**THE GREAT RESTORATIVE.**  
FEVER AND AGUE CURED BY DR. M'LANE'S LIVER PILLS.

Mr. Jonathan Houghman, of West Union, Park County, Illinois, writes to the proprietors, Fleming Bros., of Pittsburgh, that he had suffered greatly from a severe and protracted attack of Fever and Ague, and was completely restored to health by the use of the Liver Pills alone. These Pills unquestionably possess great tonic properties, and can be taken with decided advantage for many diseases requiring invigorating remedies; but the Liver Pills stand pre-eminent as a means of restoring a disorganized Liver to healthy action; hence the great celebrity they have attained. The numerous formidable diseases arising from a diseased Liver, which so long baffled the skill of the most eminent physicians of the United States, are now rendered easy of cure, thanks to the study and perseverance of the distinguished physician whose name this great medicine bears—a name which will descend to posterity as one deserving of gratitude. This invaluable medicine should always be kept within reach; and on the appearance of the earliest symptoms of diseased Liver, it can be safely and usefully administered.

Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED LIVER PILLS, manufactured by FLEMING BROS., of Pittsburgh, Pa. There are other Pills purporting to be Liver Pills, now before the public. Dr. M'LANE'S genuine Liver Pills, also his celebrated Vermifuge, can now be had at all respectable drug stores. None genuine without the signature of FLEMING BROS., Oct. 21, 1859—lm.

**MEDICAL IMPOSSIBILITIES.**  
For a long time a certain class of diseases have baffled the skill and practice of the most eminent members of the regular medical faculty. Foremost among these we notice nervous debility, or falling fits. Happily now by the skill and inventive genius of an eminent chemist of Baltimore, Md., this disease has been brought within the means of a cure. We allude to the preparation called the **VEGETABLE EXTRACT EPILEPTIC PILLS**, invented and prepared by Dr. SETH S. HANCE, of 108 Baltimore street, Baltimore, Md. Since their discovery many persons who had given up all hopes of even being cured, have been restored to the full enjoyment of health.

Prominent among these we might enumerate Mr. HARRISON LIGHTFOOT, of Huntsville, Alabama. Mr. L., has suffered as much from Epilepsy, as any other person in the world, never knowing what it was to pass a week without having an attack, and often falling in the streets of Huntsville. He is now fully restored and has not had an attack for more than a year. Dr. Hance's Pills have been the sure cause of this cure. These pills also cure all modifications of Fits, Spasms, Cramps &c., and are very serviceable for persons of weak nerves. Dr. Hance sends them to any part of the country on the receipt of remittance. Price, one box, \$3; two, \$5; twelve, \$24. Address Seth S. Hance, 108 Baltimore street, Baltimore, Md. Oct. 21, 1859—lm.

**HOSTETTER'S STOMACH BITTERS.**

It is a fact that, at some period, every member of the human family is subject to disease or disturbance of the bodily functions; but, with the aid of a good tonic and the exercise of plain common sense, they may be able to so regulate the system as to secure permanent health. In order to accomplish this desired object, the true course to pursue is certainly that which will produce a natural state of things at the least hazard of vital strength and life. For this purpose, Dr. Hostetter has invented this country a preparation bearing his name, which is not a new medicine, but one that has been tried for years, giving satisfaction to all who have used it. The Bitters operate powerfully upon the stomach, bowels and liver, restoring them to a healthy and vigorous action, and thus, by the simple process of strengthening nature, enable the system to triumph over disease.

For the cure of Dyspepsia, Indigestion, Nausea, Flatulency, Loss of Appetite, or any Bilious Complaints, arising from a morbid function of the Stomach or bowels, producing Cramps, Dysentery, Cholera, Diarrhea, &c., these Bitters have no equal.

Diarrhea, dysentery or flux, so generally contracted by new settlers, and caused principally by the change of water and diet, will be speedily regulated by a brief use of this preparation. Dyspepsia, a disease which is probably more prevalent, in all its various forms, than any other, and the cause of which may always be attributed to derangements of the digestive organs, can be cured without fail by using Hostetter's Stomach Bitters, as per directions on the bottle. For this disease every physician will recommend Bitters of some kind; but why not use an article known to be infallible? All nations have their Bitters, as a preventive of disease and strengthener of the system in general; and among them all there is not so good a one as the reliable Bitters of the body of man, reducing him to a mere shadow in a short time, and rendering him physically and mentally useless, can be driven from the body by the use of HOSTETTER'S RENOWNED BITTERS. Further, none of the above-stated diseases can be contracted, even in exposed situations, if the Bitters are used as per directions. And as they neither create nausea nor offend the palate, and render unnecessary any change of diet or interruption of ordinary pursuits, but promote sound sleep and healthy digestion, the complaint is removed as speedily as it is consistent with the production of a thorough and permanent cure.

For Persons in Advanced Years, who are suffering from an enfeebled constitution and infirm body, these Bitters are invaluable as a restorative of strength and vigor, and need only be tried to be appreciated. And to a mother who is nursing these Bitters are indispensable, especially where the mother's nourishment is inadequate to the demands of the child, consequently her strength must yield, and here it is where a good tonic, such as Hostetter's Stomach Bitters, is needed to impart temporary strength and vigor to the system. Ladies should by all means try this remedy for all cases of debility, and, before so doing, should ask their physician, who, if he is acquainted with the virtues of the Bitters, will recommend their use in all cases of weakness.

**CAUTION.**—We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

For Prepaid and sold by HOSTETTER & GIBSON, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.
