

On Thursday evening, the 11th inst., by the Rev. Wm. M. Deatrick, Mr. William H. Gates and Miss Elizabeth Bonar, both of the vicinity of Bedford Forge.

DIED:

On the 8th inst., at the residence of his father in Friend's Cove, Mr. John Weisel, in the 27th year of his age.

When the aged die, our thoughts naturally recur to the irreversible decree consequent upon the paradisaical transgression; and when the little child is called away, we comfort ourselves with the oft-repeated remark that they are the better off; but when youth and manhood in their middle days, are stricken down by the fell Destroyer, we pause and ask, "Why is it?" How dark and mysterious to us the ways of a righteous Providence often appear.

This young man, universally admired for his integrity of character and beloved by all for the deep tone of his piety, was smitten in the midst of life and usefulness, by that monster, consumption, which annually lays its victims by the thousands in the tomb.

How apparently afflictive this Providence, and how bereaving to his parents. He was a son who never disobeyed his earthly parents, and who loved to do his heavenly Father's will.

"When the righteous die, let the people consider."

On the 14th, Mrs. Margaret Hoffmeyer, consort of the Rev. C. F. Hoffmeyer, of Friend's Cove, aged 66 years, 8 months and 21 days.

DISEASES OF THE LIVER.

When the celebrated Dr. Rush declared that drunkenness was a disease, he enunciated a truth which the experience and observation of medical men is every day confirming. The many insane excesses of those who indulge in the use of spirituous liquors, may be thus accounted for. The true cause of conduct, which is taken for intonation, is very frequently a diseased state of the Liver. No organ in the human system, when deranged, produces a more frightful catalogue of diseases. And if, instead of applying remedies to the manifestations of disease, as is too often the case, physicians would prescribe with a view to the original cause, fewer deaths would result from diseases induced by a deranged state of the Liver.

Three-to-fourths of the diseases enumerated under the head of Consumption, have their seat in a diseased Liver. Dr. McLANE's celebrated Liver Pills, prepared by Fleming Bros., are a certain cure.

Purchasers will be careful to ask for DR. McLANE'S CELEBRATED LIVER PILLS, manufactured by FLEMING BROS. OF PITTSBURGH, PA. There are other Pills purporting to be Liver Pills, now before the public. Dr. McLANE's genuine Liver Pills also his celebrated Vermifuge, can now be had at all respectable drug stores. None genuine without the signature of FLEMING BROS.

A VOICE FROM VIRGINIA.

Dr. Seth S. Hance:—I was in Baltimore in April 1854, and from a paper I received of yours was induced to buy a box of your Pills, recommended as a sovereign cure for epileptic fits. At that time one of my servants had been afflicted with fits about 12 years. When reaching home, I commenced with the pills according to directions. I do not think she has had one since. My wife, though, is somewhat induced to believe she may have had one only. Enclosed you will find five dollars, for which you will please forward me two boxes. Your compliance will oblige me. Yours respectfully, M. S. STANON.

Dr. Hance's Epileptic Pills are also sovereignly for every modification of nervous diseases. The nervous sufferer, whether tormented by the acute physical agony of neuralgia, tic douloureux, or ordinary headache, afflicted with vague terrors, weakened by periodical fits, threatened with paralysis, borne down and dispirited by that terrible insidious ailment which proceeds from a lack of nervous energy, or a general condition of the wonderful machinery which connects every member with the source of sensation, and thought—derives immediate benefit from the use of those pills, which at once calm, invigorates, and regulates the shattered nervous organization.

Sent to any part of the country by mail. Free of postage. Address Seth S. Hance, 108 Baltimore street, Baltimore, Md. Price, one box, \$3; two, \$5; twelve, \$24.

As specifics for the above mentioned diseases, they are Unrivalled, and never known to fail when administered in accordance with the directions.

Their unprecedented popularity has induced the proprietors, FLEMING BROTHERS, PITTSBURGH, PA.

to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. McLANE's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner.
